Report author and contact details:

This application to review a premises licence is made by ward councillors Brian Eagling, Martin Goode and Darren Wise under s.51 of the Licensing Act 2003. Havering's Licensing Authority received the application on 7<sup>th</sup> October 2022.

## Geographical description of the area

Array Essex is a large detached premises located on Shepherds Hill. It is surrounded on all sides by residential properties.

## Details of the application

The applicants for the review contend that for a *protracted period of time* – over 18 months – the residents in a *half mile radius* from the premises have been *continually affected* by the premises' alleged failure to promote the licensing objectives.

The applicants for the review suggest that the hours during which the premises may operate should be reduced to a 23:00 terminal hour to address the issues which have attended the operation of the premises.

## **Comments and observations on the application**

Upon receipt of the application the licensing authority advertised the application appropriately further to the requirements of regulations 38 and 39 of *The Licensing Act 2003 (premises licences and club premises certificates) Regulations 2005*.

## **Summary**

There were 43 representations supporting this application from residents in the vicinity of the premises.

There were four representations supporting this application from responsible authorities, namely Havering's health and safety team, Havering's Environmental Health noise team, Havering's licensing authority and Havering Borough Police licensing team.
