I have no objection to the variation of the licence under S.34
The shop is an asset to Park Lane
it is clean, variety of goods,
pleasant personnel.

I did not object to the previous application, and some of the public who are objecting still frequent the premises. It's called "double standards".

There is a zero tolerance in force
in hovering and I live practically
above the premises and have no
problem whatsoever with public

RE: Application for Premises Licence, at Park Lane Fo
centre, 77 Park Lane Hornchurch RM11 1BH.

Dear sirs,

I wish to advise you that I fully support the
application for Premises licence regarding the
above mentioned premises.

I do not see any problem in a second off
licence being made available to the public.
when they opened I had my reservations as
am next door but they run a very tight ship

P To

They are very professional & take great care about the surrounding business's & public. They have become a valued part of Park Lane the community.

I would also like to advise that any antisocial behaviour that occurs is because of the wall outside of the vets & not due to any other problems. They are incredibly strict with their policies on alcohol & are an integral part of the Park Lane business's.

Should you have any further queries please contact me on 01708 742288.

Dear Sir / Madam,

Application to Vary a Premises Licence for Park Lane Food centre, 77 Park Lane, Hornchurch RM11 1BH

I wish to state that I fully support the application for an extension of the licensed hours for the premises licence for Park Lane Food Centre until 11.00 pm

I do not see any problems or undermining of the Licensing Objectives in permitting the extended licensed hours as it will be convenient to have the off licence available for longer hours. As the shop is open past the current permitted hours it makes sense to permit the longer licensed hours.

I have not witnessed or become aware of any anti social behaviour in the area or other criminality due to the opening of Park Lane Food Centre or following the shop obtaining a Licence.

Please feel free to contact me at the above address or on should you have any queries.

Dear Sirs,

**Re: Application for Premises Licence, at Park Lane Food Centre, 77
Park Lane Hornchurch RM11 1BH.**

I wish to advise you that I fully support the application for premises licence regarding the above mentioned premises.

I don't see any problem in a second off licence being made available to the public.

I would also wish to advise that I have not witnessed any anti social behaviour due to the off licence presently situated at Park Lane.

Should you have any further queries, please contact me on

Yours faithfully

Dear sir/madam.

I would like to add a few words to the petition as to why I feel the extension should be granted to benefit many customers including myself.

I've lived in this area for a number of years now and gotten to know the owner of the shop extremely well including his family too, the area that this shop is situated in is a very nice part of the town and everybody knows everyone and everyone gets on etc, there is never any trouble or problems here, none that I can recall since moving here.

I myself always use his shop for everyday commodities and also alcohol beverages, to have his alcohol licence extended to 11pm would benefit a lot of people residing here including myself. If I need to purchase a bottle of wine because myself and my girlfriend have run out of wine at 10pm, I have to go all the way into town to get some more, so it would be greatly convenient if his licence was extended to 11pm as I live a 1 minute walk from his shop, and it would benefit a lot of other people too that live around here.

Thank you for your time in reading this.

Yours Sincerely

Mark West
