Subject Heading:

Application to vary a premises licence by
New Porky's, Unit 1 Manor Way Business
Centre, Marsh Way, Rainham RM13 8UG
Arthur Hunt – Licensing Officer
01708 432777
licensing@havering.gov.uk

Report Author and contact details:

This application for a variation to a premises licence is made by Mr Amrik Basi under section 34 of the Licensing Act 2003. The application was received by Havering's Licensing Authority on 22nd February 2013.

Geographical description of the area and description of the building

The premise is an industrial unit in the Manor Way Business Centre. This is part of the Fairview Industrial Park which is a privately owned industrial estate of some 60 acres to the south of the borough with over 100 businesses.

The industrial park has a manned security post with barrier control. It is zoned as industrial use; therefore access to members of the public is not encouraged by the estate management company. Some of the neighbouring businesses operate 24 hours a day, 7 days a week; therefore the park is continually busy with the movement of goods vehicles, some of which are articulated and in the Large Goods Vehicle (LGV) category.

There are no recognised public transport links to this venue. The nearest bus route terminates at the Centre for Engineering and Manufacturing Excellence (CEME), which is some 500 metres away. Rainham railway station is approximately 1.5 kilometres from the venue, whilst the closest London Underground station at Dagenham Heathway is approximately 3 kilometres away.

A plan of the estate and a map of the area are attached to assist the committee.

The premise is located on South Hornchurch Ward.

Details of the application

The times for licensable activity on the current licence are:-

Indoor Sporting events		
Day	Start	Finish
Monday to Thursday	10:00hrs	00:00hrs
Friday to Saturday	10:00hrs	01:00hrs

Live Music, Recorded Music, Performance of dance, Late Night Refreshment, Supply of Alcohol and Hours open to the public

Christmas Eve 10:00 hours – 07:00 hours
New Years Eve 10:00 hours – 07:00 hours

Comments and observations on the application

The applicant acted in accordance with premises licence regulations 25 and 26 relating to the advertising of the application. The required newspaper advertisement was installed in the 1st March 2013 edition of the Romford Recorder.

At the time of reporting, the annual fee for the current premises licence was due on the 10th March 2013 and had yet to be paid. Reminder letters were sent on the 15th February 2013 and 8th March 2013. Following changes to the Licensing Act 2003 on 25th April 2012, if the annual premises licence fee is not paid by the due date the local authority has the power to suspend the licence until payment is made. This suspension is due to occur on the 7th April 2013.

Summary

There were 4 valid representations against this application from interested parties.

There were 3 representations against this application from responsible authorities.

Details of representations

Valid representations may only address the following licensing objectives:

The prevention of crime and disorder
The prevention of public nuisance
The protection of children from harm
Public safety

Interested parties' representations

The first representation details instances of public nuisance and criminal activity by patrons of the venue being witnessed by staff employed to work on the Fairview Industrial Estate.

The second representation describes an incident of serious disorder occurring at the venue. Also a firework display being held by the venue, on an estate where several neighbouring properties have fuel or gas storage tanks at their premises; thus causing a risk to public safety.

The third representation describes first hand the public nuisance caused by the premises to its neighbours.

The fourth representation details complaints received from other occupants of the Manor Way Business Centre about public nuisance, disorder and public safety issues.

Responsible Authorities' representations

The Licensing Authority

The Licensing Authority has made representations on all four of the Licensing Objectives. The Authority mentions that the application failed to address the objectives in the section M of the application form, by stating "No Change" in each category. When, despite the licensee having been warned of a Licensing Visit in anticipation of a licensing sub committee hearing, it was evident that the premises are failing to comply with the conditions on its current licence.

Planning Control & Enforcement

Havering's Planning Enforcement state that their records indicate that the premises only has planning authority for Café/Restaurant (Class A3) not a Drinking Establishment (Class A4). This apparent breach of planning control is under investigation.

The Metropolitan Police

The representation details incidents of disorder and police attendance at the premises, including evidence of the licence holder failing to comply with the conditions on the current premises licence.

There were no representations from the following responsible authorities:

Public Health
The London Fire and Emergency Planning Authority
The Health & Safety Enforcing Authority
The Trading Standards Service
Children & Families Service

Personal licence number and issuing authority of personal licence held by designated premises supervisor where the premises licence authorises for the supply of alcohol

1918 – London Borough of Havering

Mandatory conditions

1. **No supply of alcohol may be made under the Premises Licence -**
 - (a) **at a time when there is no Designated Premises Supervisor in respect of the Premises Licence, or**
 - (b) **at a time when the Designated Premises Supervisor does not hold a Personal Licence or his Personal Licence is suspended.**
2. **Every supply of alcohol under the Premises Licence must be made or authorised by a person who holds a Personal Licence.**
3. (1) **The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.**

2 of 7

Mandatory conditions – contd.

- (2) In this paragraph, an irresponsible promotion means any one or more of the following : activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children –
- (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to –
 - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
 - (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;
 - (d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on–
 - (i) the outcome of a race, competition or other event or process, or
 - (ii) the likelihood of anything occurring or not occurring;
 - (e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
4. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
5. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
6. The responsible person shall ensure that –
- (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures –
 - (i) beer or cider: ½ pint;
 - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
 - (iii) still wine in a glass: 125 ml; and
 - (b) customers are made aware of the availability of these measures.

Mandatory conditions – contd.

7. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.
(2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.
8. If at specified times one or more individuals must be at the premises to carry out a security activity each such individual must be licensed by the Security Industry Authority.

Annex 2 – Conditions consistent with the operating schedule

1. The CCTV system shall be in operation at the premises at all times when the premises is used for licensable activity. Recorded images shall be kept for twenty-eight days and be made available for inspection by Police and Council officers at all reasonable times.
2. Staff shall be trained with regard to the prevention of crime and disorder, public safety, the premises' anti-drug policy and first aid.
3. Clear signage shall be displayed on the premises relating to under-age drinking, the unlawful use of drugs and the admission of children to the premises.
4. A premises' representative shall attend Havering's 'Pubwatch' meetings.
5. The premises shall stock low-alcoholic drinks and non-alcoholic drinks.
6. Risk assessments in relation to public safety and the prevention of public nuisance shall be carried out at regular intervals.
7. The premises licence holder shall ensure that premises' customers and the general public are made aware that they shall be automatically barred from the premises if found to be causing a nuisance.
8. No children shall be admitted to the premises after 14:00 under any circumstances.
9. Children may be admitted to the premises between the hours of 11:00 and 14:00 when accompanied by a responsible adult.
10. The premises shall have blinds installed to prevent individuals outside the premises viewing the inside of the premises.
11. All staff shall be suitably trained for their job function for the premise. The training shall be written into a programme, ongoing and under constant review, and must be available to a relevant Responsible Authority when called upon.
12. A premises daily register shall be kept at the premises. This register shall be maintained and kept for a minimum of twelve months. This register should record the name of the person responsible for the premises on each given day. The premises daily register shall record all calls made to the premises where there is a complaint made by a resident or neighbour of noise, nuisance or anti-social behaviour by persons attending or leaving the premises. This shall record the details of the caller, the time and date of the call and the time and date of the incident about which the call is made and any actions taken to deal with the call. The premises daily register shall be readily available for inspection by an authorised person throughout the trading hours of the premises. The premises daily register shall also record all incidents in relation to the use of any force by staff or door supervisors in the removal of persons from the premises. It shall record the time and date of the occurrence, name or brief description of the person removed and details of the staff involved. 4 of 7

Annex 2 – Conditions consistent with the operating schedule – contd.

13. All door supervisors shall enter their full details in the premises daily register at the commencement of work. This shall record their full name, home address, contact telephone number, the door supervisor's SIA registration number and the time they commenced and concluded working. If the door supervisor was supplied by an agency details of that agency shall also be recorded including the name of the agency, the registered business address and a contact telephone number.
14. The premises licence holder shall supply to the Police a written risk assessment detailing the maximum capacity figure which shall include all staff and entertainers the applicant intends to permit on the premises at any given time.
15. Drinks shall be served in containers made from toughened glass (tempered glassware). *Note: Weights and Measures legislation requires the use of 'stamped glasses' where 'meter-measuring equipment' is not is use.*
16. The premises licence holder shall implement a written drugs policy. This shall detail the strategies to minimise the use and supply of illegal drugs within the premises. The drugs policy shall include a structured training programme covering the issues relevant to the misuse of drugs in relation to licensed premises which shall be delivered to all staff. This policy shall be approved in writing by Havering DAAT.
17. The designated premises supervisor shall hold a Certificate of Drugs Awareness qualification run by the BII or Havering DAAT.
18. All staff shall be trained in dealing with persons who are incapacitated through the use of drugs or the combined effects of drugs and alcohol.
19. A properly specified and fully operational CCTV system shall be installed or the existing system maintained to a satisfactory standard. The system shall incorporate a camera covering each of the entrance doors and be capable of providing an image which is regarded as 'identification standard' of all persons entering and/or leaving the premises. All other areas of risk identified in the Operational Requirement shall have coverage appropriate to the risk.
20. The installation or upgrading of any CCTV system shall comply with current best practice. In addition the documentation listed below shall be included in a 'System File' which should be readily available for inspection by the relevant authority;
 - Site plan showing position of cameras and their field of view.
 - Code of Practice.
 - Performance specification e.g. storage capacity, image file size, IPS for each camera and purpose of each camera position.
 - Operational requirement.
 - Incident log.
 - Maintenance records including weekly visual checks.
21. To obtain a clear head and shoulders image of every person entering the premises on the CCTV system persons entering the premises should be asked to remove headwear unless worn as part of religious observance.

Annex 2 – Conditions consistent with the operating schedule – contd.

22. The CCTV system shall incorporate a recording facility and all recordings shall be securely stored for a minimum of one calendar month. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity. For premises using a video recording system, the cassette tapes shall be used on no more than 12 occasions to maintain the quality of the recorded image.
23. The positions of all CCTV cameras shall be clearly shown on a set of plans which should form part of the 'System File'. Any alteration to the system should only be carried out after consultation with and written approval of Havering Police and the Licensing Authority.
24. An adequate and appropriate supply of first aid equipment and materials shall be available on the premises.
25. At least one trained first-aider shall be on duty when the public are present.
26. Notices detailing the availability of first aid equipment shall be prominently displayed and shall be protected from damage or deterioration.
27. All members of staff at the premises shall seek "credible photographic proof of age evidence" from any person who appears to be under the age of twenty-one years and who is seeking access to the premises or is seeking to purchase or consume alcohol on the premises. Such credible evidence, which shall include a photograph of the customer, will include a passport, photographic driving licence, or Proof of Age card carrying a "PASS" logo.
28. The premises licence holder shall adopt and support the 'Challenge 21' scheme and accept passport and photographic driving licence identification.
29. SIA registered door supervisors shall be employed whenever the premises remains open for licensable activity after 23:00. The downstairs restaurant/bar area is subject to an ongoing and continuous risk assessment with regard to the use of door supervisors in partnership with the Police and Local Authority. The aforementioned use of door supervisors is a requirement for the upstairs area.
30. The premises licence holder shall implement a written dispersal policy to move customers from the premises and the immediate vicinity in such a way as to cause minimum disturbance or nuisance to neighbours both residential and business and to make the minimum impact upon the neighbourhood in relation to potential nuisance, antisocial behaviour, crime and disorder. The policy shall be approved in writing by the Licensing Authority.
31. Premises' management shall ensure that patrons are in a suitable condition to travel safely from the venue. This policy may be highlighted by displaying appropriate notices to patrons on leaving the premises.
32. A capacity limit of sixty persons shall be adhered to on the first floor until such times the LFEPA provide written instructions amending the limit.
33. The premises licence holder shall ensure sufficient numbers of staff are on duty at all times on the ground and first floor when in use.
34. The premises licence holder shall ensure the fire alarm and detection systems are fully functional at all times.
35. The premises licence holder shall comply fully with the Enforcement Notice issued by the LFEPA by 16th December 2010.

Interview Tips - Be Prepared

This is your chance to excel, if your CV is out of date and poorly presented, or irrelevant to the position for which you are applying, you're unlikely to get an interview.

The perception is that your CV is the one document you're likely to spend a lot of time on - and if you can't get that right, then what does that tell your potential employer about the quality of any other work you might do?

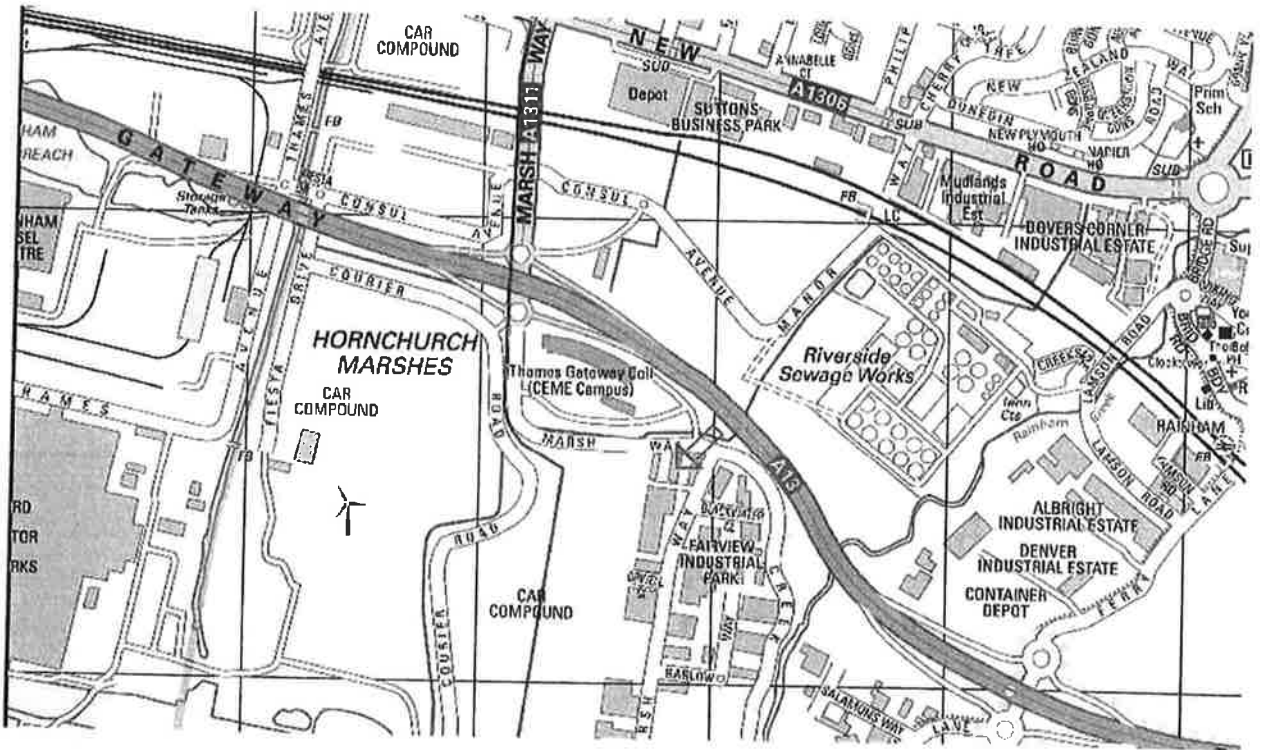

Similarly, if you don't prepare for an interview, what does that say about how you are likely to prepare for presentations, reports, or whatever it is that the job entails.

There are added advantages to preparing. It calms nerves and gives you confidence.

Ref PPC/012564

Licensing Act 2003 Vary Premises Licence Application.

New Porkys Unit 1 Manor Way Business Centre Marsh Way Rainham Essex
RM13 8UG,

Dear Sir/Madam.

I write regarding the above mentioned Licence Application and state the following objections:.

As the director of the security company currently employed to secure and patrol the Fairview Ind Estate i strongly contest the application. I would state that since the venue has been sub-let to a local promoter, approx. July 2012, we have had to deal with numerous problems with people fighting outside the club, people stopping our mobile patrols to call police after altercations, regular fights between patrons, and rubbish, disregarded bottles and used condoms, that my guards have to walk over to get to the patrol points around this property.

The Estate Management Company have also had numerous complaints, both verbally and in writing from adjoining units about people urinating up their buildings and cars and also damage to the surrounding units and property. My own security guards have been racially abused, and we have had over a hundred extra vehicles entering the estate throughout the night till six in the morning parking and dropping off and collecting people visiting the club.

Several times our barriers have been hit by the vehicles of drunken patrons leaving the club, long after the present official closing time. We are also aware and have been witness to several crashes that have occurred after inebriated patrons have left the club, outside in Marsh way and on the A1306.

I have several specific security incident reports on file appertaining to these events that have been passed to the managing agents of the estate alongside those documented weekly by my Security Personnel that i will gladly forward if required to substantiate my objections.

I look forward to receiving your comments.

Best Regards
Mark White

For the attention of Mr Paul Campbell

Dear Mr Campbell,

Licensing Act 2003 – Vary Premises Licence Application
New Porkys, unit 1 Manor Way Business Centre, Marsh way Rainham RM13 8UG

We confirm that we own the Management interest of the Fairview Industrial park, which is in excess of 60 acres in size and houses approximately 100 businesses. Therefore, the estate is extremely busy. Some businesses work 24/7, with a continuous movement of heavy goods vehicles. The estate is zoned industrial, therefore access to members of the public is not encouraged!

The estate benefits from a security gatehouse at the entrance to the estate, controlled by a barrier system. We understand that on some occasions up to 200 cars attend the above venue, which causes congestion/hold ups for other estate users. We have received reports from the estate's security that attendees to the venue are often abusive to the static guards, as it is part of the static guard's brief to ask all vehicles entering the estate their intended destination.

We enclose four security incident reports that have arisen as a direct result of New Porkys current late licence, and they have been open less than one year. .

Friday 7th December 2012 – 02.49 hours
Serious road accident involving a taxi on its way to New Porkys, which resulted in Marsh Way being closed.

Sunday 9th December 2012
Impact damage to estate barrier – the vehicle went on to cause further damage/accident

Monday 31st December 2012 (New Years eve). – 02.55 and 04.35 hours
A firework display was held outside New Porkys. The estate was concerned as many businesses have on site fuel tanks/propane gas storage tanks. Also, Flogas is based on the estate and we consider this to be a huge hazardous risk.

Monday 16th February 2013 -- 05.30 hours

A serious fight broke out, which required police attendance.

The Fairview Industrial Park is considered to be one of the most prestigious, private estates in Havering and we enclose a copy of the estate's brochure accordingly.

We consider the current licence status has already had a serious detrimental effect on the estate's image/reputation and has seriously compromised our level of security/safety, so we strongly object to the current licence and to the proposed application to vary the licence.

Yours sincerely
for Racefold Limited

Miss M. Dixon

SECURITY REPORTS

02.49. Fri morn 07/12/12

On returning to Fairview I noticed several blue police car lights flashing. (3) in total & 1 ambulance,

I parked my patrol car, & went to a police men to see what had happened. 2 cars have hit each other head on. BMW reg M860 GUA, & Peugeot 406 reg KR05 JOH

Peugeot was heading towards Club,
(taxi driver)
passenger Peugeot unable to move.

BMW coming from Fv is to blame on wrong side of the road. Polish driver from R n H (F I L) yard

Police decided to call fire brigade to remove passenger, From Peugeot

Myself (Mark LRB) &
Kane (Fv mobile) on site

1 patrol car each entrance with Amber lights flashing diverting cars only via CME centre

Fire engines on Marsh Way 03:05

Road reopen 03:30
Police off site 03:47

Due to cars on blind corner, both patrols now parked front and back of smashed cars, as in dangerous blind spot. Asked by police to assist they replied we too busy

Peugeot recovered 03:36
BMW recovered 04:59

Road debris swept by us, & left on bank, all clear 05:07

Mark
LRB

Sunday 9th December 2012 time 04.34

A silver car BK52 VMT hit the out barrier bent it slightly
The car came from porkys night club Then drove off at speed
LRB patrol was informed of had what had happen
LRB on my patrol noticed a car had smashed in to the railing & traffic lights over the bridge to the old A13 (Near Esso garage)
The reg was the same one that was reported to me by Fairview security guard
The Ambulance & police had been called were on they way

Sent: 01 January 2013 19:08
To: kevin@securityprojectsltd.co.uk
Subject: Fire works FV 31/12/12

Night club Fairview at 23:30 approx 5 cars on site. Most of the cars arrived 02:00 onwards.

When I finished shift there were still cars & taxis arriving 07:10 On the night including taxis 114 cars arrived on Fairview.

Fireworks

Fireworks were let off at 02:55. Approx 5 mins in car park next to NYK

At 04:35

Fireworks were again let off approx 10 mins, rockets were let off also by approach slope to Manor Pk. Video recorded opposite car park in Blackwater Close bottom of Anglia.

I sat there nearly 1 hour as noticed few people staggering around & didn't want them walking around estate.

Whilst driving around just after 06:00

Around Manor business, I noticed several men urinating on shutters / Sportech Ect car park Walls not pleasant for companies on site

The police closed the road off

Last night LRB & Fairview patrols did excellent job last night by escorting traffic through CME centre so the businesses were not affected on the Estate

Driver were Kane White & Mark Leonard (supervisor)

16 February 2013 time 05:30

I arrived back at Fairview gates house at about 05.30 in the morning

I heard a woman screaming running down the hill towards the gates house

Shouting help me they going to kill my husband

I went with the woman towards porky night club where there was about eight to ten men fighting some with there shirts off

The women had already called the police

The three police cars turned up the fighting stopped they got in to their taxis & cars cleared off

The police did asked me what time did the club shut I said you have to ask the club owners

Police where not happy

For the attention of Mr Paul Campbell

15th March 2013

Dear Mr Campbell,

Licensing Act 2003 – Vary Premises Licence Application
New Porkys, Unit 1 Manor Way Business Centre, Marsh way Rainham RM13 8UG

We confirm that we own the freehold interest of the Manor Way Business Centre, which comprises of 19 small industrial units.

We object to the above application for the following reasons:-

Complaints from other tenants regarding urination, broken bottles, rubbish, used condoms (human waste) outside their premises. Members of the public wandering around the business centre (one individual actually inside a 24/7 bakery operation). One adjacent tenant has already withheld rent monies and is threatening to terminate his lease following numerous incidents observed on cctv including damage to a vehicle.

I have been informed that up to 200 vehicles have been attending the venue, and presumably have been parking in areas reserved for other unit occupants.. On occasions the security mobile patrol is unable to gain access to the business centre to carry out his security checks. Most of the 200 cars carry 2/3 people, so we are conscious of the issue of overcrowding. Unit 1 has 3 allocated parking spaces at the front of the unit and a small car park with 14 spaces. We intend to fence off the parking areas that are allocated to other units to protect the property and the interests of those occupiers which will mean that all these cars will be unable to park at Manor Way Business Centre or on the Fairview Industrial Park (which has a strict no parking policy) and will therefore cause a hazard on surrounding roads.

We are also aware of fights at the premises and of drunk patrons causing damage on other areas of the Fairview Industrial Park.

We understand the current Licence is a 03.00 hour finish? Although attendees are often on site until gone 05.00 hours and we have been informed that on occasion many vehicles have arrived after 4am and it is only in recent weeks, presumably for the purposes of this application, that any regard seems to have been paid to the existing license hours.

We would also take this opportunity to formal complaint with respect to the existing licence which we feel is totally unsuitable and urge the council to reconsider revoking the extended hours licence all together.

Yours sincerely
for Demiland Limited

Dear Sir

Reference PPC/012564
New Porkys Unit 1 Manor Way Business Centre Marsh Way Rainham RM13 8UG

We wish to object to the proposed variation to premises licence application for the above named venue on the following grounds:

Since the venue was granted a late licence we have constantly suffered from their patrons using the doorway and roller shutter entrances to our unit and company vehicles has a public convenience. This is predominately during the time in which the people are exiting the venue and waiting for taxis or going back to their own vehicles.

It is completely unacceptable for us to have to open our shutters to gain entrance to our unit knowing that some person as urinated on it.

We also object to the fact that the venue until very recently the venue was closing its doors later and later and that a lot of people were leaving the venue between 4.30 am and 6 am and sometime later still. On a weekday and regularly on a Saturday our unit generally opens between 6.30 am and 7am and I don't want our staff to have to encounter patrons leaving Porkys's in a possible state of inebriation with any public disorder problems which may result.

In theory and sometimes in practice we require 24 hour access to our unit and thou rare it has happened. We are concerned that should we require access when the venue is open it would be difficult to park our vehicles outside our unit due to the volume of parked cars in and around our area. We have noted on some occasions access to our estate entrance blocked by parked vehicles of patrons frequenting the venue.

Fire Alarm Solutions Ltd

Tel: 01708 521 161
Fax: 01708 521 162

We no longer park any company owned vehicles outside our premises at night from Thursday to Monday due to the fact that we may have them damaged again as happened once when there was an altercation outside the venue which spilled over to our boundary. In the interests of fairness when the licensee was made aware of the damage he offered to pay for it to be rectified.

We have numerous instances captured on our CCTV system which verify all of the above and the licensee has been shown footage and made aware of our concerns.

I believe the licensee is sympathetic to our problems and accepts that as the nearest neighbour to the venue we probably suffer disproportionately high instances of anti-social behaviour but seems unable to find an acceptable solution.

Yours faithfully

Fire Alarm Solutions Ltd

Representations re Application for Variation of a Premises Licence (Licensing Act 2003) at UNIT 1 Manor Way, Marsh Way, Rainham

The London Borough of Havering's Planning Service, being a responsible authority as set out in the Licensing Act 2003, wishes to make representations against the above premises in relation to a variation to the Premises Licence.

This relates to

1. Public Safety
2. Crime and Public Order and
3. Prevention of Public Nuisance.

Relevant Planning History.

The Planning Service can find no record of a planning permission for these premises to be used as a Drinking Establishment, within class A4 or a Nightclub within a sui generis class of the Town and Country Planning Act.

The applicant has been written to regarding that aspect and I await a response. (see letter attached)

The last planning application that is recorded at the Planning Office is reference P0717.91 which is a Change of use to Café/Restaurant to serve Industrial Estate . (see attached decision)

The Planning Service therefore has no control over the premises including, parking spaces within the unit. If persons enter and use the estate with motor vehicles other than for commercial use and visit an unauthorised the licensed premises and park such vehicles this may effect the smooth running of the estate which is for the purpose of industry .

The estate is not serviced by public transport and there would be an increase in private vehicles entering the estate which in the main is for goods vehicles some of which in in the HGV class.

There is also likely to be an increase in road traffic accidents, road traffic offences, altercations and conflict between different types of road users.

I therefore ask that the Licensing Committee consider this as a valid objection and at the very least advise that this application be deferred until all Planning matters are resolved.

APPLICATION NO: P0717.91

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

Proposal: Change of use to Cafe/Restaura nt to serve industrial estate (revised plans received 14/06/ 91)

Location: Manor Way Business Centre
Unit 1
Manor Way Industrial Estate
Manor Way, Rainham

subject to compliance with the following condition(s):

- 1 The development to which this permission relates must be commenced not later than five years from the date of this permission.

Reason-

To comply with the requirements of Section 91 of the Town and Country Plann Act 1990.

- 2 Before the use hereby permitted is first commenced, the area set aside for parking shall be laid out and surfaced to the satisfaction of the Local Planning Authority and retained permanently thereafter for the accommodatio of vehicles visiting the site and shall not be used for any other purpose.

Reason-

To ensure that car parking accommodation is made permanently available to serve the use to the standards adopted by the Local Planning Authority, to prevent the obstruction of estate roads by parked vehicles and to ensure th the parking spaces provided within the Manor Way Business Centre are avalla to serve the industrial and warehousing units within that development.

- 3** The parking area proposed to be provided to serve this use as shown on the approved plan No. 1.AB, shall be clearly signposted by means of signs placed outside the cafeteria and at the parking area, details of which, including their design, size and precise siting, shall be submitted to and agreed in writing prior to the commencement of any works at the site, the agreed scheme to be implemented prior to the cafeteria use hereby permitted being first commenced.

Reason-

To ensure that vehicles are not parked on the estate roads and that the parking spaces provided within the Manor Way Business Centre are available to serve the industrial and warehousing units within that development.

- 4** A scheme for the effective control of fumes and odours from the premises shall be submitted to, and approved in writing, by the Local Planning Authority before the development commences and the scheme shall be implemented in full before the use commences or within such extended period as shall have been agreed in writing by the Local Planning Authority.

Reason-

In the interests of the amenities of the area.

INFORMATIVE(S)

1. INFORMATIVE

The applicant's attention is drawn to precautions taken in the construction of this building against methane gas leakage. The floor should not therefore be punctured by any works or fittings without consultation first being carried out with the Borough Engineer and Surveyor (Building Control Section).

Romford RM1 3SL

IMPORTANT - attention is drawn to the notes overleaf

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 7th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary, it is not the practice to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) will be required.

Dear Mr Basi,

PORKYS, UNIT1 ,Manor Business Centre, Marsh Way ,Rainham

This Service is currently investigating an alleged breach of Planning control at this site. It is alleged that a Drinking Establishment (Class A4) is operating from that site without the benefit of planning consent.

I have checked the Planning history of the site and can find no evidence of a change of use of the premises from a Café/Restaurant to a drinking establishment. The last planning application that I can find is P 0717.91, this was granted in August 1991 with Conditions.

I am therefore interested as to your view of the current planning permission and how and since when the premises have operated without the benefit of a current planning application?

I ask that you respond to me in writing within 7 days of the date of this letter.

I trust that you will respond as a matter of urgency.

Yours sincerely

Simon Thelwell

Our ref: New Porkys variation 12564
19 March 2013

Police wish to make objections to the application to vary the premise licence of New Porky's Unit 1 Manor Way, Business centre Marsh Way, Rainham RM13 8UG.

The police believe that granting the premise licence variation would undermine the crime and disorder and public safety licensing objectives.

Police have received information via crime stoppers regarding the sale of alcohol outside of the licensed hours. This information is further supported by police being called to the premises on 10th December 2012 at 0415hrs regarding a disturbance, on 31st December 2012 at 0625hrs regarding noise disturbance and again on the 19th January 2013 regarding an allegation of assault involving the door staff at 0320hrs. Police have also received information that customers are often known to drive from the premises under the influence of alcohol.

The local Safer Neighbourhood team have been made aware of complaints of people leaving New Porky's and urinating on nearby premises and an increase of litter from discarded plastic cups.

On 24th February 2013 0450hrs I conducted a licensing visit. I saw vehicles double parked on the carriageway to the side entrance causing an obstruction. The car park directly outside the front entrance was again filled to capacity with vehicles double parked. I observed drivers of vehicles remonstrating with each other in order to manoeuvre their vehicles. I believe that London Fire Brigade and London Ambulance would have difficulty gaining vehicular access in the case of an emergency. This presents a public safety issue to persons within the premise and indeed other users of the industrial estate.

There were approximately 15 people queuing to gain access to the front of the premise. I observed them pushing towards the singular door, trying to get past the door supervisor. I spoke to the door supervisor who did not hold an SIA badge who confirmed that the premise usually stays open until 0500hrs. There were other members of staff within the lobby area, some of which held SIA badges.

The music was still playing and could be heard from outside.

I spoke to Richard Spooner the manager of the premises. I highlighted the following concerns.

- 1) Licensable activity was being conducted past the licensed hours of 0300 finish.
- 2) One door supervisor controlling the front door was insufficient given the nature of those in the queue.
- 3) Front door supervisor had no means of keeping count of the number of customers entering / exiting the premise. This carries risk of exceeding the maximum capacity.
- 4) All door supervisors must be licensed by the Security Industry Authority.
- 5) The side entrance which provides a smoking area is unsupervised and vulnerable to customers entering unnoticed which again provides risk to capacity issues.
- 6) The SIA log produced by Mr Spooner was inadequate. It was a note pad with perforated sleeves. The only record made was forenames recorded on the corner of the page.

I conducted a second licensing visit on Sunday 17th March at 0330 hours and again spoke with Richard Spooner. The premise was closed although there were a number of people on the premise who Mr Spooner stated were staff members. During the conversation Mr Spooner admitted one of the reasons for the application to extend hours was due to the difficulty of closing the premise at the current licensable hours as customers often refused to leave. This is a management issue which I believe highlights a lack of control of the premise.

Due to all of the above information concerning the premise, I am considering a licence review for this premise.

Police could not support such an application; it does not support any of the licensing objectives and is clearly a risk to public safety.

If I can be of any further assistance in this matter please do not hesitate to contact me in the licensing office.

Yours sincerely,

Maxine Blackledge

My Reference: PPC/012564

New Porky's, Unit 1, Manor Way Business Centre, Marsh Way, Rainham, RM13 8UG

As a responsible authority within the definitions of this Act this Licensing Authority makes representation against the application for a premises licence at the premises detailed above.

My objection to the application is based on the four licensing objectives, the premises has **Crime and Disorder** matters already directly related to it there has been reports of fights at the premises, the premises have been illegally operating outside of their licensed times, licensing conditions on the Premises Licence have not been kept to, vehicles leaving the premise have been involved in accidents and drink driving. – If the premises are permitted to open for longer hours the customers will consume more alcohol and the possibility of further crime and disorder is increased **Public Safety** persons that have been drinking at the premises have been found wandering around the industrial estate where vehicle and commercial equipment is being used. – at a later finish time more units on the industrial estate that start early will be open and working and more equipment will be being used. **Public Nuisance** There have been reports of customers of the venue urinating against the doorways of neighbouring units also of customers going into other business premises – a later finish time would increase the likelihood of happening again as more premises would be open. **Protection of Children** under the Licensing Act 2003 a child is a person under 18 years – with a later finish time a young person working at a neighbouring premises could be starting his days work by encountering persons leaving New Porky's after a night of drinking and the problems that may cause.

The applicant has made no reference in the application to

- Minimum staffing levels for the later hour,
- How they propose to deal with late comers to the venue who may already be under the influence of alcohol.
- If there is an incident how they will deal with it,
- If there will be a searching policy at the premises
- What they will do with any illegal items seized
- How they will deal with parking on the estate to the later hour where persons arriving for an early start at work will need access.

Public Protection Bringing together Environmental Health & Trading Standards

- How they will restrict the number of persons to the first floor.
- How will they try to prevent persons driving if they have had too much to drink
- How will they try to prevent their customers wandering around the estate
- What additional procedures they will put into place to prevent Crime and Disorder
- What extra measures they will take to promote Public Safety
- How they will prevent Public Nuisance at the later finish time
- How they will maintain the Protection for Children

All of these and more are just good management and need to be in place at all times.

The applicant makes the point that they feel there is no need for any further measures to be put into place for New Porky's to run to a later time.

The premises is situated on a business industrial estate, the only reasonable access to it is by car or taxi, there is no public transport to the area at the later time.

If granted the later hours it is reasonable to expect customers to consume more alcohol as this is how they will make money. A person leaving the premises at or past 5am after drinking, find themselves in a business park where lorries and other vehicles are moving around.

To get off the estate without a vehicle needs the person to walk along a road which large vehicles use and has marsh land to one side. All of this is dangerous.

The premises are very near the boundary for Havering and Dagenham any support from the police in the event of a problem could be some time in arriving, this is not mentioned in the application or in any plans they put forward to contain this and has no reference to their duty to customers.

The London Borough of Havering Statement of Licensing Policy states in section 3 that the finish time for regulated activity in mixed use areas is 00.30hrs this application goes far beyond that time.

I bring the Sub-Committee's attention to item 4.5 of the Licensing Policy which states "It is the intention of the LLA to permit licensing hours which enhance the development of a thriving and safe evening and night-time economy" –

This premise is not keeping to its current licence conditions, it is not taking public safety seriously, it is already causing problems to the police and others, it has put no actions forward to make their premises safer or enhance anything to the community, it is only so they can stay open longer to sell more drinks and when people leave any problems are not at their premises.

This application does not mention anything about a responsibility to address the licensing objectives and the applicant seems to fail to understand that this premises open to a later time will have any impact on other premises and people around them. .

These premises were in the first instance a café for the use of the industrial estate, late alcohol was introduced for the benefit of lorry drivers sleeping in their cabs when parked on the estate overnight since that time the premises have changed and although a café during the daytime is a night club during the evening.

Public Protection Bringing together Environmental Health & Trading Standards

To assist the Sub-Committee and to see if I could support this application in any way I carried out an inspection of the premises. On Friday 8th March 2013 I telephoned the premises and informed them that I would be carrying out an inspection at the premises on the morning of Monday 11th March 2013 and that I would be reporting my findings to the Licensing Sub-Committee at a future hearing.

As I had informed the premises that I would be making an inspection I was expecting all things to be in order and to be presented to me. I spoke to the manager (Mr Spooner) we discussed the licensed times and the recent police inspection at the premises, he admitted to me that the premises were open past their finish times when the police attended, a reason for this was not given to me.

I went through with him each Mandatory Condition on the licence and was given the assurance that all of these are adhered to.

Licence conditions (starting on page 4 of 7 of the Premises licence)

1. A CCTV is in operation at the premises and appears to be of a good standard
2. I was told that staff are trained regularly but no training records could be produced.
3. Correct – Challenge 21 signage is displayed at the premises
4. The licence holder has not attended the Pubwatch meetings but they may not have been informed of the dates.
5. Correct – Soft drinks are available.
6. The manager could not tell me of any risk assessments taken out at the premises.
7. I was told that door staff inform persons of this.
8. Correct – Children – this was a condition of the licence that the manager wishes to remove or alter but no reference to this is made in the application.
9. Correct – Children – this was a condition of the licence that the manager wishes to remove or alter but no reference to this is made in the application.
10. Correct – Vision – the premises can not be viewed from outside
11. Training – I was told this was taking place but no training records could be produced.
12. Daily Register – There was no daily register in place at the premises the manager and I discussed at length how this can be done.
13. There was some records of door supervisors in a separate book but did not cover the previous year.
14. Police risk assessment – There was no record that this had been done.
15. Toughened Glass – The glassware behind the bar was not toughened glass.
16. Drugs policy – There was no record that this had been done.
17. Drugs Awareness Qualification – There was no record that this had been done.
18. Training – I was told that this had been done but no training records were available.
19. Correct – CCTV this appeared to be of a good standard.
20. Correct – CCTV this appeared to be of a good standard.
21. Correct – CCTV a camera was positioned by the entrance used by customers.
22. Correct – CCTV this appeared to be of a good standard.
23. CCTV – There was no systems file showing the position of the CCTV cameras.
24. Correct – Full first aid equipment was available.
25. First Aider on site – I was told that there was a qualified person on site when open to the public.
26. Correct – Notices relating to first aid equipment were on display.
27. Age – I was told this was done when the premises is open.
28. Correct – Challenge 21 signs were displayed.
29. SIA – I was told that SIA door staff were employed when the premises were open at night.

Public Protection Bringing together Environmental Health & Trading Standards

30. Dispersal policy – No policy was available for me to inspect.
31. Travel safety – Signs were in position and I was told that staff also remind people when leaving.
32. Capacity limit – The manager told me that this limit was not kept to and could not produce any alteration from the Fire Service to alter the limit of 60 persons on the first floor.
33. Number of staff – I was told that the correct amount of staff were employed at the premises.
34. Correct – Fire alarm – I was told that this was checked on a regular basis.
35. LFEPA enforcement notice – This was issued in 2010 I have no records in relation to this matter.

The premises are not operating to the conditions that are on their current licence three of these are high risk for Crime and Disorder –

- Condition 12 – Daily register – this is good practice for any business and especially one involved in alcohol and entertainment. A daily register has not been kept at the premises. No record of complaints has been kept, no record of who was in control of the premises at any date and time, no records of door supervisors removing persons from the premises has been kept. Without this record it seriously restrict the police investigating any crime or a responsible authority following up a complaint or investigation.
- Condition 15 – Drinks all be served in toughened glass – All late night premises serving alcohol in Romford Town Centre use toughened glass or similar this has drastically reduced the incidents of serious injury being caused by glass – all the glasses in the upper floor bar of New Porky's had the potential to be used as a weapon and to cause serious injury.
- Condition 32 – Capacity limit of 60 persons on the first floor – This has not been kept to by the premises, the licence holder has not contacted the Fire Service to alter the number and no reference to it has been made on this application.

The following conditions on the licence 2, 4, 6, 11, 13, 14, 16, 17, 18, 23, 25 and 30 all need to be fully in place and / or improved for the current licence to be considered as an acceptable level.

This is not a well run premises, it has become a late night drinking venue with little regard to its current licensing conditions, I have serious concerns over their record keeping relating to assisting the police and other authorities if an incident occurs. Public safety is at risk because of their failure to change to toughened glass allowing potential weapons to be readily available. The licence holder has not kept to the limit placed on the upper floor by the Fire Service or made any attempt to alter it with them.

Therefore I can not support in any way and I urge the Sub-Committee to refuse the application
