

HEALTH & WELLBEING BOARD

Subject Heading:	Arnold's Field Health Risk Assessment
Board Lead:	Mark Ansell, Director of Public Health
Report Author and contact details:	Luke Squires (Public Health Practitioner) Luke.TSquires@havering.gov.uk

The subject matter of this report deals with the following themes of the Health and Wellbeing Strategy

<input type="checkbox"/>	<p>The wider determinants of health</p> <ul style="list-style-type: none"> • Increase employment of people with health problems or disabilities • Develop the Council and NHS Trusts as anchor institutions that consciously seek to maximise the health and wellbeing benefit to residents of everything they do. • Prevent homelessness and minimise the harm caused to those affected, particularly rough sleepers and consequent impacts on the health and social care system.
<input type="checkbox"/>	<p>Lifestyles and behaviours</p> <ul style="list-style-type: none"> • The prevention of obesity • Further reduce the prevalence of smoking across the borough and particularly in disadvantaged communities and by vulnerable groups • Strengthen early years providers, schools and colleges as health improving settings
<input type="checkbox"/>	<p>The communities and places we live in</p> <ul style="list-style-type: none"> • Realising the benefits of regeneration for the health of local residents and the health and social care services available to them • Targeted multidisciplinary working with people who, because of their life experiences, currently make frequent contact with a range of statutory services that are unable to fully resolve their underlying problem.
<input type="checkbox"/>	<p>Local health and social care services</p> <ul style="list-style-type: none"> • Development of integrated health, housing and social care services at locality level.
<input type="checkbox"/>	<p>BHR Integrated Care Partnership Board Transformation Board</p> <ul style="list-style-type: none"> • Older people and frailty and end of life Cancer • Long term conditions Primary Care • Children and young people Accident and Emergency Delivery Board • Mental health Transforming Care Programme Board • Planned Care

SUMMARY

The presentation summarises the health risk assessment being undertaken by the Council in response to recurrent fires at Arnolds Field off Launderers Lane in Rainham.

RECOMMENDATIONS

To receive the findings of the health risk assessment at a future date.

REPORT DETAIL

See presentation attached

IMPLICATIONS AND RISKS

There are no risks arising from the health risk assessment itself. The findings of the assessment will inform the Council and partner's approach to lowering the risk of fires in the future.

BACKGROUND PAPERS

Further information about the assessment, including the available information regarding air quality in Rainham is published here
https://www.havering.gov.uk/info/20073/public_health/895/response_to_fires_at_arnolds_field_launders_lane
