Licensing Authority, Licensing Team Housing & Public Protection London Borough of Havering, Town Hall, Main Road, Romford, RM1 3BD,

Subject: Objection to License Application for The Plough, located in Front Lane, Cranham.

Dear Sir/Madam,

I am writing to formally object to the application submitted by The Plough for a license to sell alcohol and play music until 1 am. As a resident living near the pub in Chipperfield Close, I have serious concerns about the potential impact on the local community. My objection is based on the following grounds:

****1. Prevention of Public Nuisance:****

Allowing the pub to sell alcohol and play music until 1 am can result in increased noise levels, especially during the late hours. This disturbance will significantly affect the peace and quiet of the neighbourhood, disrupting the sleep and well-being of residents, including families with young children and the elderly.

****2. Prevention of Crime and Disorder:****

Extended hours for alcohol sales can lead to an increase in antisocial behaviour and crime. The area may see a rise in incidents such as fights, vandalism, and public drunkenness. This poses a risk to the safety and security of the community.

****3. Public Safety:****

With late-night activities, there is a higher probability of disturbances spilling out onto the streets, posing a danger to pedestrians and drivers alike. Increased foot traffic and potential intoxicated individuals create safety hazards, particularly in a residential area.

****4. Protection of Children from Harm:****

The presence of a late-night venue near homes where children live and play is concerning. Exposure to loud music, intoxicated behaviour and potential criminal activities can negatively impact their safety and development.

I urge the licensing authority to consider the well-being of the local residents and reject this application. The extension of operating hours for The Plough will undeniably lead to a deterioration in the quality of life for those living nearby.

I hope my concerns, along with those of other residents, will be taken into account during the decision-making process. Thank you for your attention to this matter.

Yours faithfully,
