Subject: Application 22388

Dear Licensing

I am objecting to the application 22388

Yogi News and off licensing
121 Mungo Park Road

Reasons are as follow

1. The close proximity to a school so the protection of children from harm needs to be considered.
2. This area has two shops that have a licence. These two shops experience ASB with shop lifting hence public safety will be compromised.
3. This shop if it gained a licence would will encourage more public nuisance and we should be preventing this not encouraging it.
4. Extra footfall at night will affect the residents and residents public safety will be an issue.

Best regards
Cllr Barry Mugglestone
