

HEALTH & WELLBEING BOARD

Subject Heading:

**Progress and update on the Havering
Dementia Strategy**

Board Lead:

Barbara Nicolls

Report Author and contact details:

**Jenny Gray, Dementia Commissioner and
Project Manager, Joint Commissioning
Unit, London Borough of Havering**

The subject matter of this report deals with the following themes of the Health and Wellbeing Strategy

- Theme 1: Primary prevention to promote and protect the health of the community and reduce health inequalities
- Theme 2: Working together to identify those at risk and intervene early to improve outcomes and reduce demand on more expensive services later on
- Theme 3: Provide the right health and social care/advice in the right place at the right time
- Theme 4: Quality of services and user experience

SUMMARY

The purpose of this report is to provide an update on initiatives relating to dementia in Havering as requested by the Health and Well-being Board.

Included are dementia projects and programmes within the Council, the Havering Dementia Action Alliance, BHRUT Hospitals Trust, North East London Commissioning Support Unit

RECOMMENDATIONS

The Board members are asked to:-

- Acknowledge the value of the multiagency approach being taken to support people living with dementia and their carers in Havering and across the BHR footprint
- Discuss the information provided in the presentation and provide feedback or pose questions as appropriate.

REPORT DETAIL

The presentation outlines the work of the Havering Dementia Action Alliance, plans for Dementia Awareness week 2019 in Havering, initiatives proposed by both North East London Commissioning Support Unit in relation to the newly commissioned Havering Dementia Advisory service, plans for the introduction of Admiral Nurses and Community Dementia Nurses, and an update on projects within BHRUT and their new Dementia Strategy.
