5 KEY PERFORMANCE INDICATOR REPORT

The monthly report for September 2018 was circulated to members. The majority of cases had been completed on time, and this was largely due to the section being fully staffed and an improvement in management. It was requested that it be highlighted on the Pension Board monthly report the main indicators that are reported in the Annual report to the Pensions Committee. Furthermore, it was requested that accumulative data for the year be presented to the next meeting. Members questioned the validity of data for cases completed on time and were provided assurance that the data was not misleading. Members requested that the following data be provided in future reports:

- Additional work
- 'Top' cases not on time
- Complaints and IDRPs cases
- Life Certificates
- Axis online take up numbers

Concern was raised that the issues with the event report from HMRC had not been resolved, as this was a breach and needed to be urgently addressed.

Section I – Internal Dispute Resolution

I1 – Has the Administering Authority put in place an internal dispute resolution procedure? Members considered the requirement to be fully compliant. The IDRP was being reviewed with LPP to ensure that it was up to date and included all required and additional helpful information as the current version was based on an old DCLG sample.

I2 – Does the Administering Authority's process highlight or consider whether a dispute is exempt? The process would be included in the IDRP factsheet when the document was reviewed.

I3 – Does the information made available to applicants about the procedure clearly state the procedure and process to apply for a dispute to be resolved including: who it applies to; who the specific person (stage 1) is; the timescales for making applications; who to contact with a dispute; the information that an applicant must include; the process by which decisions are reached? Members considered the requirement to be fully compliant.

I4 – Has the Administering Authority ensured that employers who make first stage decisions also have IDRP in place? Some of the scheme employers had published their stage 1 IDRP adjudicator details along with their scheme discretions, however all employers needed to be encouraged to do so although it was optional for employers to nominate stage 1.

I5 – Are the timescales in the procedure adhered to including sending an acknowledgement on receipt of an application? As yet, the London Borough of Havering had not had a formal IDRP complaint to process, however there was a policy and process in place and this would be reviewed.

I6 – Does the Administering Authority notify and advertise the procedure appropriately? Members considered the requirement to be fully compliant.

I7 – Are the notification requirements in relation to TPAS and the Pensions Ombudsman being adhered to? Members considered the requirement to be fully compliant.

18 – Does the Administering Authority regularly assess the effectiveness of its arrangements? Members considered the requirement to be fully compliant.

7 RISK REGISTER REVIEW

Members received the Pension Fund Risk Register, which incorporated risks relating to Havering, Newham and Bexley.

The following points were discussed:

- Risk No. 1, Risk of Inaccurate three yearly actuarial valuation: It was proposed that the wording be amended to 'inappropriate' rather than 'inaccurate'.
- Risk No. 4, Risk of failure to comply with legislative requirements: It was felt that the consequence of not adding on legislation in a timely manner and contributions being delayed was a risk.

Members were requested to provide their views on the format of the Pension Fund Risk Register document to officers before the document was presented to the Pensions Committee on the 13 November 2018.

Action:

To provide views on the format of the Pension Fund Risk Register document to officers by the 12 October 2018 – All members.

8 LPP INTERNAL AUDIT

LPP had an internal audit around benefits administration in January 2018. Unfortunately, due to risk, LPP were unable to share the internal audit report externally.

The scope of the internal audit included:

- Benefit processing – Controls were in place surrounding the accurate calculation and payment of pension benefits, payment authorisations, documentation and record keeping procedures;
- Accuracy of benefit calculations;
- Workflow management process from receipt of task to delivery; and
- Management of the administration system in respect of calculations and factor changes, to enable the administration system to process calculations in line with the Rules of each scheme.

LPP had received an 'effective' rating which could be defined as:

'Compliant (adequate in the circumstances) – low risk of failure in risk mitigation and control and some scope or justification to improve risk mitigation and control activities for audited functions, processes and activities'.

Concern was raised that the key performance data may not provide an accurate picture as the data did not account for time received and when the case was logged onto the system. It was suggested that any questions that officers and members may have, be presented to Lancashire Council who procure LPP, in order for LPP to be challenged.

Action: Statistics and questions to be presented to Lancashire Council – Caroline Berry.
