Premises licence application ref 22388**

Subject: Application 22388 - 121 Mungo Park Road

God morning

I am objecting to this application because adding another shop to this Parade will be not be good for residents due to the possibility of increasing anti social behaviour here.

There are already two shops with an off licence in this small Parade, Coop and Londis.

Coop shuts at 10 pm and continually struggles with shoplifting and drug dealing outside. Londis has been in the same family for 30 years. They have a licence to 11 pm but choose to close by 8 pm because of the anti social behaviour they experienced in the evenings including youths buying alcohol then drinking it in the street along the side alley or at the back of the shops.

There are families living above these shops and the current two shops with an off licence are situated at each end of the parade. A shop in the middle with an off licence is one shop too many and unfair to residents who live above the shops and nearby.

Best wishes

Stephanie
