SUMMARY

This report is to note the responses that were submitted to the DFE to the consultations on proposals for a national funding formula and a review of high needs funding.

RECOMMENDATIONS

To note the responses submitted on behalf of the Schools Funding Forum.

REPORT DETAIL

On 7th March 2016, the DFE launched two consultations as follows:

A national funding formula for schools; and

A revised high needs funding formula and other reforms.

Each of these is the first stage of two stage consultations with deadlines of 17th April.

The consultations were discussed at the meeting on 17th March and responses submitted within the deadline. The responses that were submitted are attached.
