**The subject matter of this report deals with the following priorities of the Health and Wellbeing Strategy**

- ☐ Priority 1: Early help for vulnerable people
- ☐ Priority 2: Improved identification and support for people with dementia
- ☐ Priority 3: Earlier detection of cancer
- ☐ Priority 4: Tackling obesity
- ☐ Priority 5: Better integrated care for the 'frail elderly' population
- ☒ Priority 6: Better integrated care for vulnerable children
- ☐ Priority 7: Reducing avoidable hospital admissions
- ☐ Priority 8: Improve the quality of services to ensure that patient experience and long-term health outcomes are the best they can be

### SUMMARY

The attached presentation updates the Health and Wellbeing Board about: -

- the form and purpose of the joint CQC/OFSTED Area Inspection of services to support children and young people aged 0-25 with special educational needs and disabilities (SEND)
- work undertaken to date by Council and CCG officers in preparation for a future inspection
- work underway to address known risks
- priorities for further action

The executive summary of the JSNA chapter for children and young people with SEND is provided and describes:-

- What we know about children with SEND and their needs
- The services (education, health and social care) available locally to ensure that children with SEND make good progress in being prepared for adulthood and independence, participating in society and being as healthy as possible
- The outcomes achieved by children with SEND
- Recommendations for further action by statutory partners

## RECOMMENDATIONS

The Health and Wellbeing Board is asked to note the preparations for a future inspection and comment on the work underway and/or planned to further improve the local offer to children with SEND and their families.
