Dear Trudi,

I wish to object to the above application.

It seems to me that the reasons for refusal given by the Licensing Committee when rejecting the application before have not been successfully addressed in the new application.

In particular I suggest that the new application would result in increased public nuisance in the area as the measures which the applicants suggest to deal with this seem to be to be unenforcable. Thus the application, if granted, would result in an increase in litter and rubbish in the area and would place pressure on the "Drinking Control Area" as it is inevitable that some patrons will seek to drink alcohol on the street thus creating a breach in this policy.

I suggest that the application would not be conducive to ensuring public safety, as it would divert police resources away from policing other areas of the town and working on priority policing areas to police the requirements and effect of this premises, thus having a negative impact on public safety elsewhere.

Yours sincerely,

Cllr. Andrew Curtin.

Dear Sirs,

With reference to the application for a premises Licence to permit the supply of alcohol from 08:00 to 22:00 from Monday to Sunday at 77 Park Lane, I wish to object on the basis that the hours by exceeding those already granted to the premises are likely to increase the impact of public nuisance as it will most likely lead to the already inebriated being drawn to the vicinity and more stopping traffic in the vicinity with blaring music, door slamming etc. There are known issues with the existing off-license not far away that my constituents have mentioned from time to time and I have heard from many local people who are concerned about youths who congregate around this shop at night.

The police are already overstretched late at night in Romford and Hornchurch Town Centres and I fear that this lessens the necessary protection of children from harm as under 18 year old teenagers will be more able to pressure this outlet into illegal sales or pressure adult purchasers into illegal proxy sales.

It would not be conducive to public order for the hours to be extended.

Dear Sir

Re: Hornchurch Food & Wine, 77 Park Lane, Hornchurch, Essex

I am writing in response to the above licensing application, to register my objections on the grounds of prevention of nuisance and public safety.

The area is prone to gangs of youth congregating outside the premise in an evening, with local residents complaining to me on a regular basis that they feel intimidated. If the extension of this license is granted, this will, I feel, exaggerate an existing problem.

There is already an ample supply of premises within the local area that provides residents abundant opportunity to buy alcoholic beverages, and I question the value granting this extension.

Litter is an increasing issue within the area with large amounts being dropped along the parade, which would only be worsened if this application was approved.

I very much hope that the Committee feels minded to refuse this application as it would result in a detrimental impact upon the quality of life for local residents.

With every best wish

Yours faithfully

Dear Mr Campbell

Re Licensing Act 2003 – Premises Licence Application

Hornchurch Food & Wine, 77 Park Lane, Hornchurch, RM11 1BH

I am writing to oppose this application for the following reasons.

Prevention of crime and disorder

Since license was granted to previous shop owner and with new owner currently trading under it, there have been two robberies. I have lived in the area for over 10 years and did not encounter this type of crime prior to the licensable activity at these premises. With an off license already operating a matter of yards away, granting further licensable activity is surely saturating the area and increasing the risk of further late night antisocial behaviour within a highly residential area.

Prevention of public nuisance

Anti social behaviour from youths is a frequent occurrence and offering a late night haven where they can easily purchase alcohol at a late hour encourages them to congregate in and around these premises. Residents do not wish to encourage this rowdy behaviour with further licensable activity. Since the license was granted, the number of vehicles pulling up with their music bearing, car doors slamming and engines revving has increased significantly and it is having a detrimental impact on our quality of our life.

Public safety

Following a recent robbery at this premises there was broken glass from thrown alcohol bottles all over the pavement in front of the premises. This was not cleared up until a resident spoke with the owner about the safety of pedestrians, mainly with children in mind, having to walk through the broken glass. The attitude given was that he pays his rates so let the street cleaners clear it up. This is not the attitude of a responsible licensee holder wishing to integrate themselves within a highly family populated area.

Protection of children from harm

As mentioned above, cans and bottles are left on the street and blown or smashed into residents front gardens meaning we have to clear it away and can not let children freely play in their own environment for fear of injury.

Regards,

Mrs Tracey Allan

licence.
There have been many incidences of anti-social behaviour connected to
these premises. Large groups of youths hang around outside which is
very intimidating to residents.
There is already a long established off-licence on this parade which
closes early due to anti-social behaviour and lack of trade.
I would ask that this licence is not granted.

I am writing to object to the application for a premises licence for the above premises to be allowed to sell alcohol until 10pm 7 days a week.

My reasons for objecting are below.

I have no issues with the shop being a convenience store, which can be an asset to the community but am concerned about the anti-social behaviour that has taken place over the two years that 77 Park Lane has held a premises licence.

Rose Wines (a long standing off-licence on the parade) closes early due to the anti-social behaviour he has suffered over the years and also because of lack of trade. When Rose Wines began to shut early most of the anti-social behaviour stopped but when 77 Park Lane started to sell alcohol it began again. Large groups of youths gather close to the premises which is very intimidating to residents. A lot of people blame the walls outside the vets for causing this but, having lived here for 42 years, youths used to sit on the steps outside the shops.

If this premises licence is granted there would be more drinking on the street which would mean a need for increased policing in the area which could cause an issue with public safety. There are still outstanding problems from the last hearing that have not been addressed. I would ask that this licence is not granted.

Regards

Mrs S Atkins

Re: Premises licence application Hornchurch Food & wine, 77 Park Lane, Hornchurch

Dear Paul Campbell,

We are writing to oppose this application on the enclosed reasons:

Prevention of crime & disorder

We already have an off licence along this parade we do not need another a few doors down increasing and disturbing our living conditions saturating this area further. Since the new owner has come into light there have been two incidences of crime, two robberies, this has been very disruptive, and increased further anti social behaviour, this premises is attracting this sort of crime which we don't wish to promote in our area increasing crime rates which isn't pleasant for families living here. This never happened in all the years we've lived here only since this shop has opened.

Prevention of public nuisance

Even during the week 10.30 pm you can hear people outside the shop shouting and hanging about, it's not a youth club it's a residential area. Offering a later licence will increase noise even further by people wishing to purchase alcohol. We do not need further sleep deprecation as a result of the shop wishing to sell alcohol until 10pm. If the shop wishes to sell until 10pm it should close at 10pm there is no need to stay open until 11pm. A member of the neighbourhood has already written to the council only a few weeks back to say they have been selling alcohol after 8pm, so how will they be able to resist "slipping one under the counter" so to speak even after 10pm if it is already happening now!

Public safety

Large crowds can be intimidating and this shop can at times attract large crowds especially at night, this can make people feel vulnerable. After the recent robbery smashed glass was all along the parade and pavements later on into the next day. For a shop that wishes to be so keen to serve the community why not put your community first by sweeping up straight away so that no one hurts themselves instead of the attitude that its someone else's job. This is not the attitude of a responsible licence holder.

Protection of children from harm

There is so much rubbish now as a result of the shop and cans and bottles at times these are unpleasant and will also contribute to the "broken window" theory. I fear that youths are attracted to the shop and anti social behaviour will increase as they don't move on they hang outside. There are two local parks, Hylands and Maygreen nearby and this automatically lends the premises to being a potential source for young people to obtain alcohol to consume in the park.

Ftao - Mr. Paul Campbell, Licensing Officer, LBH, RM1 3SL.

Thank you for your reply to my previous mail.

Please refuse the application for a premises licence for the hours of 8am to 10pm for 77 Park Lane Hornchurch.

We, object to this licence being granted on the grounds of:- Prevention of Crime & Disorder Prevention of Public Nuisance.
Public safety.
Protection of children from harm.

We believe that all of the above are relevant as the granting of this licence would lead to the increased gathering of people (especially teenagers) in the vicinity of the premises in the late evening, this causes disruption in this normally quiet area.

We do not need the sale of alcohol, with all its attendant problems, to be increased above its present level which is already too high, in this quiet residential area with schools in the immediate vicinity,

Re: Application for Licensing premises, 77 Park Lane, Hornchurch.

Dear Sir,

It is with some surprise that my husband and I see that the premises known as Park Lane Food and Wine of the above address has again applied to extend the licensing hours, albeit in a different name.

We strongly dispute the need for any extra hours.

The police, local and nationwide, frequently inform us that alcohol based disturbances and crime are on the increase and yet it would seem that in the London Borough of Havering alcohol is available in ever increasing outlets, are the views of the police, who have to monitor these premises and the inevitable disturbances ever taken into consideration?

Park Lane is in a residential area and previous disturbances by young people, who frequented the already existing off-licence, were dealt with by reducing the number of hours the shop could operate and by removing the 'collection point' a brick flower bed. So why now are the extra hours even being considered.

As residents of Hyland Way we are not immediately affected by the disturbances in Park Lane but the surrounding roads are just outside the Romford area where alcohol cannot be consumed in the street, thus pushing the opportunities to drink into our areas.

As the secretary of Hylands Park Action Group (the park just a few minutes from the premises) I am concerned about another fourteen hours of alcohol purchase being available each week and the affect it will have on the Green Flag park. Locked park gates are no barrier to those who wish to use the park for drinking sessions. Noisy disturbances often late into the night and the park is bordered on all sides by residential properties, leave broken bottles and cans, causing injury to dogs and children alike.

Why, when previous applications have been refused is this application even been considered?

**LICENSING ACT 2003 – PREMISES LICENCE APPLICATION
HORNCHURCH FOOD AND WINE, 77 PARK LANE**

I am writing with regard to the above application for licensed premises and to sell alcohol until 10 pm for seven days a week. I would like this application to be refused.

There had previously been a number of problems on the parade of shops in the past with loud and anti-social behaviour, which had improved considerably by the work of the Community Police Support Officers. Rose Wines on the same stretch of shops in this residential area closed early in order to alleviate the problem and residents were relieved when the problems got better. When 77 Park Lane began selling alcohol these problems returned.

If this application is granted there would be a concern about public safety, due to the potential of increased drinking on the street and the demand for increased police resources.

Dear Mr Campbell,

**LICENSING ACT 2003 – PREMISES LICENCE APPLICATION
HORNCHURCH FOOD AND WINE, 77 PARK LANE, HORNCHURCH,
RM11 1BH**

I am writing to object to the above application for licensed premises and to sell alcohol until 10pm for seven days a week.

For the reasons below I oppose this application for a licence and for the extended hours.

I've lived here for over 20 years and my experience has been that this is a friendly area to live and our local shops have helped to add to the good community spirit. I have no issue with the shop as a convenience store. However, I am concerned about the anti-social behaviour that has taken place over the two years that 77, Park Lane has held a premises licence. I am also worried about the potential for increased crime in this residential area if this application is granted.

A licence was granted for these premises approximately two years ago, much to the dismay and frustration of many local residents. The problems of anti-social behaviour and noise disturbance had only just improved due to Rose Wines (the other off-licence on the parade) closing early. However, we felt somewhat relieved that at least the licence for 77, Park Lane was only granted until 8pm.

When 77, Park Lane began selling alcohol these problems on the parade began again. There are on-going issues with anti-social behaviour and also large groups of youths gathering close to the premises, which can be intimidating for local residents.

Although the youths do sit on a wall adjacent to the premises, I don't feel that removing the wall would solve the problem. The wall is a convenient place to sit but I believe it is the attraction of alcohol that encourages youths to gather by the premises. If the wall was removed the youths would merely sit on the terraced step by the shop. I have already seen them do this.

I have heard that since the new manager has taken over the premises there have been two incidents involving robbery. I understand that one of these spilled out on to the street. I appreciate that this would be distressing for the

manager of the premises but this type of incident is also worrying for public safety, especially in such a residential area.

There is also an increase in litter close to the premises, which can cause a downward spiral of anti-social behaviour and crime. If this application is granted it would result in even more litter and rubbish. It would also mean that there would be drinking on the street causing a need for increased policing in the area. This would be a strain on policing in the locality, which is not conducive to ensuring public safety.

Please do not let any more alcohol be introduced into this residential area, along with the problems that it has already brought over the years for residents. These issues have been going on for too long. There are still outstanding problems to be addressed from the last hearing. I ask that this application be refused.

Yours sincerely

I am writing to oppose the above application for licensed premises and to sell alcohol until 10 pm Monday to Sunday inclusive.

I believe that public safety will be at risk if this application is granted. Since a licence was granted until 8pm, two years ago, there have been problems with anti-social behaviour close to the premises in this residential area. If the hours were extended until 10pm this situation could get worse. There is a potential for drinking on the street which would mean a demand for more policing and a risk for public safety.

Since a licence was granted for these premises two years ago there have been problems with anti-social behaviour and this has not improved under the new management.

I understand that there have been incidents of robbery at the premises twice recently and that one of these crimes led to a fracas on the street. Although I have sympathy for the manager, who was the victim, I find it worrying that these premises have attracted this type of crime, which could cause local residents and passers-by to be at risk of their safety.

I am also worried that the extension of hours will result in drinking on the street. This could lead to an increase in crime and a need for increased policing in the area, which is a concern for public safety.

Dear Mr Campbell,

**APPLICATION FOR LICENSED PREMISES 77 PARK LANE,
HORNCHURCH FOOD AND WINE**

It has been brought to my notice that the new manager of the Off Licence at 77 Park Lane has applied for a licence and requested extended hours until 10pm.

I am totally against this. When the previous manager was granted a licence two years ago I was disappointed, as we had only just got our street back to how it used to be, thanks to the local police, Hylands SNT. However, I was pleased that at least the licence was only granted until 8pm.

Since this shop begun selling alcohol two years ago there has been trouble with anti-social behaviour. I feel that nothing has changed since the premises has been under new management and that extending the hours would cause further trouble and we would be back to square one again.

Please keep me informed of any updates on this matter.

Many thanks.

Re: Premises licence application Hornchurch Food & Wine, 77 Park Lane, Hornchurch

Dear Paul Campbell,

We are writing to oppose this application on the enclosed reasons:

Prevention of crime & disorder

We already have an off license along this parade we do not need another a few doors down increasing and disturbing our living conditions saturating this area further. Since the new owner has come into light there have been two incidences of crime, two robberies, this has been very disruptive, and increased further anti social behaviour, this premises is attracting this sort of crime which we don't wish to promote in our area increasing crime rates which isn't pleasant for families living here. This never happened in all the years we've lived here only since this shop has opened.

Prevention of public nuisance

Even during the week 10.30 pm you can hear people outside the shop shouting and hanging about, it's not a youth club it's a residential area. Offering a later licence will increase noise even further by people wishing to purchase alcohol. We do not need further sleep deprecation as a result of the shop wishing to sell alcohol until 10pm. If the shop wishes to sell until 10pm it should close at 10pm there is no need to stay open until 11pm. A member of the neighbourhood has already written to the council only a few weeks back to say they have been selling alcohol after 8pm, so how will they be able to resist "slipping one under the counter" so to speak even after 10pm if it is already happening now!

Public safety

Large crowds can be intimidating and this shop can at times attract large crowds especially at night, this can make people feel vulnerable. After the recent robbery smashed glass was all along the parade and pavements later on into the next day. For a shop that wishes to be so keen to serve the community why not put your community first by sweeping up straight away so that no one hurts themselves instead of the attitude that its someone else's job. This is not the attitude of a responsible licence holder.

Protection of children from harm

There is so much rubbish now as a result of the shop and cans and bottles at times these are unpleasant and will also contribute to the "broken window" theory. I fear that youths are attracted to the shop and anti social behaviour will increase as they don't move on they hang outside. There are two local parks, Hylands and Maygreen nearby and this automatically lends the premises to being a potential source for young people to obtain alcohol to consume in the park.

Rep Brooks.txt

We are the local residents and are the ones who have to live here so please oppose this licence.

Kind regards & thank you

Dear Mr Campbell

Thank you for your letter dated 22nd October 2012 regarding the above reference which refers to the Premises Licence Application to 77 Park Lane, Hornchurch RM11 1BH. Both my husband and I are writing to oppose the licence for reasons given,

The prevention of crime and disorder people acting disorderly under the influence of alcohol late at night and causing disruption to the surrounding area. Persons causing criminal acts within the shop itself and spilling into the street. Plus criminal acts to cars being damaged and extra breaks to residents which have already occurred.

The Prevention of Public nuisance with extra noise and disruption at night. We already have people on their way home from bars and clubs in Romford especially Fridays and Saturdays causing noise. Cars sitting in Hillcrest Road with loud base music playing which can clearly be heard causing a nuisance late at night. There are also groups of lads outside these premises at all times of the day and evening who are noisy, intimidating and a nuisance to the local residents.

I know many of the residents do not feel safe walking passed this parade of shops when we have groups of youths standing outside. We also have extra traffic through Park Lane and people looking for parking spaces etc which is endangering the area. The rubbish outside is abominable and feel is it a health and safety issue.

This shop is licenced to sell alcohol from 8am when children are on their way to school, there have been incidences of people drinking out of alcoholic cans at this time in the morning while driving off

in their cars. this is potential threat to the young children.

This proprietor has only been at the shop for 4 - 5 mths and there have been 2 incidences during this time, plus he is serving alcohol after 8pm. We already have an off licence along this parade of shops which closes at 8pm every night due to previous problems, so do not need another one, and certainly would not want another which could be open later every night. Reading the application he wishes to sell alcohol from 8am until 10pm Monday to Sunday so varying the hours at the same time as applying for his licence. The previous shopkeeper wished to sell alcohol until 10pm each night at the beginning of this year and it was turned down by the council in February.

I hope you will take all the above into consideration and keep this residential area safe and alcohol free.

Many thanks

Response to the Application to extend the licence for the sale of Alcohol at 77
Park Lane Hornchurch

As residents living in very close proximity to 77 Park Lane, we wish to make it clear that we object to the application to extend the hours of 77 Park Lane selling alcohol.

We have lived in Park Lane for over 30 years and we have seen the immediate area gradually eroding away and becoming a hub bub for youths to hang around and become a public nuisance.

I would just like to remind everyone of the dangers of misuse of alcohol especially on young people who are often underage drinkers.

Alcohol consumption by young people has a profound effect on, communities, families, and children. Alcohol use by teens is related to increased traffic accidents, increased crime, increased teenage pregnancies, increased sexually transmitted diseases, poor performance in school and sadly related to increased suicides.

Teenage drinking also has a direct economic effect on our communities; the costs of law enforcement, health care, education, treatment, and other services increase as resources are diverted to attend to the painful and often tragic consequences of teenage drinking.

Therefore we wish to object on the following grounds.

The Prevention of crime and disorder

Alcohol has been identified as a major contributing factor to a wide variety of crimes. Crimes against both persons and property often involve people who have consumed alcohol. Residents feel frightened and vulnerable when coming home to their houses. They have to pass gangs of teenagers who loiter outside or near the shops in Park Lane. The teenagers use the small wall outside the vets to consume the alcohol and then suffer the consequences. We as residents suffer the consequences as well, petty damage to our cars and property. People using the back of the shops to urinate and worse vomit or defecate. Research shows that the earlier teenagers start drinking, the more likely they will later become addicted to alcohol or other drugs. If we allow teenagers to have easy access to the purchase of alcohol it will just lead to more local crime. Thus, reducing the availability of alcohol to youths is an effective strategy to reduce crime, both today and in the future.

We already have Tesco's open till 10pm selling alcohol and many more off licences nearby along with 3 local pubs and Romford within walking distance. There is no need for another shop selling alcohol till 10pm seven days a week. The only reason they are doing so is for their own profit but at the public's expense. Research shows that areas where pubs,, restaurants and stores that sell alcohol are close together, they suffer more frequent incidences of violence and other alcohol-related problems. The strong connection between alcohol and violence has been clear for a long time – but now it shows that this connection also relates to the location of places that sell alcohol. We could use this evidence to help fight crime and improve quality of life by controlling licenses to sell alcohol in relation to the location of other establishments. As I said before there is more than enough establishments locally to meet the needs of people who want to enjoy alcohol in a social environment. To use our own experience as an example of how we have to live.

One evening I drove home and the police had blocked access to my road. Eventually they allowed me through to park but I was given instructions to go straight inside and lock the door. I have no idea as to the reason behind this or if it was related to the youths from the shops but it's the fear we constantly live with when they shout and run down the street. I was on my own that night but some residents are alone all the time often confined to their house as they are too frightened to go out at night. This is meant to be a residential area for all residents not a chosen few!

Alcohol is a factor in:

- One in three (30%) sexual offences
- One in three (33%) burglaries
- One in two (50%) street crimes.

The Prevention of Public Nuisance

It is a fact that shops and establishments that sell alcohol can be a source of social disorder. Many mornings we find in our gardens and streets tin cans, and broken bottles littering the area. I feel this sends out a message that this is a neighbourhood in which normal rules about orderly behaviour are not easily enforced. And although alcohol is responsible for teenagers having unprotected sex, those teens that are more cautious just leave used condoms in the unmade road by the side of our house. This is a health hazard apart from anything else. Children walk along our road and could easily pick one up. There is now increased parking outside our house or worse when people block the road especially late at night or early mornings. They think because they are only popping into the shop for a couple of minutes it is ok to park and block the road. If that is when an ambulance or fire engine needed to access Park Crescent then valuable minutes could be lost with disastrous consequences. Again on a personal level my husband works shifts so often cannot exit the road early morning, or enter our road late at night because of people visiting 77 Park Lane late at night. We have to suffer the noise of the gangs shouting, keeping us awake. The language is awful. In the summer when windows are open at night you can hear things that young children

should defiantly not hear. I am glad that my children have grown up and moved away because I would not want them to hear the abusive language or hear the vomiting from the excessive alcohol.

Public Safety

Restricting the sale of alcohol especially to the youngsters who use the local shops to purchase their night's quota may reduce crime and alcohol-related problems. If we can prevent easy access to alcohol to young people even by restricting the hours they can buy it, then it may help prevent traffic crashes, the major cause of death among youth.

Teen pregnancy, sexually transmitted diseases, and school dropout rates increase with teen drinking, by reducing young age access to alcohol this can lower the frequency of these social problems.

- Fights, vandalism, noise complaints, caused by young people drinking alcohol; by decreasing youth access to alcohol is effective in preventing these problems and reducing the time law enforcement spends on these types of complaints.

- Rape and other crimes of violence involving teens often involve perpetrators and victims who have been drinking; reducing youth access to alcohol helps fight these crimes.

Although I am not accusing the new owners of selling alcohol to underage teenagers the old owners did this and sadly it is a fact that teenagers will try to trick shop keepers with false ID's or worse some shop keepers are ruthless and do not care who they sell to.

A Home Office survey found that one in five (18%) 12-13 year olds and over a quarter (28%) of 14-15 year olds caused damage while drinking, while one in 10 15-16 year olds said that drinking had led them to get in trouble with the police. One in five teenagers admits to drink driving, while a third (32%) have been a passenger in a car with a driver who was drunk.

How safe are the rest of the public from these teens that need to be protected? Sadly money is restricted and we do not have the policing to cope with all this petty crime and behaviour. The local money is wasted on trying to cope when it could be spent on better things. By keeping the alcohol areas to Romford then these areas can be policed to prevent disturbances or at least manage them.

The Protection of Children From Harm

Where do I begin here? Local young children need to be protected from the broken bottles, used condoms (with the risk of hepatitis and HIV). They need to feel safe walking home from local clubs such as Scouts etc. They need a good night's sleep not interrupted by shouting and screaming. They do not need to hear abusive language or see fights and sexual acts. This is what we have been subjected to since the shops have been selling alcohol in the evenings. Children need to flourish in a happy environment not where they cannot play in the local park (Park Lane) due to gangs drinking there or the dangerous litter left by them. What example are we setting the young children, who are their role models?

The actual teenagers that buy the alcohol and abuse it need to be protected as well. Whilst drunk, accidents and falls are common because being drunk affects the balance and co-ordination. Binge drinking has also been linked to self-harm something very common in teens. Just too much alcohol can cause overdosing, it can stop you breathing or stop your heart, or you could choke on your vomit. Nearly a third (29%) of alcohol related deaths are a result of alcohol related accidents. These deaths are more common among 16–34-year-olds.

This shop has a reputation for under-age drinking. The previous owners had been caught selling alcohol to underage teens. The teens still congregate outside, often asking us to purchase alcohol or cigarettes for them.

I am not against moderate use of alcohol in fact there are known benefits from small amounts. Sadly many people cannot or will not be able to control the amounts they consume. Children who first use alcohol at home, and learn about its effects from parents, are less likely to misuse alcohol than those who begin drinking outside the home and experiment with their peers. By preventing the easy access of obtaining alcohol to drink in the street or park with their peers could give these teenagers a better future. As you can see from this letter we would be greatly distressed if the selling of alcohol hours were extended. Our lives have got worse since the shop opened and sold alcohol. So it would be better if it was not a licensed shop at all and just sold goods that local people needed. If you wish to sell to a local community then you have a moral responsibility to care about your customers. I am sure there would be one local person who might wish to purchase a bottle of wine at 10pm at night however what about the hundreds of other LOCAL residents who have to suffer due to the teenagers who are not always local abusing the alcohol sales.

Because there is little evidence to support the placement of age verification devices in alcohol retail establishments, then granting a licence but getting the shop to check the age is not effective and should not be used as a reason to grant a licence or an extended one.

Thank you.

Dear Mr Campbell,

I write further to my email of yesterday (below) and upon reading back, it appears there is a typing error. In the circumstances, I would ask that you kindly amend an item in the first paragraph - where I have stated the application to sell alcohol as 11pm to the correct time of 10pm. I thank you of your assistance in this respect.

Yours sincerely,

Mr J Sims.

From:- Mr J Sims. 86 Clydesdale Road, Hornchurch. RM11 1AQ. - 15th November 2012.

Dear Mr Campbell,

I write further to our telephone conversation of 14th November, and hereby state my reasons why I believe the application to increase the hours to sell alcohol until 11pm should be refused on all four licensing objectives: -

There is substantial evidence concerning the illegal selling of alcohol by the previous licence holder of the premises - to under aged youths and of the selling of alcohol outside of permitted hours. During their tenure, vandalism, graffiti and intimidation rose exponentially - something which appears to still be on the increase. Indeed it is my understanding the current 'tenant' (who had previously worked at the premises whilst Mr Tubay was DPS, and therefore knows full well of the many problems encountered then and now) suffered aggravated theft of alcohol by youths approximately two months ago which resulted in crowds gathering and police involvement. It is hard to argue against the fact that if the 'tenant' did not sell alcohol in the first place this problem would not have occurred - and that crime has been attracted to the area since the 'tenancy' first started.

Crowds of youths still gather around the premises on a regular basis and consume the alcohol in close proximity. Local residents should not be placed at risk by the loud mouthed swearing individuals who don't give a damn about our concerns and wellbeing. Discarded beer cans and empty (quite often smashed) bottles are an evermore common occurrence - plus the clearly visible signs and 'after smells' of youths relieving themselves of their ill gotten gains. Surrounding roads now quite often resemble that of a back street alley in an Inner London Borough, and sadly the council seem to take their time in clearing up the 'evidence' in many of the surrounding roads.

There is an off licence about 20 yards away that chooses to close early - due partly to intimidation by youths expecting to be illegally sold alcohol and also due to insufficient business. It is hard to discount the fact that the selling of alcohol would be / is the main part of this 'applicants' business to attain profitability, and whilst the licence is to enable the selling of alcohol up to 10:00pm, the premises would still be open to 11:00pm - and one could therefore argue the temptation of illegally selling alcohol may be a constant.

Has Mr Coban ensured all bottles and cans purchased from the store are suitably marked to identify them when they are discarded in the street by individuals? The answer is no.

Has Mr Coban fully complied with all other recommendations laid out by the Licensing Committee and the Police Authority? The answer is no.

In more formal terms, the proposal would also - by reasons of extra noise and disturbance caused by customers entering and leaving the premises, vehicles parking and manoeuvring, particularly during the late evening / early morning hours of operation - be unacceptably detrimental to the amenities of occupiers of adjacent and opposite properties, contrary to policies DC55 and DC61 of the LDF Development Control Policies Development Plan Document - and I also believe of policies DC3 and DC4.

The London Borough of Havering - as Local Licensing Authority - has to ensure that licensing premises enhance the quality and sustainability of the local environment, and are focussed on the needs of residents.

The Council's ambition for Havering is simply to provide the residents with the highest quality of life in London. Allowing this licence has proved on many occasions to have failed the council's objectives of it's 'Living Ambition' plan. It is time for the Licensing Authority / Council representatives / Police Authority, to put the residents wellbeing first, and in the circumstances perhaps the committee should therefore be looking to cancel the existing licence at the next evidence of illegality, and deny requests by other applicants to sell alcohol in built up residential areas such as this - and eradicate the current 'lawlessness' seen.

Yours sincerely

Mr J Sims

RE: Premises Licence Application - 77 Park Lane, Hornchurch, Essex RM11 1BH

I am writing to you in objection to the above application.

Literally a few doors away from this premises, on the parade, there is already an Off licence (93 Park Lane) that serves the local community.

Even at this premises, like every other Licensed premises, you sometimes get a congregation of young men and women.

With another Licensed premises a few yards away will, in my mind, attract more youngsters to the street. This in return will make local residents walking between these premises unsafe and, furthermore, I believe there will be more general disorder such as throwing litter, verbally abusing local residents and general public nuisance and as such an overall increase in crime & disorder.

Furthermore any extension to the opening hours of 77 Park Lane will only make matters worst and make Park Lane very unsafe at night.

As a business owner on this parade, and for other local residents, I feel that there should not be another licensed premises at 77 Park Lane.

Yours Sincerely

J Singh

Re: 77 Park Lane, Parl Lane Food Centre.

One again we wish to reiterate that we oppose the application for the extended license to sell alcohol until 11:00 pm at the above mentioned property.

We fail to understand the need for these premises to sell alcohol so late in the evening . This would encourage young people to purchase alcohol until 11:00 pm which could lead to children being in danger of harm from the sale of alcohol and the possibility of underage persons drinking.

We have on numerous occasions had crowds of young people drinking in the park in Park Lane late at night, if there is a readily available alcohol source so late at night this adds to the possibility of crime and disorder plus a public nuisance in the park which is hard to police plus the public safety outside the premises.

If these premises are allowed to extend their licensing hours then other premises in this block of shops would also follow suit adding to the dangers that alcohol can induce. All these valid concerns were expressed at the last council meeting which we hope will be duly taken into account.

Yours faithfully

Dear Mr Campbell

I am writing to object to the above application to extend licensing hours.

Large groups of youths gather around these premises which local residents find very intimidating. There has been issues with anti-social behaviour and I have particular concerns about alcohol related behaviour and the risk of increase in crime. There has been two noted robberies at this shop since the new management took over the above premises.

I therefore request that as in previous application this is refused, Park Lane is a residential area with many children and elderly been affected by late night noise, increase in litter and damage to our cars/property.

Dear Mr Campbell

I am writing to object to the above application to extend the hours for the sale of alcohol. Park Lane is a residential area but since the above began to sell alcohol there have been many issues with large numbers of youths gathering close to these premises which can be very intimidating to local residents.

There have also been issues with anti-social behaviour and we have particular concerns about alcohol related anti-social behaviour and the potential for an increase in crime. I believe there have been two robberies at the shop which have been carried out in the evening since the new manager took over. I would like my children to live in a safe environment.

Previous applications to extend licensing hours have been refused due to the management not complying with the license and I therefore request that this is again refused.

Yours Sincerely

Application for Licensed Premises
77 Park Lane, Hornchurch – Food and Wine

Previously when application was made for licence extension, I forwarded my point of view in respect of the request for extension.

Young people congregate in groups in the vicinity of the above premises, who in turn leave their litter, which more often or not is left where dropped. (especially being near to a fish and chip shop). The cans or bottles together with discarded empty chip papers, get left along the road side while continuing their journey, or flung into our front gardens for us to clear up after them (PUBLIC NUISANCE) I am sure people living in the actual vicinity will suffer more.

With additional facility of purchasing alcohol on the way home from the clubs in Romford, where they possibly will have already had sufficient alcohol intake, even from the local pubs in Brentwood Road, this will only top up any persons intoxicated behaviour. Surely this is just another encouragement in their intoxicated minds, for young people to become involved in (CRIME AND DISORDER). (PUBLIC NUISANCE)

School aged young people visit the vicinity, and may get caught up in any unruly activity and may be tempted to try and get alcohol from someone older. (PROTECTION OF CHILDREN).

WHY THE ALCOHOL FACILITY SHOULD EVEN BE AVAILABLE IN A FOOD SHOP (even from 8am to 8pm let alone 8am to 10pm), WHEN IN SUCH CLOSE PROXIMITY TO AN OFF LICENCE PREMISES, a local public house, a Very Large Supermarket, leaves one to wonder WHY?

I quite often spend an evening out but will not walk into the area just in case any groups have formed, and will take the bus route to Hornchurch Road end of Park Lane to get home. (PUBLIC SAFETY)

I do not consider the Licence facility should be available at all as it should be made more difficult for alcohol to even be consumed until anyone reaches the age of 21 years as in USA –Again (PROTECTION OF CHILDREN). I therefore request that any Alcohol Licence should be REFUSED.
