## **SUMMARY**

The purpose of this report is to request the London Borough of Havering Pension Committee agree to the proposed closed admission agreement of Kindred FM into the London Borough of Havering Pension Fund ("the Fund") under the provisions of The Local Government Pension Scheme (LGPS) Regulations 2013, Schedule 2, Part 3 and follows New Fair Deal Guidance. This is due to the TUPE of cleaning staff from Broadford School to Kindred FM for the provision of cleaning services

## **RECOMMENDATIONS**

That the admission of Kindred FM into the London Borough of Havering Pension Fund as an admitted body to enable 1 member of staff who transferred from Broadford School to continue membership of the LGPS be agreed, subject to:

- (a) All parties signing up to an Admission Agreement, and
- (b) Kindred FM securing bond or Guarantee in an approved form to protect the pension fund.

## **REPORT DETAIL**

1. Kindred FM succeeded in winning the contract to provide cleaning services to Broadford School. The contract with Broadford School is for a minimum of three years and commenced on 1 November 2022.
2. The contract of employment of the affected staff transferred when the cleaning services transferred from Broadford School to Kindred FM on 1 November 2022. The Transfer of Undertakings (Protection of Employment) Regulations 2006 as amended by the Collective Redundancies and Transfer of Undertakings (Protection of Employment) Amendment Regulations 2014 ("TUPE") protects the employment terms and conditions of the relevant employees except for pension rights which in this instance are covered under the New Fair Deal Guidance 2013. 1 employee was a member of the LGPS on the transfer date.
3. New Fair Deal Guidance is a non-statutory policy setting out how pension issues are to be dealt with when staff are compulsorily transferred from the public sector to independent providers delivering public services. The guidance is needed to address Pension rights not covered by TUPE.
4. The Pension Regulations require the LGPS Pension Funds to allow an admission to its scheme if the organisation is one that provides or which will provide a service or assets in connection with the exercise of a function of a scheme

employer, as a result of the transfer of the service or assets by means of a contract or other arrangement.

5. Following guidance from DLUHC, where a transferee admission body ("TAB") and the scheme employer undertake to meet the relevant requirements of Schedule 2, Part 3, an administering authority cannot decline to admit to the LGPS the eligible employees of the transferee admission body. The terms on which the admission is permitted are noted in the Admission Agreement for the purposes of these Regulations.
6. Kindred FM falls within the definition contained in Schedule 2, Part 3 of the LGPS Regulations 2013 and as such is eligible to become a TAB. Under Schedule 2, Part 3, the administering authority must admit to the scheme the eligible designated employees of the TAB provided the TAB and the scheme employer undertakes to meet the relevant requirements of the regulations through an Admission Agreement. Legal engrossment of the admission agreement is subject to the service transfer taking place.
7. The London Borough of Havering will seek to sign appropriate transferee Admission Agreements to allow Kindred FM to be admitted to the Fund. When the Admission Agreement is formed Kindred FM will be required to pay contribution rates as determined by the Fund Actuary. This has been set initially at 26.3% of pensionable pay.

## **IMPLICATIONS AND RISKS**

### **Financial implications and risks:**

Continued membership in the LGPS means there is no loss to contributions into the Fund. As noted in the report, employer contributions to be paid by admitted bodies are determined by the Fund's Actuary. Kindred FM's employer contribution rate has been set at 26.3%. Kindred FM are allocated a share of assets to ensure they are fully funded at the transfer date.

The Fund's actuary has determined a bond or indemnity is required to cover the assessed level of risk arising in relation to premature termination of the provision of service or assets provided by Kindred FM by reason of insolvency, winding up or liquidation and the level of bond set by the actuary is £28,000. Kindred FM will seek to secure a bond or guarantee to protect the Fund.

There are risks to the letting authority (Broadford School) if the indemnity levels are not reviewed in line with employee and legislative changes. This risk will be managed by putting in place a timescale for reviews and ensure this is included in the Admission Agreement. Indemnity reviews are to be carried out by the Fund's actuary.

The letting authority also faces risk if the admitted body is unable to meet any funding deficits at the end of a contract. This risk will be managed by putting in

place regular reviews of Kindred's employer rates. Any deficit not met by Kindred FM at the end of the contract will be met by the letting authority.

The risk of non-payment of contributions, which would have a cash flow impact, is actively managed by the Havering pension team on a monthly basis with appropriate escalation for non-compliance. Cash flow performance is reported in the Pension Fund Annual Report.

Kindred FM are a transferee admitted body within other Local Government Pension Funds, so have experience of the implications of being a Scheme Employer.

Hymans Robertson have carried out an assessment which shows (at 31 January 2023) Kindred FM are a low risk employer for the Pension Fund. This will be reviewed on an annual basis.

There are no immediate financial implications to the Fund arising from the Fair Deal arrangements

**Legal implications and risks:**

Schools are scheme employers for the purposes of the local government pension scheme. Where they let contracts for the provision of services, their contractors are eligible to become admission bodies, subject to the completion of an admission body agreement and the provision of a bond or indemnity, if required, to cover the risks to the pension fund arising from premature termination of the provision of service by reason of insolvency, winding up or liquidation of the admission body.

Schools are public sector bodies required to have regard to the Government's policy guidance "Fair Deal for staff pensions: staff transfer from central Government" (published with immediate effect on the 4 October 2013) when outsourcing services. Where staff are compulsorily transferred (TUPE) to an independent provider of public services (Kindred FM) those staff will generally have a right of continued access to the relevant public service pension arrangements (Havering LGPS) where they are classified as non-teaching staff

In the case of the Broadford School employee transferring to their new cleaning contractor, Fair Deal obligations can be achieved by means of an admission body agreement, between the administering authority (Havering) and the letting authority (Broadford School) and the employing/admission body (Kindred FM) allowing the transferring employee to remain a member of the Local Government Pension Scheme. The school and the contractor have applied for admission on a closed basis and actuarial assessments have been undertaken on that basis in order to assess contributions and the indemnity level.

The admittance of Kindred FM into the Havering Pension Fund will ensure the current employee enjoys their current pension protection when transferring to their new employer and negate against any complaints to the Pension Regulator and Pensions Ombudsman resulting from a failure to ensure Fair Deal pension protection for its employee on transfer.

The recommendations in this report are in keeping with the constitutional delegation.

**Human Resources implications and risks:**

The recommendations in this report do not give rise to any identifiable HR risks or implications that would affect either the Council or its workforce.

Admitted body status will allow the former Broadford School employee (who transferred to the new provider on 1 November 2022) continued membership eligibility of the LGPS.

**Equalities implications and risks:**

The proposed admission of Kindred FM into the London Borough of Havering Pension Fund will not only ensure that New Fair Deal guidance has been followed but will also enable the Broadford School employee who has been compulsorily transferred to Kindred FM to continue to enjoy pension protection when transferred to the new employer
