If you have any questions, please do not hesitate in contacting our project engineer, Mr Siva Velup on 01708 433142.

Please note that all comments we receive are open to public inspection.

The decision on the scheme will be made through our Highways Advisory Committee process. The responses to this consultation will be discussed at the committee's meeting on 07th of February 2017 at 7:30pm in Havering Town Hall, Main Road, Romford.

The agenda for the meeting, which will include the officer's report, will be available at the meeting and also on the Council and Democracy pages of the Council's website prior to the meeting.

The committee is open to the public and the Council's Constitution allows one person to speak in support and one person to speak in objection to the proposals.

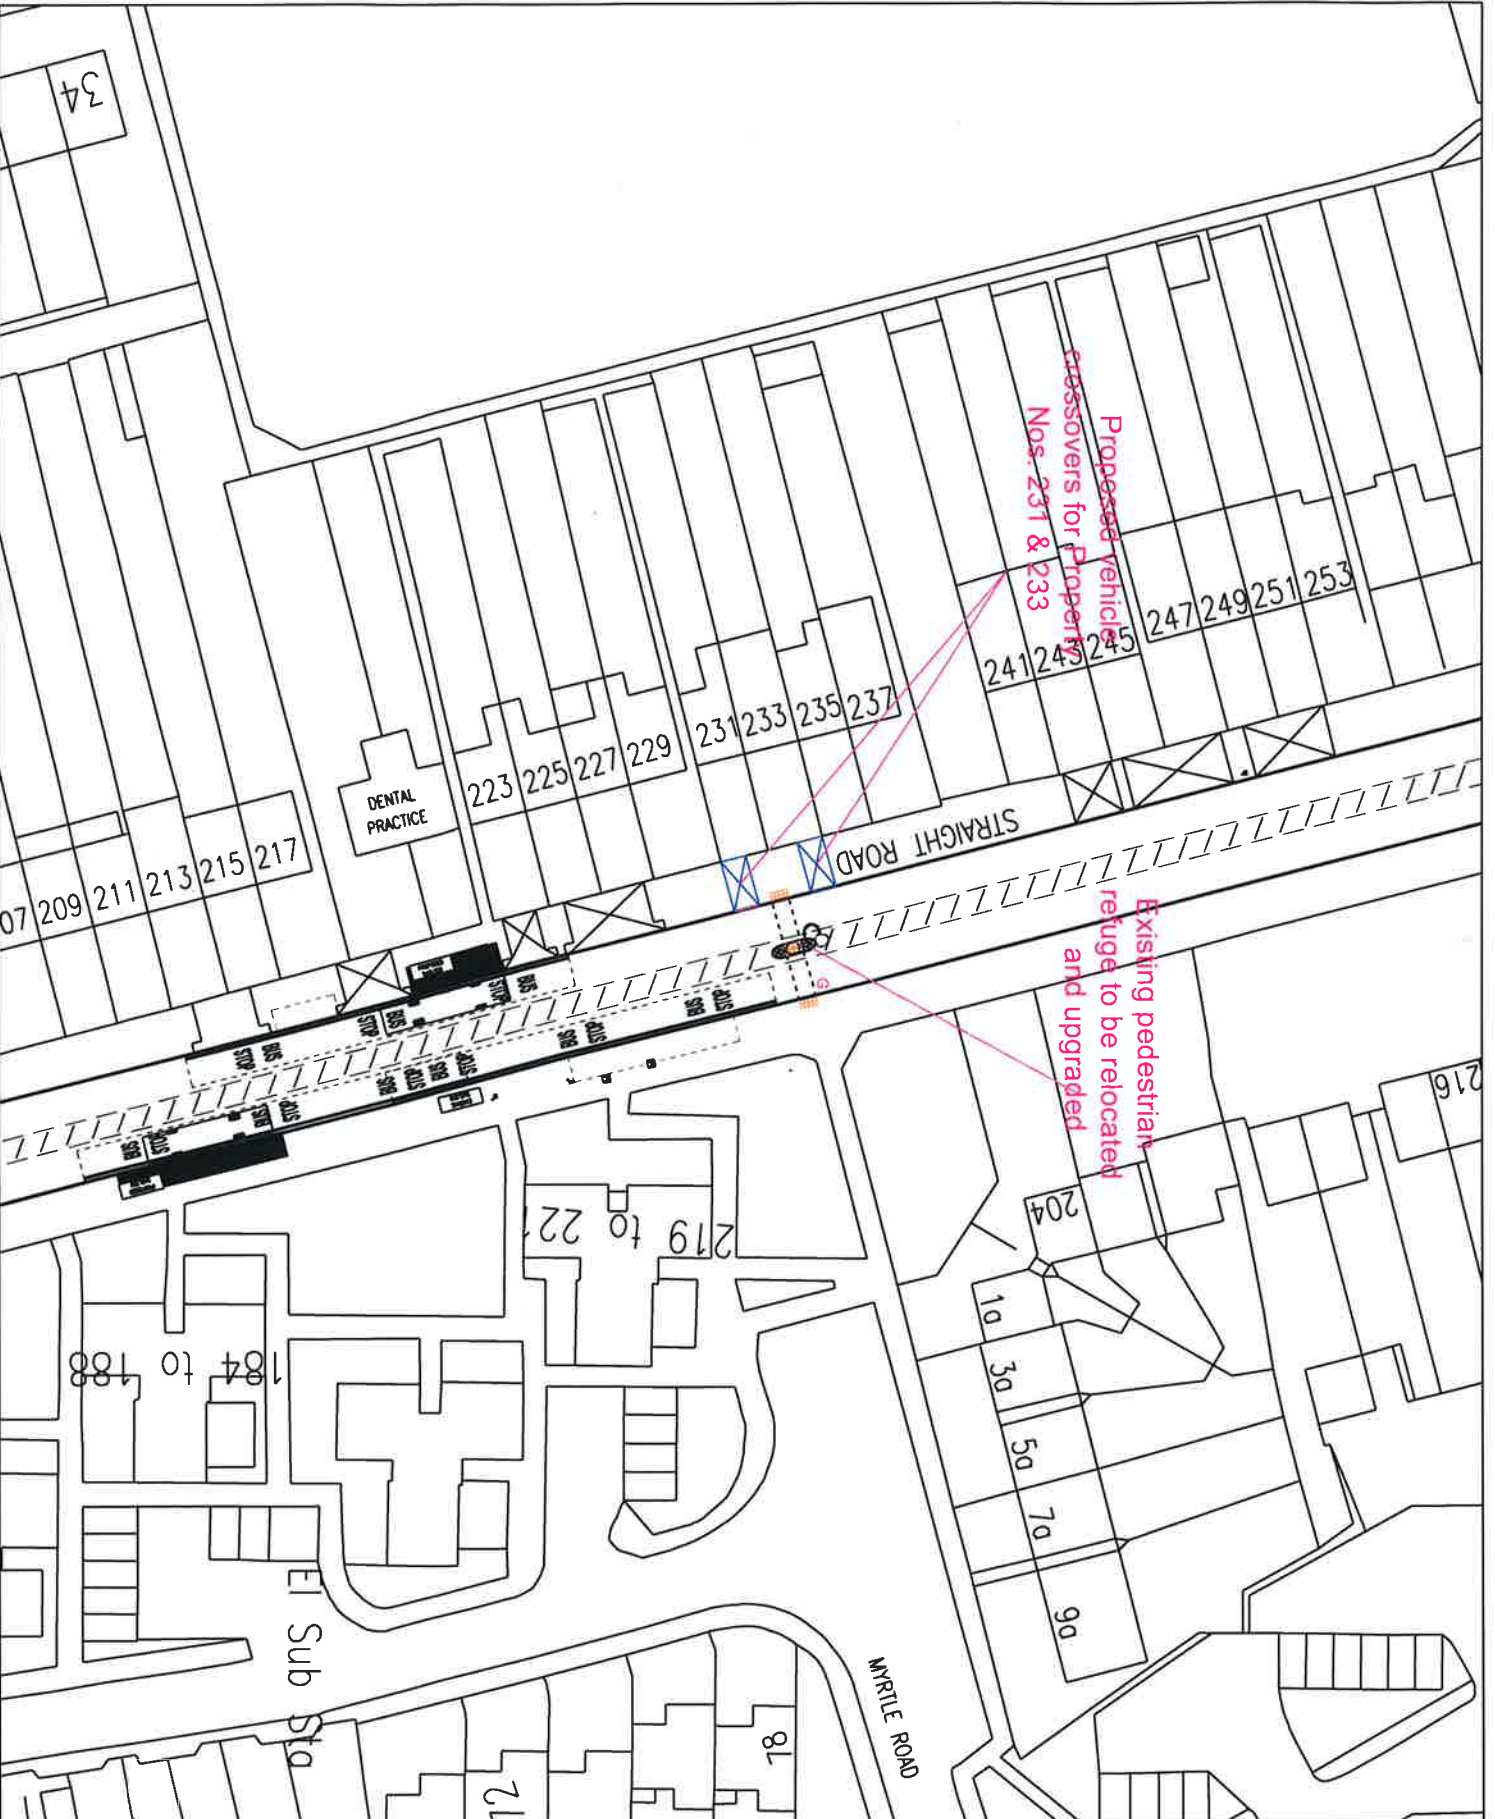

Each person will have up to a maximum of 3 minutes to speak. You must pre-register to Speak on a 'first come first served basis' so if you are not the first person to register it is unlikely you will be able to speak to the committee. If you wish to register to speak to the committee please contact Taiwo Adeoye on 01708 433079 no earlier than 31st January 2017 and at least two days prior to the meeting.

The committee will seek to review all of the issues connected with the proposals and make a recommendation to the Cabinet Member for Environment, Regulatory Services and Community Safety, who will make the final decision on the scheme. There are usually a number of schemes to be discussed by the committee and it may be late in the evening before the scheme is considered.

Yours faithfully,
