Part A – Report seeking decision

DETAIL OF THE DECISION REQUESTED AND RECOMMENDED ACTION
<p>The London Borough of Havering is planning an estate regeneration project which encompasses 12 different estates. As part of the initial stages of the project, the Council will purchase leasehold and freehold properties within those estates as part of its 'site assembly' obligations. The initial outline for the 12 estates project was reported to Cabinet on 12th October 2016.</p> <p>72 Chippenham Road, RM3 8HX has been identified as a property to purchase as part of this project. It is a 3 bedroom house located on the Chippenham Road Regeneration site.</p> <p>The purchase of this property prevents the need for a Compulsory Purchase Order (CPO) later.</p> <p>After consideration of an independent valuation report and knowledge and expertise of the councils property services and legal services it has been recommended to proceed with the purchase of the property at the purchase price of £445,000. This price has been negotiated by Ardent Surveyors.</p> <p>The recommended action is:</p> <ol style="list-style-type: none"> 1. To note that a purchase price of £445,000 (excluding all standard additional costs) has been successfully negotiated for the acquisition of the leasehold interest in the property as advised by Ardent Surveyors.

2. To agree to proceed with the recommendation to purchase the leasehold interests in the property referred to above at the agreed price and on the terms outlined in this report.
3. To note also that external legal advisers will be instructed to prepare and complete the legal documents which will enable the purchase to be completed.

AUTHORITY UNDER WHICH DECISION IS MADE

Powers of Members of the Senior Leadership Team under Part 3, Paragraph 3.3 of the Council's Constitution "Financial Responsibilities":

(a) To incur expenditure within the revenue and capital budgets for their allocated portfolio as approved by the Council, or as otherwise approved, subject to any variation permitted by the Council's contract and financial procedure rules.

(b) To oversee the delivery of programmes agreed by Council and cabinet.

STATEMENT OF THE REASONS FOR THE DECISION

The purchasing of this property will have the following benefits for the Housing Revenue Account (HRA):

- Reducing the need for CPO's for the Chippenham Road Estate Regeneration Site which could incur additional costs.
- Help us achieve our target of agreed purchase of properties on the Chippenham Road Regeneration Site.

OTHER OPTIONS CONSIDERED AND REJECTED

Option: To not purchase the property and move the existing resident on a timely basis.

Reason for Rejection: This has been rejected as not purchasing on a timely basis may result in having to invoke CPO which may cause delays and additional costs.

Part B - Assessment of implications and risks

LEGAL IMPLICATIONS AND RISKS

The Council has the power to acquire houses and land under section 17 of the Housing Act 1985. The power does not preclude the repurchase of former council properties.

It is understood that external solicitors will be instructed to deal with the conveyancing.

The purchase will be subject to the necessary legal due diligence taking place.

FINANCIAL IMPLICATIONS AND RISKS

Please see Financial Exempt Report – Appendix C

HUMAN RESOURCES IMPLICATIONS AND RISKS (AND ACCOMMODATION IMPLICATIONS WHERE RELEVANT)

The recommendations made in this report do not give rise to any identifiable HR risks or implications that would affect either the Council or its workforce.

EQUALITIES AND SOCIAL INCLUSION IMPLICATIONS AND RISKS

It is not considered necessary to enter into an Equalities Impact Assessment in relation to buying this property. The purchase will be completed after the standard property purchase negotiations using standard contract format, undertaken with the expressed consent of the owner; therefore an EIA is not considered relevant.

ENVIRONMENTAL AND CLIMATE CHANGE IMPLICATIONS AND RISKS

There is a current requirement for properties that are purchased to either have an EPC with a minimum of a 'C' rating or that a 'C' rating can be achieved. The final decision is with Senior Management as it may be beneficial to acquire leasehold properties below the minimum rating to make it easier to arrange the required energy improvement works to leasehold blocks.
