Importance: High

Dear Mike,

Thank you for your representations. Applicant has agreed to your conditions, and not the timing.

Applicant has considered the area and applied accordingly to midnight. We understand you mentioned many of your concerns, and they have been addressed through the operating schedule.

This is a small restaurant, and it will continue to operate as a restaurant, alcohol forms part of the food.

We would like to invite you to consider the applied time to midnight, to support this business.

Dear Mike,

Thank you for your email.

We are not accepting your conditions and times as proposed. The conditions should go with the application time.

We can understand if you want this matter to be solved before the committee, as opposed a mediation.

Have a great holidays.

Regards

Suresh
