SUMMARY

This report brings together all aspects of audit, assurance and counter fraud work undertaken in the 2021/22 financial year, including actions taken by management in response to audit and counter fraud activity, which supports the governance framework of the authority. The report includes the Head of Assurance opinion on the internal control environment for 2021/22.

RECOMMENDATIONS

Members are asked to consider the Assurance End of Year Report 2021/22 incorporating Head of Assurance Opinion and to make any appropriate recommendations.

REPORT DETAIL

1. Introduction

1.1 The Accounts and Audit Regulations require the Council to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account the Public Sector Internal Auditing Standards (PSIAS) and other guidance.

1.2 Internal audit is a key component of corporate governance within the Council. The three lines of defence model, as detailed below, provides a framework for understanding the role of internal audit in the overall risk management and internal control processes of an organisation:

- First line – operational management controls
- Second line – monitoring controls, e.g. the policy or system owner/sponsor
- Third line – independent assurance.

The Council's third line of defence includes internal audit, which should provide independent assurance to senior management and the Audit Committee on how effectively the first and second lines of defence have been operating.

1.3 An independent internal audit function will, through its risk-based approach to work, provide assurance to the Council's Audit Committee and senior management on the higher risk and more complex areas of the Council's business, allowing management to focus on providing coverage of routine operations.

1.4 The work of internal audit is critical to the evaluation of the Council's overall assessment of its governance, risk management and internal control systems, and forms the basis of the annual opinion provided by the Head of Assurance which contributes to the Annual Governance Statement. It can also perform a consultancy role to assist in identifying improvements to the organisation's practices.

1.5 This report summarises the outcomes of audit and counter fraud work undertaken during 2021/22 in support of the Audit Committee's role.

1.6 The report supports the Head of Assurance's ongoing assurance opinion on the internal control environment and highlights key outcomes from internal

audit and counter fraud work and provides information on wider issues of interest to the Council's Audit Committee.

IMPLICATIONS AND RISKS

Financial implications and risks:

There are no financial implications or risks arising directly from this report which is for information only.

By maintaining an adequate internal audit service, management are supported in the effective identification and efficient management of risks and ultimately good governance. Failure to maximise the performance of the service may lead to losses caused by insufficient or ineffective controls or even failure to achieve objectives where risks are not mitigated. In addition recommendations may arise from any audit work undertaken and managers have the opportunity of commenting on these before they are finalised. In accepting audit recommendations, the managers are obliged to consider financial risks and costs associated with the implications of the recommendations. Managers are also required to identify implementation dates and then put in place appropriate actions to ensure these are achieved. Failure to either implement at all or meet the target date may have control implications, although these would be highlighted by any subsequent audit work. Such failures may result in financial losses for the Council.

Legal implications and risks:

Regulation 6 of the Accounts and Audit Regulations 2015 requires the Authority to conduct a review of the effectiveness of the system of internal control which must be considered by the relevant committee or by full Council. This report seeks to comply with that statutory obligation and there are no apparent risks in considering the end of year report.

Human Resources implications and risks:

The recommendations made in this report do not give rise to any identifiable HR risks or implications that would affect either the Council or its workforce.

Climate Change implications and risks:

None arising directly from this report. Risks around this are reflected in the Corporate Risk Register, added into the Internal Audit Plan and incorporated into the scope of audits where relevant.

Equalities implications and risks:

The Public Sector Equality Duty (PSED) under section 149 of the Equality Act 2010 requires the Council, when exercising its functions, to have due regard to:

- (i) The need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010;
- (ii) The need to advance equality of opportunity between persons who share protected characteristics and those who do not, and;
- (iii) Foster good relations between those who have protected characteristics and those who do not.

Note: 'Protected characteristics' are age, disability, gender reassignment, marriage and civil partnerships, pregnancy and maternity, race, religion or belief, sex/gender, sexual orientation.

The Council is committed to all of the above in the provision, procurement and commissioning of its services, and the employment of its workforce. In addition, the Council is also committed to improving the quality of life and wellbeing for all Havering residents in respect of socio-economics and health determinants.
