REPORT DETAIL

1. The report and attached presentation provide an overview of the Council's performance against the performance indicators selected for monitoring by the Towns and Communities Overview and Scrutiny Sub-Committee. The presentation highlights areas of strong performance and potential areas for improvement.
2. The report and presentation identify where the Council is performing well (**Green**) and not so well (**Amber** and **Red**). The RAG ratings for the 2020/21 reports are as follows:
 - **Red** = more than the 'target tolerance' off the quarterly target
 - **Amber** = within the 'target tolerance' of the quarterly target
 - **Green** = on or better than the quarterly target
3. Where performance is off track against the quarterly target and the rating is '**Red**', 'Improvements required' are included in the presentation. This highlights what action the Council will take to address poor performance.
4. Also included in the presentation (where relevant) are Direction of Travel (DoT) columns, which compare:
 - Short-term direction of travel – with performance the previous quarter (Quarter 2 2020/21)
 - Long-term direction of travel – with performance during the same time the previous year (Quarter 3 2019/20)
5. A green arrow (↑) means performance is better and a red arrow (↓) means performance is worse. An amber arrow (→) means that performance has remained the same.
6. It is important to note that though service delivery is returning to business as usual, there will be still be an impact on performance due to COVID-19.

7. In total, eleven performance indicators have been included in the Quarter 3 2020/21 report and presentation. Of these, ten have been assigned a RAG status. Three are currently rated 'red' (off track), one is rated 'amber' and six are rated 'green' (on track).

IMPLICATIONS AND RISKS

Financial implications and risks:

There are no financial implications arising directly from this report which is for information only.

Adverse performance against some indicators may have financial implications for the Council, particularly where targets are explicitly linked with particular funding streams and/or levies from other bodies. Whilst it is expected that targets will be delivered within existing resources, officers regularly review the level and prioritisation of resources required to achieve the targets agreed by the Cabinet at the start of the year.

Robust ongoing monitoring is undertaken as part of the established financial and service management processes. Should it not be possible to deliver targets within approved budgets this will be raised through the appropriate channels if required.

Legal implications and risks:

Whilst reporting on performance is not a statutory requirement, it is considered best practice to regularly review the Council's progress.

Human Resources implications and risks:

There are no HR implications or risks involving the Council or its workforce that can be identified from the recommendations made in this report.

Equalities implications and risks:

The Public Sector Equality Duty (PSED) under section 149 of the Equality Act 2010 requires the Council, when exercising its functions, to have due regard to:

- (i) the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010;
- (ii) the need to advance equality of opportunity between persons who share protected characteristics and those who do not, and;
- (iii) foster good relations between those who have protected characteristics and those who do not.

Note: 'Protected characteristics' are: age, sex, race, disability, sexual orientation, marriage and civil partnerships, religion or belief, pregnancy and maternity and gender reassignment.

The Council is committed to all of the above in the provision, procurement and commissioning of its services, and the employment of its workforce. In addition, the Council is also committed to improving the quality of life and wellbeing for all Havering residents in respect of socio-economics and health determinants.
