

Havering
LONDON BOROUGH

REPORT OF THE CHIEF EXECUTIVE

Full Council: 17 November 2021

HAVERING CLIMATE CHANGE ACTION PLAN

At its meeting on 10 November 2021, Cabinet was due to consider a report (attached) on the Havering Climate Change Action Plan. This signals a commitment by the Council to tackle climate change, influence decisions and bring together existing environmental policies.

Accordingly, and subject to approval of the report by Cabinet, it is **RECOMMENDED**:

That Full Council endorses the content of the report and associated action plans.
