LICENSING SUB-COMMITTEE

REPORT

18 January 2016

Subject heading:

Upminster Kebab

127 Avon Road

Application for a premises licence

Report author and contact details:

Arthur Hunt, Licensing Officer

5th floor Mercury House

x 3585

This application for a new premises licence is made by Seyit Guzel under section 17 of the Licensing Act 2003. The application was received by Havering's Licensing Authority on 25 November 2015.

Geographical description of the area and description of the building

The premises is in a terrace of seventeen (17) ground floor retail units with residential accommodation above close to the junction of Avon Road with Front Lane in Cranham. It is to be located in a retail unit that was previously occupied by The St Francis Hospice charity. Other than the Golden crane public house, all other properties surrounding the premises are residential.

Avon Road is served by the 248 bus. Upminster railway and underground station are some 1.6 km away.

A map of the area is attached.

Details of the application

The applicant seeks the below licensable activities which he requests last until 01 January 2045.

Supply of Alcohol		
Day	Start	Finish
Sunday to Thursday	12:00	23:00
Friday & Saturday	12:00	01:00

Late Night Refreshment		
Day	Start	Finish
Friday & Saturday	23:00	02:00

Hours open to the public		
Day	Start	Finish
Sunday to Thursday	12:00	23:00
Friday & Saturday	12:00	02:00

In mediation with the Police the applicant varied the requested hours to :-

Supply of Alcohol		
Day	Start	Finish
Sunday to Thursday	12:00	23:00
Friday & Saturday	12:00	23:00

Hours open to the public		
Day	Start	Finish
Sunday to Thursday	12:00	23:00
Friday & Saturday	12:00	23:30

However, in agreeing to the above hours, the applicant made no reference to the changing of the hours for Late Night Refreshment from 02:00. This needs to be clarified with the applicant. A copy of the E Mail trail is attached to my report.

In the sections devoted to detailing seasonal variations and non-standard timings on the form, the same entry has been submitted "Same as usual". There is no explanation of what this means, thus it is unclear what the applicant is requesting.

There are contradictory conditions within the application regarding the protection of children for harm section, which will be expanded by Mr Campbell in his representation.

Comments and observations on the application

The applicant acted in accordance with regulations 25 and 26 of *The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005* relating to the advertising of the application. The required public notice was installed in the 4 December edition of the Romford Recorder.

There were some mistakes in the notice initially displayed at the premises. This was pointed out to the agent who submitted the application on behalf of Seyit Guzel. The notices were changed and correctly displayed eventually.

Summary

There were four (4) representations against this application from responsible authorities.

Details of representations

Valid representations may only address the following licensing objectives:

- The prevention of crime and disorder

- The prevention of public nuisance
- The protection of children from harm
- Public safety

Responsible authorities' representations

Paul Campbell on behalf of the Licensing Authority makes a representation against the application based on all four of the Licensing Objectives.

John Giles, Havering Health and Safety, has submitted a representation covering the prevention of public nuisance and public safety objectives.

Sam Cadman for Planning and Marc Gasson for the Environmental Health (Noise) team, submit representations under the prevention of public nuisance objective.

There were no representations from any other responsible authority.

Mr Guzel and Mr Kosele,

I am the Police licensing officer for the borough of Havering. I have looked at the application that you have submitted and have real concerns over the terminal hours that you are asking for. This is a residential area with premises directly above the venue and directly opposite. The local public house. A terminal hour of 23:30hrs would be more acceptable to Police and would uphold the four licensing objectives in a more robust way.

I would like to start a negotiation process at this time to see if we can come to a conclusion for all, as it stands Police will object to the current terminal hour of 0200hrs.

I would also like to see added the following conditions

A premises daily register shall be kept at the premises. This register shall be maintained and kept for a minimum of 12 months. This register should record the name of the person responsible for the premises on each given day. The premises daily register shall record all calls made to the premises where there is a complaint

made by a resident or neighbour of noise nuisance or anti-social behaviour by persons attending or leaving the premises. This shall record the details of the caller, the time and date of the call, the time and date of the incident about which the call is made and any actions taken to deal with the call. The premises daily register shall be readily available for inspection by an authorised person throughout the trading hours of the premises. The premises daily register shall also record all incidents in relation to the use of any force by staff or door supervisors in the removal of persons from the premises. It shall record the time and date of the occurrence, name or brief description of the person removed and details of the staff members involved.

A staff member from the premises who can operate the CCTV system shall be on the premises at all times when the premises is open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

No person shall be allowed to leave the premises whilst in the possession of any glass drinking vessel or open glass bottle, whether empty or containing any beverage. Drinks for consumption outside of the premises shall be served in non-glassware drinking vessels (e.g. plastic, polystyrene, waxed paper)

The premises licence holder shall implement a written dispersal policy to move customers from the premises and the immediate vicinity in such a way as to cause minimum disturbance or nuisance to neighbours both residential and business and to make the minimum impact upon the neighbourhood in relation to potential nuisance, anti-social behaviour, crime and disorder. The policy shall be approved in writing by the Licensing Authority.

All staff shall be suitably trained for their job function for the premises. The training shall be written into a programme ongoing and under constant review and must be made available to a relevant responsible authority when called upon.

A proof of age scheme such as Challenge 25 shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification card such as a driving licence or passport.

The premises frontage shall be kept tidy at all times.

I am out of the office now for most of the day and will not be back until Monday 21st December 0800hrs, if you can get back to me by this time with your thoughts, I have tried calling the number that you have provided 07810495952 and it says that this number is no longer in use, if you can provide me with another one so that I can call you Monday I would appreciate it.

Upminster Kebab House, 127 Avon Road, Cranham, Upminster, RM14 1RQ

As a responsible authority within the definitions of the Licensing Act 2003 the Licensing Authority makes a representation against the application for a premises licence at the above venue.

My objection is based on the four licensing objectives, The Prevention of Crime and Disorder, Public Safety, The Prevention of Public Nuisance and the Protection of Children from Harm.

The London Borough of Havering Statement of Licensing Policy – Licensing Policy 012 states the times that licensable activity will normally be permitted they are

- Until 23.30hrs in residential areas
- Until 00.30hrs in mixed use areas
- No limits in leisure areas

The initial application was for

- Supply of alcohol on a Friday and Saturday to 01.00hrs
- Late Night Refreshment on a Friday and Saturday to 02.00hrs
- And the premises to be open on a Friday and Saturday to 02.00hrs

The applicant after negotiation with the police have now reduced their hours of operation to

Supply of alcohol ending at 23.00hrs each day

The premises closed at 23.00hrs Sunday to Thursday and 23.30 on a Friday and Saturday.

These hours now comply with Havering's Statement of licensing Policy

Some points of the application still need clarification to prevent public nuisance and protect children from harm.

Public Protection Bringing together Environmental Health & Trading Standards

Live and recorded music is mentioned in the operating schedule but not applied for in the application. (live music is deregulated until 23.00hrs on licensed premise)

Is there going to be music?

Is it just background music?

Is it just music covered by the de-regulation?

The smoking area at the front of the premises which is actually the pavement is going to be limited to one person at a time but there is no mention on how this is going to be managed by the persons working. This smoking area is directly below the windows of the flats above.

How will this be controlled?

The application contradicts itself as far as children are concerned

- *5- No one under the age of 18 years shall be permitted to enter the premises unless accompanied by an adult.*
- *6-Children under 14 years, not accompanied by an adult, are not permitted to remain at or enter the premises after 21:00 hours.*
- *7- Children under the age of 18 are not permitted in the areas of licensable activities*
- *8- Those under the age of 18 shall only be allowed on the premises to dine in the restaurant area and only when accompanied by an adult.*
- *9- Any children on the premises after 19:30 must be there for the purpose of consuming a substantial table meal and be accompanied by an adult.*

The application is asking for all of the premises to be licensed, I do not understand what the application is stating so possibly staff trying to operate to these conditions would also be confused.

The application is asking for Late Night Refreshment for indoors only so this is not a take away venue application.

There is no mention in the negotiations with the police of Late Night refreshment hours being reduced to the earlier time but would seem logical that it should be in line with the new closing times.

This point needs to be clear to all concerned.

I respectfully ask that the Licensing Sub-Committee consider my representation and in line with the London Borough of Havering Statement of Licensing Policy and clarify the points I have mentioned so everyone is clear as to what is actually being applied for before considering this application.

Yours faithfully

**Licensing Act 2003-Application For A Premises Licence.
Upminster Kebab House, 127 Avon Road, Cranham, Essex.**

I refer to the above application and would object to the premises operating after 23:00 hours on any day due to the potential for public nuisance for the following reasons:-

1. The close proximity of residential properties to the premises in question, both the flats above and those opposite.
2. The likelihood of patrons congregating outside the premises, thereby noise from raised voices, vehicle noise and car audio systems causing significant noise disturbance to nearby residents, particularly with the proposed hours of opening until 02:00 hours on Friday and Saturday nights.

I trust this clarifies my position

Marc Gasson
Environmental Protection Officer

"Upminster Kebab House", 127 Avon Road, Upminster, RM14 1RQ

Summary

This written representation is submitted to object to the licence application in connection with the property known as "Upminster Kebab House", located at 127 Avon Road, Upminster, RM14 1RQ. This is raised in direct relevance to the licensing objection specific to the "Prevention of Public Nuisance".

Site description:

The site is situated on the north side of Avon Road, on the ground floor of a parade of shops, located within a 3-storey building. The site is located in very close proximity to many residential homes, with the top 2 floors of the building being residential units in the form of flats. There are residential flats located opposite the site in Avon House and Avon Court, as well as residential homes nearby in Kennet Close, Moultrie Way, and to the east and the west along Avon Road.

Consideration for representation.

A planning application was recently submitted under reference P1317.15 for the "*Erection of single story rear extension and change of use from A1 [shop] to A3/A5 [restaurant with some takeaway].*" This was granted on 23rd October 2015, and there were several conditions attached to the development, including:

2. The ground floor premises shall not be used for the purposes hereby permitted other than between the hours of 10:00 and 23:00 on any day including Bank and Public holidays without the prior consent in writing of the Local Planning Authority.

In granting this planning permission [P1317.15] for the use of the premises, consideration was given to the prevention of public nuisance; and most notably to the local residents located in close proximity. The application to vary the licence seeks to have the use operating outside of the times recently approved by planning; which have not been appealed against or challenged / changed. As this is the case, planning would object to the application as it seeks to have use operating past these approved times until the late hour (being open until 02:00hrs); and would be contrary to the licencing policy 007. As such, granting a licence with the hours applied for would increase the noise and activity in the late evening / early morning (when there is a lower ambient noise level in the area) to a level that has not been prevalent to the distress of the local residents and to the general public. Therefore allowing these times applied for is deemed unacceptable and neighbourly; and contrary to Licencing policy 008. Furthermore, allowing alcohol to be served until the late evening / early morning may increase the chance of persons under the influence loitering in the nearby areas causing anti-social behaviour; which may be especially prevalent given the large pedestrianized areas close to the premises; most notably outside Avon House and Avon Court.

The only way that the concerns of planning services would be alleviated would be to grant a conditional licence; limiting the opening hours to those stated in the planning condition above, and adding additional restrictions using the model conditions set out under Havering's licencing policy (Conditions PN1-PN23).

It must also be noted that any unauthorised development or use would be liable for enforcement action (including operating / opening outside of hours conditioned by a planning application), which may include the service of a Breach of Condition notice and / or prosecution.

Reason: To protect the amenity of occupiers of nearby premises.

7

Prior to the commencement of any works pursuant to this permission the developer shall submit for the written approval of the Local Planning Authority.

a) A Phase I (Desktop Study) Report documenting the history of the site, its surrounding area and the likelihood of contaminant/s, their type and extent incorporating a Site Conceptual Model.

b) A Phase II (Site Investigation) Report if the Phase I Report confirms the possibility of a significant risk to any sensitive receptors. This is an intrusive site investigation including factors such as chemical testing, quantitative risk assessment and a description of the sites ground conditions. An updated Site Conceptual Model should be included showing all the potential pollutant linkages and an assessment of risk to identified receptors.

c) A Phase III (Remediation Strategy) Report if the Phase II Report confirms the presence of a significant pollutant linkage requiring remediation. A detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to all receptors must be prepared, and is subject to the approval in writing of the Local Planning Authority. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.

- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Please comment on the below licensing objectives relevant to your concerns or observations, you may also wish to include suggestions how your concerns could be addressed:

Public Nuisance

The application is in a parade of shops with residential premises above.

Havering's Statement of Licencing Policy suggests that the terminal hour in a mixed use area should be 00.30. The premises directly fronts onto the road with residential properties opposite and above the premises. The premises is likely to generate noise from the dispersal of customers leaving and driving away from the premises and from smokers who congregate outside to smoke.

There are no details on the plan of the ventilation provision. This type of premises can cause a smell nuisance by the use of charcoal if the ventilation is insufficient.

Crime and Disorder

Protection of Children from Harm

Public Safety

The proposed arrangements at the premises as shown on the submitted plan are insufficient for the safe preparation of food in that there is an inadequate preparation area and no wash hand basin in the cooking area to prevent cross contamination from raw to cooked food and the potential for food poisoning. The plans as submitted would not meet with food safety legislation.
