24th November 2016

Dear Sir or Madam;

www.havering.gov.uk

QP004/2: RUSH GREEN ROAD BY CLAYTON ROAD ACCIDENT REDUCTION PROGRAMME – PROPOSED PEDESTRIAN REFUGE

The pedestrian refuge is proposed to minimise accidents in the vicinity of the above junction. There have been a total of three personal injury accidents at the above location over a five year period. Of this total, one was fatal and one involved pedestrian.

The Government and Transport for London have set targets for 2020 to reduce Killed or Serious injury accidents (KSI) by 40%; Child KSIs by 50%; pedestrian and cyclist KSI's by 50% from the baseline of the average number of casualties for 2005-09. The above proposals will help to meet these targets.

Before a decision is made on implementing these proposals, you have the opportunity to comment, which should be in writing to;

The Principal Engineer,
Environment,
Engineering Services,
Town Hall,
Main Road,
Romford RM1 3BB.

or by email to highways@havering.gov.uk

Plans showing the proposals are enclosed and also available to view on the Councils web site, a link of which is shown below;

<https://www.havering.gov.uk/Consultations>

Comments should reach us by 14th of December 2016.

If you have any questions, please do not hesitate in contacting our project engineer, Mr Siva Velup on 01708 433142.

Please note that all comments we receive are open to public inspection.

The decision on the scheme will be made through our Highways Advisory Committee process. The responses to this consultation will be discussed at the committee's meeting on 10th of January 2017 at 7:30pm in Havering Town Hall, Main Road, Romford.

The agenda for the meeting, which will include the officer's report, will be available at the meeting and also on the Council and Democracy pages of the Council's website prior to the meeting.

The committee is open to the public and the Council's Constitution allows one person to speak in support and one person to speak in objection to the proposals.

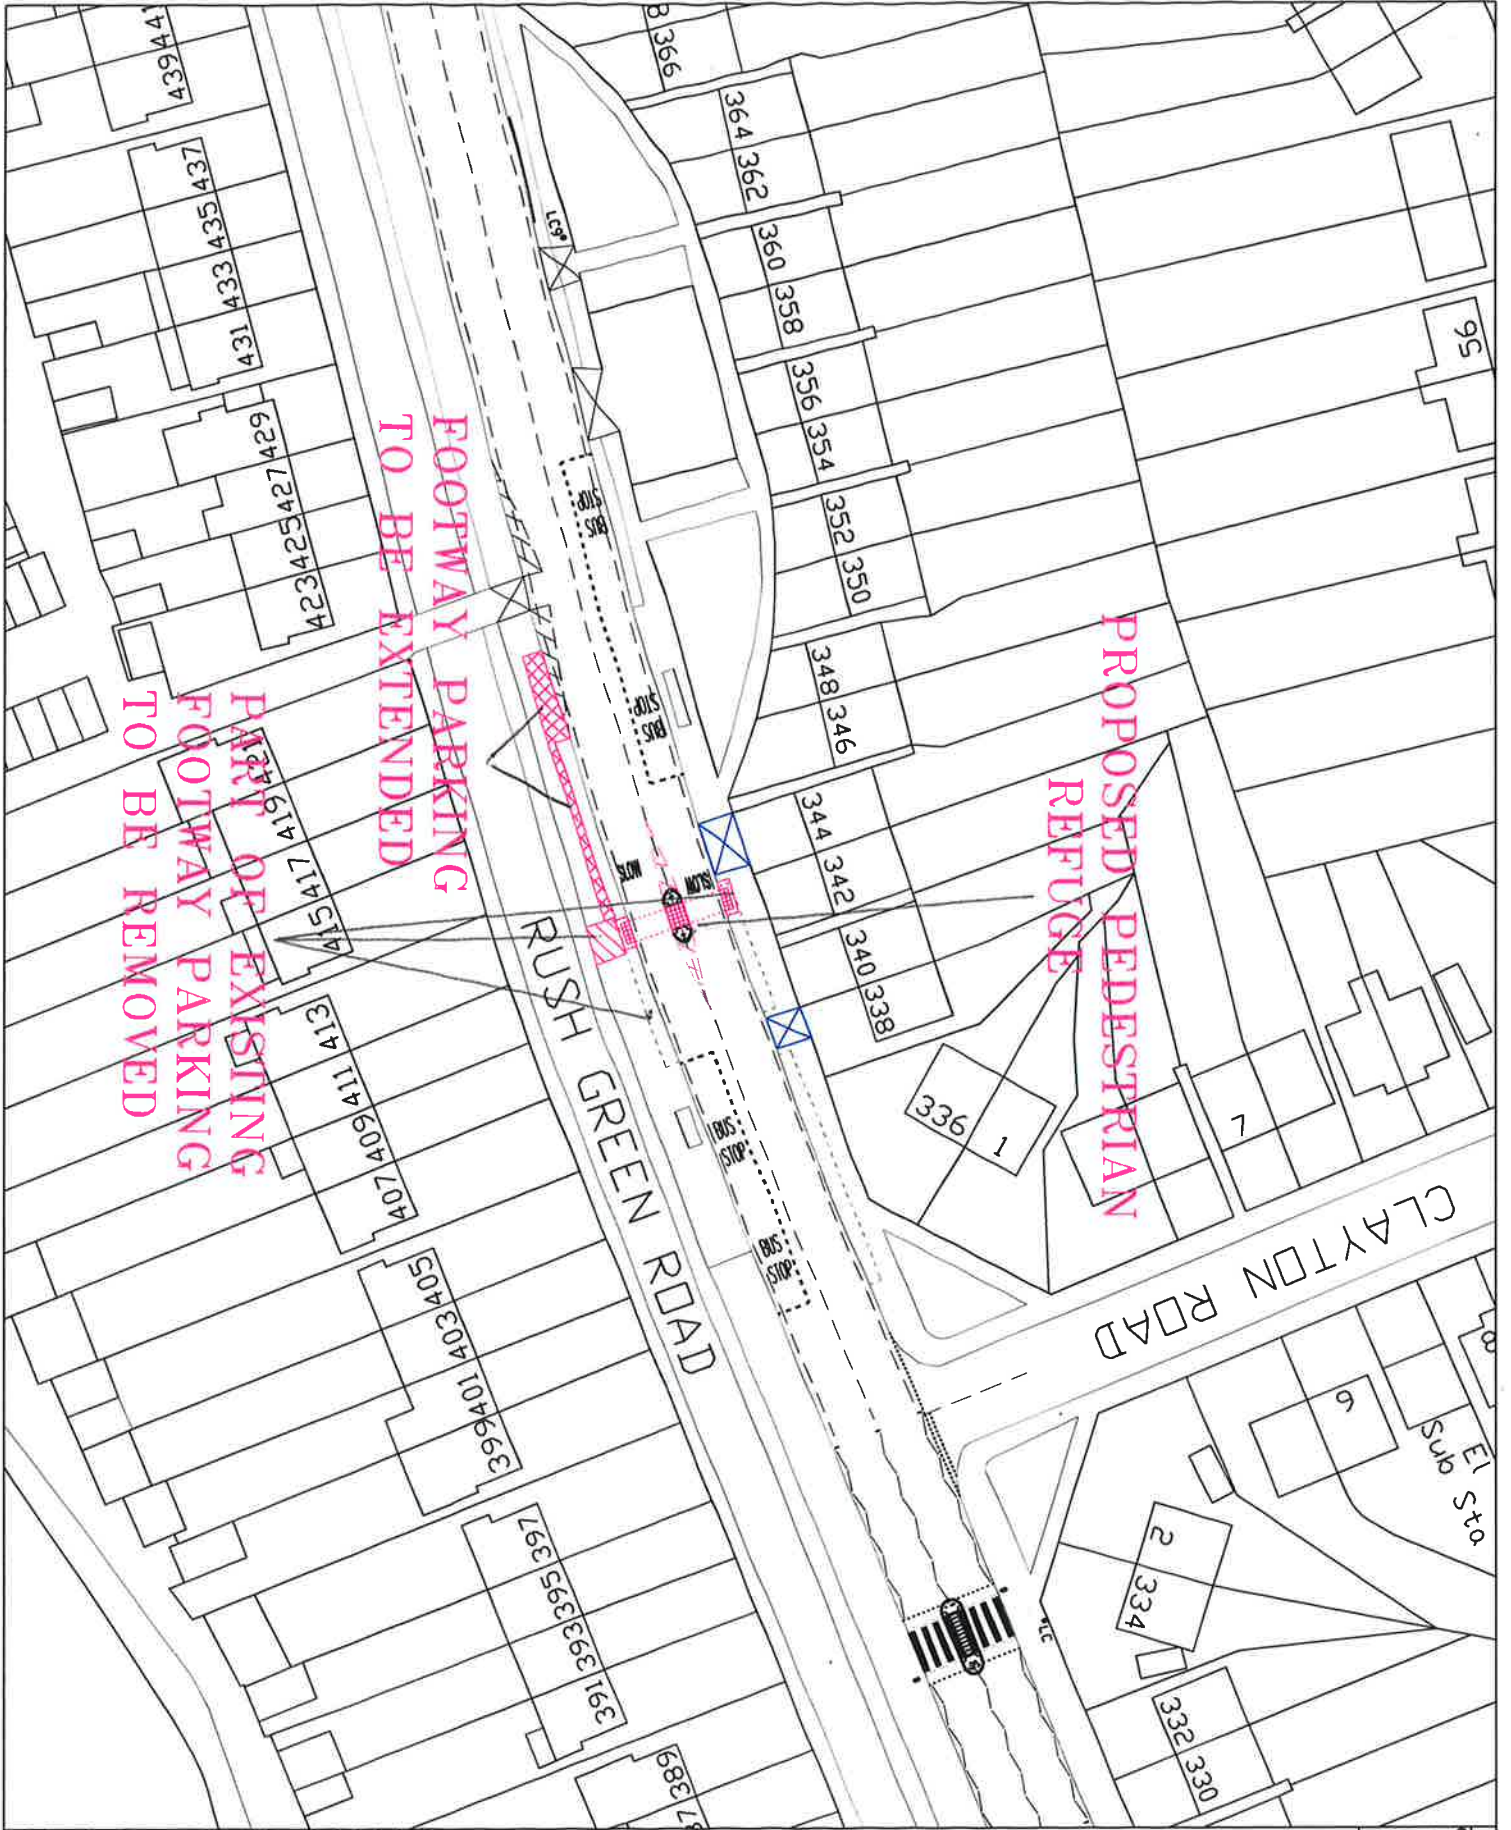

Each person will have up to a maximum of 3 minutes to speak. You must pre-register to speak on a 'first come first served basis' so if you are not the first person to register it is unlikely you will be able to speak to the committee. If you wish to register to speak to the committee please contact Taiwo Adeoye on 01708 433079 no earlier than 03rd January 2017 and at least two days prior to the meeting.

The committee will seek to review all of the issues connected with the proposals and make a recommendation to the Cabinet Member for Environment, Regulatory Services and Community Safety, who will make the final decision on the scheme. There are usually a number of schemes to be discussed by the committee and it may be late in the evening before the scheme is considered.

Yours faithfully,

Mark Philpotts CEng MICE FCIHT FIHE PIEMA
Principal Engineer
Engineering Services
