Dear Sirs,

**Re: Gambling Act 2005 ("the Act") – Section 161
Application to Vary Adult Gaming Centre Premises Licence at 17-19/19 South Street, Romford,
RM1 1NJ**

I refer to the above application and write on behalf of Southern Amusements, which as you are aware operates premises authorised under the Act in the London Borough of Havering, more particularly at 54 South Street, Romford. Pursuant to Section 158(b) of the Act, Southern Amusements is an interested party in relation to the above mentioned application, as it has business interests that might be affected by the activities the application seeks to authorise.

Section 187(2) of the Act states that "A licence may not be varied under this section so as to relate to premises to which it did not previously relate". This is reinforced by the provisions of article 65(12) of the Gambling Act 2005 (Commencement No. 6 and Transitional Provisions) Order 2006, which expressly permit a licence holder to vary a **converted casino** licence so that it relates to premises which are different to those which it previously related. The schedule disapplies S187(2) in these **sole** circumstances and does not apply to, inter alia, applications to vary adult gaming centre premises licences.

The abovementioned application seeks to vary an existing adult gaming centre premises licence (although it is unclear which one) to extend the premises beyond those to which it currently relates and is therefore contrary to Section 187(2) of the Act.

If the application is granted contrary to Section 187(2) of the Act, the licence would be a nullity and the operations would be unlawful and in conflict with the licensing objectives as set out in Section 1 of the Act. In particular, gambling on the premises would be a criminal offence and thereby such operations would prove a risk to children and other vulnerable persons of being harmed or exploited by gambling, which additionally would not be carried out in a fair and open way.

Further and without prejudice to the above, Section 159(6) of the Act states that an application for a premises licence under Part 8 of the Act must "a) be made in a prescribed form and manner,...", as prescribed by relevant regulations. The relevant regulations are the Gambling Act 2005 (Premises Licences and Provisional Statements) Regulations 2007 ("the Regulations") which also deal with the requirement to publish notice of an application for a premises licence pursuant to Section 160 of the Act.

Continued...

Continuation (2/2)...

The Regulations require that both the application for a premises licence and the notice of such an application, are in a required form and include specified information to include the address of the premises (or, if none, a description of the premises and their location). These are plainly essential requirements to fulfil the spirit and the letter of the Act and Regulations. The application to vary the premises licence refers to the premises as "19 South Street, Romford, Essex, RM1 1NJ". However, the notice of application made pursuant to paragraph 12(6) of the Regulations refers to the premises as "17-19 South Street, Romford, Essex, RM1 1NJ". Plainly, only one of the addresses can be correct and it is equally plain that there has been a fundamental breach of the Regulations.

Finally, it is not clear that the correct application in the correct form has been made.

Please confirm receipt of this letter and confirm that its contents are accepted as valid representations under Section 187 of the Act and that the matter will now proceed to a hearing pursuant to Section 162 of the Act.

I look forward to hearing from you.

Yours sincerely,
