EQUALITIES AND SOCIAL INCLUSION IMPLICATIONS AND RISKS

The Public Sector Equality Duty (PSED) under section 149 of the Equality Act 2010 requires the Council, when exercising its functions, to have 'due regard' to:

- (i) The need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010;
- (ii) The need to advance equality of opportunity between persons who share protected characteristics and those who do not, and;
- (iii) Foster good relations between those who have protected characteristics and those who do not.

Note: 'Protected characteristics' are age, sex, race, disability, sexual orientation, marriage and civil partnerships, religion or belief, pregnancy and maternity and gender reassignment.

The Council is committed to all of the above in the provision, procurement and commissioning of its services, and the employment of its workforce. In addition, the Council is also committed to improving the quality of life and wellbeing for all Havering residents in respect of socio-economic and health determinants.

An EqHIA (Equality and Health Impact Assessment) is usually carried out when a proposed or planned activity is likely to affect staff, service users, or other residents. In this case it is not considered relevant. It is not considered necessary to enter into an Equalities Impact Assessment in relation to buying this property. The purchase will be completed after the standard property purchase negotiations using standard a contract format undertaken with the expressed consent of the owner; therefore, an EIA is not considered relevant.

The Council seeks to ensure equality, inclusion, and dignity for all in all situations.

There are no equalities and social inclusion implications and risks associated with this decision.

ENVIRONMENTAL AND CLIMATE CHANGE IMPLICATIONS AND RISKS

Property is a new build and recently constructed with energy efficient materials producing a high Energy Performance Level (EPC).
