Dear Sir or Madam;

3rd January 2020

www.havering.gov.uk

ST CLEMENTS AVENUE BY GUBBINS LANE - PROPOSED ZEBRA CROSSING

The Council is proposing to install a zebra crossing with wider centre traffic island to improve pedestrian access along St Clements Avenue by Gubbins Lane as shown on the attached plan.

If you wish to comment on the proposals, you may do so,

By writing to: The Principal Engineer, Environment, Street Management, Town Hall, Main Road, Romford, RM1 3BB.

OR

By email to: highways@havering.gov.uk

Comments should reach us by **Friday 24th January 2020**.

Because of the large number of responses expected it is not be possible to give individual replies. However, the results of the public consultation will be reported to the Highways Advisory Committee.

The decision on the scheme will be made through our Highways Advisory Committee process. The responses to this consultation will be discussed at the committee's meeting on **Tuesday 11th February 2020 at 7:00pm** in Havering Town Hall, Main Road, Romford. The agenda for the meeting, which will include the officer's report, will be available at the meeting and also on the Council and Democracy pages of the Council's website prior to the meeting.

The committee is open to the public and the Council's Constitution allows one person to speak in support and one person to speak in objection to the proposals. Each person will have up to a maximum of 3 minutes to speak. You must pre-register to Speak on a 'first come first served basis so if you are not the first person to register it is unlikely you will be able to speak to the committee. If you wish to register to speak to the committee, please contact Taiwo Adeoye on 01708 433079 no earlier than 9th December 2019 and at least two days prior to the meeting.

The committee will seek to review all of the issues connected with the proposals and make a recommendation to the Cabinet Member for Environment, who will make the final decision on the scheme. There are usually a number of schemes to be discussed by the committee and it may be late in the evening before the scheme is considered.

If you require any further information on the proposals, please contact Mr Siva, the Senior Engineer dealing with the scheme.

Please note that all comments we receive are open to public inspection.

Yours faithfully,

Velup Siva
Senior Engineer
Highways engineering.
