### Comments and observations on the application

An additional late TEN was submitted by Mr Rahman which sought to take place on 16<sup>th</sup> & 17<sup>th</sup> March 2013. Given the provisions of s.104A of the Act a counter notice was issued by the Licensing Authority subsequent to an objection notice being received from Havering's Noise Specialist, Mr Marc Gasson.

The premises licence for Akash Tandoori permits licensable activity to be provided via non-standard timing extensions on certain prominent days throughout the year. These are:

- Sundays preceding bank holiday Mondays
- Christmas Eve
- Boxing Day
- New Year's Eve

With the exception of New Year's Eve the latest terminal hour until which these activities may be provided under the authority of the premises licence is 01:00. These TENs seek to extend this non-standard terminal hour of 01:00 by a further hour.

The New Year's Eve extension is based upon the provisions of the previous Licensing Act 1964 wherein the alcohol supply hours were deregulated on this night each year. The applicant recently successfully applied to permit his regulated entertainment provisions to be extended in line with the alcohol extension on this night.

TEN 2 seeks to occur over the Easter weekend. Consequently Monday 1<sup>st</sup> April is a bank holiday. The premises licence might therefore normally have permitted the provision of licensable activity to occur on the premises until 00:30 via non-standard timing on the Sunday preceding this bank holiday Monday.

The terminal hours detailed in the premises licence were imposed by the Licensing Sub-Committee subsequent to an application to vary the premises licence. These hours have been in force since 7<sup>th</sup> February 2013.

Havering's Licensing Policy 12 states:

The LLA is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises. Applications for hours set out below in this policy will generally be granted subject to not being contrary to other policies in the statement of licensing policy. Applications for hours outside the hours listed will be considered on their merits.

Regulated activities will normally be permitted:

- until 11.30 pm in residential areas
- until 00.30 am in mixed use areas
- no limits in leisure areas

#### Summary

There was one objection notice against each of these TENs from a responsible authority, namely Havering's Noise Specialist Mr Marc Gasson.

#### **Details of objection notice**

Valid representations must address at least one of the following licensing objectives:

- the prevention of crime and disorder
- the prevention of public nuisance
- the protection of children from harm
- public safety

#### Responsible authorities' representations

A TEN may be opposed by certain responsible authorities only. The Police and/or the appropriate Environmental Health Service may oppose a TEN; residents or surrounding businesses may not oppose a TEN.

Mr Gasson submitted an objection notice on behalf of Havering's Environmental Health Service based upon his concerns in relation to the prevention of public nuisance licensing objective.

Mr Gasson's objection notice identifies his concerns in relation to the potential for noise disturbance to nearby residents. Mr Gasson's objection notice also draws attention to Havering's Licensing Policy 12 with regard to the hours during which regulated activities would normally be permitted at licensed premises in the borough.

Licensing Officer
London Borough of Havering

#### Akash Tandoori, 185A High Street, Hornchurch, Essex.

I refer to the above applications for Temporary Event Notices and would object, in terms of public nuisance, to them being granted for the following reasons:-

- 1. The close proximity of residential properties to the premises in question will mean that should the T.E.N.s be granted, it would increase the potential of noise disturbance being experienced by nearby residents later at night and into the early hours of the morning both from noise emanating from regulated entertainment within the premises and also as patrons enter/leave the premises.
- 2. Any extension beyond the current hours for regulated entertainment will conflict with the Council's Licensing Policy 12 (see below) for mixed commercial/residential use areas.

#### Licensing Policy 012 Hours

The LLA is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises. Applications for hours set out below in this policy will generally be granted subject to not being contrary to other policies in the statement of licensing policy. Applications for hours outside the hours listed will be considered on their merits.

Regulated activities will normally be permitted:

- until 11.30 pm in residential areas
- until 00.30 am in mixed use areas
- no limits in leisure areas
