SUMMARY

This report updates Members of Adjudication and Review on Member Enquiries handling performance, across all Council services.

The Corporate Complaint Policy and Procedure was introduced on 1st April 2015. At that time it was agreed that turnaround times on Member Enquiries be increased from 10 days to 15 days. It was further agreed that the percentage of cases responded to within time be increased from 90% to 95%. The purpose of the changes was to ensure Member Enquiries were handled in the same manner as Corporate Complaints, enabling a fulsome reply to Members and therefore ensuring a higher quality response.

Statistics are reported to Committee on a quarterly basis. Since April 2015, there have been notable improvements in the handling of Member Enquiries.
