

1. **TITLE:** S92 Metropolitan Police Officers

2. **DECISION MADE BY:** Cabinet

3. **DECISION:**

Cabinet:

Approved the MOPAC Partnership Plus scheme for additional Police officers within Havering and the funding requirements to support the scheme for three years from 2019/20.

4. **REASON FOR DECISION**

The proposal supports the Safer Havering Partnership strategic priorities and will enable the Council to deploy dedicated Police resource to address local antisocial behaviour incidents and targeted enforcement activity as required.

If the Met Partnership Plus was not supported, the ability to secure additional Police resource for activity locally would be subject to East BCU priorities.
