## Part A – Report seeking decision

### DETAIL OF THE DECISION REQUESTED AND RECOMMENDED ACTION

#### Background:

The property is a 2 bedroomed first floor purpose built maisonette. The property benefits from a front/side garden.

The property was originally sold under the Right to Buy on a long lease in March 1898. The lease was originally granted for 125 years but due to the number of sales which have taken place within the block there is currently 92 years remaining on the lease.

The right provided by the Leasehold Reform Housing and Urban Development Act 1993 (as amended) (hereinafter referred to as “1993 Act”) is for the grant of a new lease for a term of 90 years, plus the present unexpired term, all at a peppercorn rent (that is, rent free).

The legislative requirements for the terms on which the new lease is to be granted:

- To be at a peppercorn rent (i.e. no rent) for the whole of the term (the 90 years plus the present unexpired term);
- To be on the same terms as the existing lease, subject to minor modifications and certain statutory exclusions and additions:
- Modifications – to take account of any alterations to the flat, or the building, since the grant of the existing lease (e.g. reference to gas lighting or coal stores), or to remedy a defect in the lease.
- Exclusions – since the 1993 Act provides a right to perpetual renewal of the lease, any existing clauses relating to renewal pre-emptions or early termination are to be excluded.
- Additions – a requirement not to grant a sub-lease of sufficient length so as to confer on the sub-lessee a right to a new lease under the Act.
- The landlord’s redevelopment right – the new lease must also contain a clause giving the landlord the right to repossession of the flat for the purposes of redevelopment.

#### Valuation Commentary:

To obtain a valuation of the premium which is attainable following the Statutory route and is in accordance with Schedule 13 of the Leasehold Reform Act 1993.

The Landlord is entitled to compensation for the loss in the value of the present and reversionary interest, together with an equal share of any enhancement to the value of the flat upon extension of the lease, if appropriate (called marriage value). Marriage value is only attributable when leases have an unexpired term of less than 80 years and in this case therefore has not been applied as part of the valuation.
