SUMMARY

A proposed work programme for the Sub-Committee is attached for review and adoption.

RECOMMENDATIONS

1. The Sub-Committee to make any amendments to the proposed work programme for the 2018/19 municipal year and adopt the final version of the programme.

REPORT DETAIL

1. Following initial discussions with the Sub-Committee Chairman, the attached table shows a proposed work programme for the meetings of the Sub-Committee during the 2018/19 municipal year. At this stage, the work programme lists solely the Cabinet decisions within the Sub-Committee's remit that are due for scrutiny during the coming year under the Council Continuous Improvement Model. It should be emphasised that the work programme is not confirmed at this stage and Members are welcome to suggest any changes or additions they wish to be considered, both in terms of agenda items for future meetings of the Sub-Committee and for any potential topic groups.
2. It will be noted that not all items have yet been specified for future meetings. Previous experience has shown that it is often beneficial to leave some spare capacity on future agendas to deal with any consultations or other urgent issues that may arise during the year.
