### **REPORT DETAIL**

The issue to schools of their final funding allocations for financial year 2020-21 is the final stage of several months' work with the Schools Funding Forum in agreeing formula allocations, de-delegation etc.

The same funding formula applies to academies as it does to LA maintained schools with academies receiving notification of their funding for the financial year commencing September 2020 from the ESFA.

Havering applies the schools national funding formula with a 0.5% per pupil minimum funding guarantee and a 4% per pupil cap on schools that would otherwise receive a higher amount.

Anonymised allocations to each school and academy is provided at Appendix A.
