SUMMARY

The Joint Committee is asked to select an observer Member to sit on the equivalent committee covering Inner North East London.

RECOMMENDATIONS

1. That the Joint Committee selects one Member to act as an observer Member on the Inner North East London Joint Health Overview and Scrutiny Committee (INEL JHOSC).

REPORT DETAIL

The Joint Committee is entitled to nominate one observer member to attend the INEL JHOSC. As it is likely that London Borough of Redbridge would have the most interest in the work of the Committee, given the amount of Redbridge residents using for example Whipps Cross Hospital, it is suggested that a Redbridge member be nominated to the position. This is however of course a matter for the Joint Committee to decide.
