Item Ref	Location	Ward	Description	Decision
B8	133/135 Collier Row Lane	Mawneys	Request to remove pedestrian refuge.	Refuge installed in 2006/07 as part of the Collier Row Lane local safety scheme. Thames Water have undertaken works to a manhole cover which appears to have dealt with much of the issue, but residents maintain complaints about vibration and are of the view it is caused by large vehicles passing refuge.

We the undersigned, wish to draw to your attention the dangerous conditions on Noak Hill Road. Since the removal of the traffic lights at Straight Road there is no traffic break for vehicles to safely exit the blind junction at The Mount especially as the speed limit is often ignored. A road calming hump would be an obvious solution. You may notice

that there is no safe pedestrian crossing in this area either. We are concerned that it will not be too long before there is a serious accident.
