ANNEX A

1. In this Annex:
 - a. “the Scheme” means the use by the Authority of the grant amount set out in Annex A to provide support to eligible recipients for meeting costs related to the use of energy over Winter 2022/2023 in accordance with sections 13 and 15 of the Energy Prices Act 2022;
 - b. “the Department” means the Department for Business, Energy and Industrial Strategy;
 - c. “the Authority” means any local authority listed in Annex A as defined under section 15 of the Energy Prices Act 2022 and section 4 of the Energy Prices (Designated Domestic Energy Price Reduction Schemes for Great Britain and Designated Bodies) Regulations 2022;
 - d. “the Secretary of State” means the Secretary of State for Business, Energy and Industrial Strategy;
 - e. “the Grant Period” means the period of time commencing from the delivery of the Grant to the Authority, on a date no earlier than 20 February 2023, and ends with the Support disbursed by the Authority, which will be no later than 30 June 2023.
 - f. “disbursed” means those funds that have been posted in the Authority’s financial system on a date no later than 30 June 2023 and defrayed from the Authority’s bank account no later than 7 July 2023.
 - g. “the Support” means the funds disbursed by the Authority to eligible recipients in accordance with the Guidance.
 - h. “the Scheme Guidance” means the Energy Bills Support Scheme: Alternative Funding Guidance for local authorities, which has been shared with local authorities.
 - i. “the Debt Recovery Guidance” the Energy Bills Support Scheme: Alternative Funding Debt Recovery Guidance for local authorities, which has been shared with local authorities.
 - j. “the Precedent Assignment Agreement” means a master assignment framework agreement between the Department and the Authority, whereby the Department will take an assignment of all of the Authority’s rights in respect of Support under this Scheme.
 - k. “Salesforce” means the digital central record management system supporting scheme delivery
2. The Grant is only paid to the Authority under the Grant Determination to support eligible expenditure and on the basis that the provision of Grant remains subject to the Secretary of State’s ongoing satisfaction that all grant usage by the Authority complies fully with these Grant Conditions.
3. The Authority must comply with the Scheme Guidance issued by the Department and subsequent guidance or information issued by the department relating to the Grant.
4. The Grant paid to an Authority under this Grant Determination may be used only in accordance with the Grant Determination Conditions and the Scheme Guidance.

Conditions / Funding Requirements

5. The Authority must:

- a. Complete pre-payment assurance checks for each application that is notified to the Authority by Salesforce in line with the Scheme Guidance to ensure recipients meet the eligibility criteria as set out in the Scheme Guidance.
- b. Comply with all obligations under all data protection laws, regulations and guidance, such as the Data Protection Act 2018 (DPA) in respect of this information and, to the extent that for the purposes of the Grant any personal data is shared, each party accepts that it will comply with its respective obligations in respect of the processing of such data.
- c. Fully comply with all mandated record keeping and provision of all data monitoring, assurance and reporting information in accordance with the Scheme Guidance.
- d. Pursue recovery action in line with the Debt Recovery Guidance on any payment of Support made by the Authority and identified as have been made in error, fraud or non-compliance in line with the Scheme Guidance
- e. Sign a Precedent Assignment Agreement between the Department and the Authority and return it to the Department no later than 31 May 2023, which assigns to the Department all causes of action in relation to a payment of Support that is identified as having been issued in error, fraud, or non-compliance. This is required as the Grant will be allocated to Authorities under Sections 13 and 15 of the Energy Prices Act 2022 and it will be the Authority who then administers the Grant as Support to each recipient, meaning any legal cause of action (in contract or otherwise) sits at the level of Authority to each recipient of Support.
- f. Use the reporting tools as set out in the Scheme Guidance at least weekly to enable live tracking of disbursement of the Support. For bulk uploads the data for each week must be uploaded by 12 noon on the following Monday, or Tuesday if the Monday is a public holiday.

Eligible expenditure

6. Eligible expenditure means payments made, or committed to, by the Authority or any person acting lawfully on behalf of the Authority, during the Grant Period, under the Scheme.
8. Unless the Secretary of State decides otherwise (for all Authorities or any one Authority), the Authority must determine eligibility in its area for assistance under the Scheme to deliver the Support in accordance with the Scheme Guidance.
9. In accordance with the New Burdens doctrine the government will conduct an assessment of the expected reasonable additional costs associated with the implementation of the policy, (including administration costs, software costs, the completion of post-payment assurance and reporting activity) which will be paid to each Authority.
10. The Scheme Guidance sets out who are eligible recipients for the scheme. Under no circumstances may the Grant be used to cover any expenditure outside of this.
11. The Authority must not deliberately incur liabilities for eligible expenditure before there is an operational need for it to do so.

Financial

12. Payments of the Grant to the Authority are made under section 13 of the Energy Prices Act 2022. The Authority will be responsible for delivering the Support to eligible recipients and for compliance with the Grant Conditions and the Scheme Guidance.

13. Where all or a portion of the Grant remains unspent at the end of the Grant Period following reconciliation by the Department, unspent Grant monies must be repaid to the Department within thirty (30) calendar days from the date on which the request for payment is sent.
14. Where Support is identified as having been issued in error, non-compliance or fraud, steps must be undertaken to report it to the Department in accordance with the Scheme Guidance and recover the amount in line with the published Debt Recovery Guidance.
15. If the Authority has any grounds for suspecting financial irregularity in the use of any Grant paid under this Determination, it must notify the Department immediately through the contact details provided in the Scheme Guidance, explain what steps are being taken to investigate the suspicion and keep the Department informed about the progress of the investigation. For these purposes “financial irregularity” includes fraud or other impropriety, mismanagement, and the use of grant for purposes other than those for which it was provided.
16. The Authority must maintain a sound system of internal governance and financial controls in relation to the Grant and delivery of the Support.

Records to be kept

17. The Authority must:
 - a. Maintain reliable, accessible and up to date accounting records with an adequate audit trail for all expenditure funded by Grant monies under this Determination for a minimum of 7 years from the date of award of the Grant to the Authority.
 - b. Fully comply with any data monitoring requirements and requests, as set out in the Scheme Guidance.
 - c. Information must be stored in accordance with all data protection law, regulations and guidance, such as the DPA and the UK General Data Protection Regulation (as defined in Section 3(10) of the DPA (UK GDPR)) and shared with the Department upon request, at all times in compliance with the UK GDPR and the DPA. The information will be used by the Department for monitoring and evaluation purposes, as well as for prevention and detection of fraud and/or other criminal activities and for suspension and/or recovery of the Grant where necessary. The Department may share information for the purpose of counter fraud activity and debt recovery with other government departments, agencies and/or local authorities.
18. The Authority and any person acting on behalf of the Authority must allow:
 - a. the Comptroller and Auditor General or appointed representatives, or
 - b. the Secretary of State or appointed representatives, free access at all reasonable times to all documents (including computerised documents and data) and other information as are connected to the grant, or to the purposes for which grant was used, subject to the provisions in paragraph 19.
19. The documents, data and information referred to in paragraph 18 include such which the Secretary of State or the Comptroller and Auditor General may reasonably require for the purposes of “spot checking” administrative costs or significant amounts paid under the Scheme or a financial audit of any department or other public body or for carrying out examinations into the economy, efficiency and effectiveness with which any department or other public body has used its resources. The Authority must provide such further explanations as are reasonably required for these purposes.

20. Paragraphs 18 and 19 do not constitute a requirement for the examination, certification or inspection of the accounts of the Authority by the Comptroller and Auditor General under section 6(3) of the National Audit Act 1983. The Secretary of State and Comptroller and Auditor General will seek access in a measured manner to minimise any burden on the Authority and will avoid duplication of effort by seeking and sharing information with local auditors.

Breach of Conditions and Recovery of Grant

21. If the Authority fails to comply with any of these Grant Conditions, the Secretary of State may reduce, suspend or withhold payments of the Grant or require the repayment of the whole or any part of the Grant, as may be determined by the Secretary of State and notified in writing to the Authority. Such sum as has been notified will immediately become repayable to the Secretary of State who may set off the sum against any future amount due to the Authority from central government.
22. If any overpayment or underpayment is made in relation to this Grant or any amount is paid in error the Secretary of State may reduce, suspend or withhold payments of the Grant or require the repayment of the whole or any part of the Grant, as may be determined by the Secretary of State and notified in writing to the Authority. Such sum as has been notified will immediately become repayable to the Secretary of State who may set off the sum against any future amount due to the Authority from central government.

General

23. The Department may vary the terms of this Scheme or suspend or close the Scheme with immediate effect, without notice and at any time, and require that undisbursed funds are returned to the Department within 30 days.
24. No amendment to the terms of these Grant Conditions will be effective unless and until agreed in writing by the Department.
