

COUNCIL, 20 JANUARY 2021 – AGENDA ITEM 10: THE IMPORTANCE OF COVID-19 VACCINATION

**Deemed motion on behalf of the Administration**

That the report be adopted and its recommendations carried into effect.

**Amendment by the Independent Residents' Group**

The recommendation of the report be amended to read as follows:

Council remits the report for redrafting as it is unduly alarmist, vastly disproportionate and unethical, as no details are provided about the experimental vaccines with possible side-effects it wants the council to promote.
