SECTION A - Highway scheme proposals with funding in place								

London Borough of Havering
 Traffic & Engineering - StreetCare
 Highway Schemes Applications Schedule

Highways Advisory Committee
 15th November 2011

Item Ref	Scheme	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
H1	Phillip Road, South Hornchurch	Conversion of 2 sets of speed cushions to humps and 2 additional speed humps.	Proposed following resident and ward councillor interest and following discussions with Met. Traffic Police to help improve compliance with 20mph Zone. Staff recommend this request proceeds. Can be added to scope of South Havering Package. Rejected by HAC 20th September 2011, but resubmitted with the permission of HAC Chairman. 3 years to May 2011, 4 injury collisions recorded (all 2011 involving failure to give way). Following deferral at October HAC, police have confirmed results of speed table immediately before the existing speed table to be 27mph northbound and 32mph southbound (both 85% speeds) and therefore staff advice remains the same that additional traffic calming on the approaches to the junction is required. Side roads have give way markings and signs which are in good condition, but double yellow lines at junction may help keep view of junction from side roads clear of parked cars. Collision rate does not suggest problem with street lighting.	TfL LIP	£12k	Police/ Residents/ Ward Cllrs	08/09/2011	Velup Siva LBH StreetCare

SECTION B - Highway scheme proposals without funding available								
H2	Kings Gardens, Cranham	Request for speed humps or camera.	One recorded injury at junction with Moor Lane in 3 years to June 2011. Traffic calming feasible, but unfunded. Other borough sites more pressing. Speed cameras deployed by London Safety Camera Partnership at sites with significant speed-related death and injury only.	None	£25K	Residents x 3	01/11/2011	269214
H3	Heath Drive, Gidea Park	Traffic calming to deal with speeding motorists	One injury recorded in 3 years to June 2011 involving loss of control on a slippery road under snow-fall conditions. Police have undertaken enforcement in past and feel that most drivers are obeying the speed limit. Traffic calming feasible, but unfunded. Other borough sites more pressing.	None	£40k	Resident	01/11/2011	Cllr Armstrong
H4	Randall Drive, Hornchurch	Resident lives on the bend of this road, is concerned that traffic is reaching speeds of 60mph and that somebody will be killed.	One injury in 3 years to July 2011 where Randall Drive becomes Lancaster Drive (shunt - both drivers to blame, first did not signal a turn and second was too close). Traffic calming feasible, but unfunded. Other borough sites more pressing.	None	£30k	Resident	03/11/2011	Mark Philpotts LBH StreetCare

Item Ref	Scheme	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
H5	Ferguson Avenue and Belgrave Avenue, Ardleigh Green	Speeding and rat running traffic accessing A127 from Brentwood Road, recently made even worse by temporary traffic signals. Request to deal with problem	One injury in 3 years to July 2011 (on the rat run route) at junction with Ferguson Court. Car reversed of drive and hit pedestrian. Traffic calming feasible, but unfunded. Other borough sites more pressing. A scheme may lead to similar requests elsewhere in estate.	None	£30k	Resident	3/11311	1125916
H6	Lynton Avenue, Collier Row	Traffic calming to deal with rat running motorists and motorcyclists	No recorded injuries in 3 years to June 2011.		£35k	Resident	02/11/2011	Cllr Trew
SECTION C - Highway scheme proposals on hold for future discussion (for Noting)								
None to report
