

To the licensing team, Housing and public protection , London borough of havering, havering , mercury house ,mercury gardens , Romford RM1 3RX

PETITION

We the undersigned local residents and businesses wish to register our objection to the application for grant of a variation to the premises licence so as to extend the hours for the sale of alcohol at **121 MUNGO PARK ROAD, RAINHAM, ESSEX, RM13 7PP** on the grounds of the application made by MR&MRS Yogeshkumar & Gordhanbhaz Patel failing to adequately address the four licencing objectives, Namely (1) the prevention of crime and disorder, (2) the protection of public safety (3)the prevention of public nuisance and (4)the protection from harm. There are insufficient controls of information supplied with the application to sufficiently address the licensing objectives. We believe that the grant of the application would have the likely effect of an increase in crime and disorder, an increase in incidents of public nuisance, threaten public safety and put children at risk from harm, should a premises licence be granted to the applicants in this instance.
