Highway Schemes Applications Schedule

Item Ref	Location	Ward	Description	Decision
C1	Broxhill Road, Havering-atte-Bower	Havering Park	Widening of existing and extension of footway from junction with North Road to Bedfords Park plus creation of bridleway behind.	Feasible, but not funded. Improved footway would improve subjective safety of pedestrians walking from Village core to park. (H4, August 2014)
C2	Finucane Gardens, near junction with Penrith Crescent	Elm Park	Width restriction and road humps to reduce traffic speeds of rat-running between Wood Lane and Mungo Park Road.	Feasible, but not funded.
C3	A124/ Hacton Lane/ Wingletye Lane junction	Cranham, Emerson Park, St Andrews	Provision of "green man" crossing stage on all 4 arms of the junction.	Feasible, but not funded. Additional stage would lead to extended vehicle queues on approaches to junction. Current layout is difficult for pedestrians to cross and is subjectively unsafe. Pedestrian demand would only trigger if demand called and would give priority to pedestrians.

Item Ref	Location	Ward	Description	Decision
C4	Havering Road/ Mashiters Hill/ Pettits Lane North junction	Havering Park, Mawneys, Pettits	Provide pedestrian refuges on Havering Road arms, potentially improve existing refuges on other two arms	Feasible, but not funded. Would require carriageway widening to achieve. Would make crossing the road easier for pedestrians.
C5	Ockendon Road, near Sunnings Lane	Upminster	Pedestrian refuge	Feasible, but not funded. In the 3- years to July 2014, 2 injury collisions were recorded in the local vicinity. 21/5/12 5 cars involved, 1 slight injury. Junction with Sunnings Lane caused by U-turning driver. 2/9/13 1 car, 1 motorcycle, serious injury to motorcyclist. 50m east of Sunnings Lane caused by U-turning driver failed to see motorcyclist overtaking.

Item Ref	Location	Ward	Description	Decision
C6	Dagnam Park Drive, near Brookside School		In response to serious concerns for pupils safety, crossing the road to attend Brookside Infant & Junior School, request to reduce speed limit from 30mph to 20mph.	Feasible but not funded. Speed limit change alone unlikely to significantly reduce speed and traffic calming will be required, but such that is compatible with a bus and feeder route. Adjacent side roads may need similar treatment for local limit to be logical.
C7	Faircross Avenue	Havering Park & Mawney	Restrictions to prevent passage by HGV drivers who ignore 7.5 tonne weight limit.	PROCEED TO EXPERIMENTAL TRAFFIC ORDER AND WIDTH RESTRICTION ON FAIRCROSS AVENUE
C8	Percy Road & Linley Crescent	Mawney	Closure of one end of Percy Road to prevent rat-running by inappropriate non-residential traffic, including HGVs. 51 signature petition.	Feasible but not funded.
