**The subject matter of this report deals with the following themes of the Health and Wellbeing Strategy**

- Theme 1: Primary prevention to promote and protect the health of the community and reduce health inequalities
- Theme 2: Working together to identify those at risk and intervene early to improve outcomes and reduce demand on more expensive services later on
- Theme 3: Provide the right health and social care/advice in the right place at the right time
- Theme 4: Quality of services and user experience

### SUMMARY

The Mayor of London is consulting on a strategy to reduce inequalities in health across London.

### RECOMMENDATIONS

Members of the Health and Wellbeing Board are asked to note the strategy and consider: -

- contributing to the consultation before the closing date on 30<sup>th</sup> November with the aim of maximising the benefit to local residents at risk of poorer health
- whether inequalities should be a theme in the Board's next Joint Health and Wellbeing Strategy to be developed in 2018.
