LONDON BOROUGH

REPORT OF GOVERNANCE COMMITTEE

Full Council: 17 January 2023

Appointments to Outside Bodies 2023/24

Governance Committee has been due to consider a report (attached) concerning the approval of several non-executive appointments and the noting of the position with two other external organisations to which the Council normally appoints.

As the Governance Committee has not had a meeting at the time of the meeting of Council, the report is being passed for approval to full Council at its meeting scheduled for 17 January 2024.

Accordingly, it is RECOMMENDED:

That Council agrees the recommendations as shown in the report of Governance Committee (attached).
