Hi Chris,

Thank you for your email. We had a management meeting late last evening. Followed by our management meeting, we have decided to stop service Shisha in Bayou with Immediate effect.

Currently we are working on developing new Breakfast and lunch menu. Meanwhile bayou will be uses to serve food and drinks only from our main Kitchen/bar.

Furthermore, we have decided to start using metal detector at the main entrance to add extra secure measure for our clientele and staff safety.

Please feel free to drop me an email if you have any further questions.

Kind Regards
Nadir Gul

Good morning Mr Gul

Yesterday I sent the below email and have not received a reply from you.

Can you confirm please the shisha lounge will be closed with immediate effect and the business model will change to a breakfast and lunch venue?

As I stated in the email yesterday I am considering all options at this time.

It would therefore be helpful if you could please confirm in writing/email what your intentions are in respect of the shisha lounge in order to mitigate risk.

Many thanks

Importance: High

Good afternoon Mr Gul

I'm emailing you with regards to the serious incident that occurred on the 5th November 2022, at 0100 hours.

As you are aware a customer was stabbed outside your premises after a fight had taken place and the criminal investigation is being dealt with separately by CID. However, I am responsible for overseeing the licensing matters.

On Saturday evening you advised me that the shisha lounge located at the rear of the property would be closed due to the clientele you were getting in, and instead the area would be used to cater for meals including breakfast and lunch. Can you confirm the shisha lounge will be closed with immediate effect and the business model will change to a breakfast and lunch venue?

I have sought legal advice and whilst this meets the threshold to bring a Summary Review (due to the serious crime that has occurred), I am considering all options at this time. It would therefore be helpful if you could please confirm in writing, by close of play today, what your intentions are in respect of the shisha lounge in order to mitigate risk.

Many thanks
