1. STRUCTURE AND ROLE OF MEMBERS

The Council is the Administering Authority of the Havering Pension Fund (the Fund). The Council has delegated to the Pensions Committee various powers and duties in respect of its administration of the Fund. The Council agreed changes to its Constitution on the 25 March 2015 to establish the Havering Local Pension Board and adopt their Code of Conduct and Conflict of Interest policies.

Day to day management of the Fund is delegated to the Chief Finance Officer (s151), now known as the Strategic Director of Resources.

1.1 Role of Pensions Committee

- To take decisions on those matters not to be the responsibility of the Cabinet under the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 relating to those matters concerning the Local Government Pension Scheme.

There is a code of conduct in place which includes a process that considers potential conflicts of interest, with clearly identified steps on how to report or act should a conflict occur. All members are required to declare any interests in relation to the Pension Fund or items on the agenda at the start of each meeting.

1.2 Role of Local Pension Board (the Board)

The functions of this board are as follows:

In support of its core functions the Board may make a request for information to the Pensions Committee with regard to any aspect of the Administering Authority's function. Any such request should be reasonably complied with in both scope and timing.

The Council recommends that the membership of the Pension Committee remain static for the full term of elected office in order that members are fully trained, unless exceptional circumstances require a change. Furthermore, substitute members are expected to have also been trained.

The Council's constitution 'rules of procedure' section was amended on the 28 March 2012 to include a stipulation that if a member does not undertake the required training within six months of appointment then that member shall not partake in the decision making of the Committee until their training has been completed.

3. GUIDANCE AND MONITORING

3.1 Pensions Committee

The Pensions Committee is supported by the Strategic Director of Resources / S151 and oneSource Shared Support Service. The Director of Exchequer and Transactional Services (oneSource) has the responsibility to administer the day to day administration operations of the Council's Pension Fund. The Strategic Director of Resources / S151 officer is responsible for providing advice in the overall management of the Pension Fund supported by expert advisors. Members also receive briefings and advice from the Fund's investment advisor at each committee meeting. From December 2023, services undertaken by Finance as part of oneSource will revert to Havering Council. There will be no change to the services that support the Pensions Committee.

The Pensions Committee also considers advice, as necessary, from the Fund's appointed professional actuary who also attend the meetings as and when required.

Investment Managers are invited to present at the Pensions Committee meeting on a rotational basis. Only one fund manager will attend each committee meeting to give greater focus to investment strategy development. Mandates that operate within the London Collective Investment Vehicle (LCIV) are now managed and monitored by them. However, if there are any specific matters of concern to the Committee relating to the manager's performance, arrangements will be made for additional presentations.

5. TRAINING

5.1 Pensions Committee

Associated training aligned with the Pensions Committee's forward plan is submitted to the Pensions Committee for approval as part of the Business Plan. Committee Members receive in depth training on a wide range of topics. Training is given on specific investment topics prior to any key decisions being taken. This approach ensures that important decisions are taken whilst training is still fresh in Members minds.

The Fund uses the CIPFA's Knowledge and Skills self-assessment training questionnaire to identify and evidence the knowledge and skills of the members. In addition to the cyclical training that the Committee will have over the lifetime of their membership, training will be provided in the areas where it has been specifically requested or has been identified as required. Associated training and development is linked to the Pensions Committee meeting cyclical coverage.

The Fund has commissioned an online learning course developed by Hymans Robertson, to make it easier for members of the Pensions Committee to obtain the core knowledge required to meet the CIPFA Knowledge & Skills Framework and TPR's Code of Practice 14 requirements. This training is mandatory.

5.2 Local Pension Board

A joint training strategy has been developed and adopted by the Pensions Committee and the Board. Board members will comply with Scheme Managers training policy.

Board members will undertake a personal training needs analysis and regularly review their skills, competencies and knowledge to identify gaps or weaknesses. The Fund uses the CIPFA's Knowledge and Skills self-assessment training questionnaire for this purpose.

Training will be provided in the areas where it has been specifically requested or has been identified as required.
