Part A – Report seeking decision

DETAIL OF THE DECISION REQUESTED AND RECOMMENDED ACTION

The council has been successful in obtaining funding under the Council Homes Acquisition Programme (CHAP) a Greater London Authority initiative aimed at increasing the supply of affordable housing for low-income families, with the focus on acquiring larger properties.

Further information can be found using the link below:

[Council Homes Acquisition Programme | London City Hall](#)

This proposed acquisition contributes towards our target of 45 properties to purchase in this financial year, utilising the allocated funding under CHAP.

61 Shenstone Gardens RM3 7NX has been identified as a property to purchase under the scheme. It is a 2-bedroom flat and the property meets the criteria for the Council Home Acquisition Programme (CHAP).

After consideration of an independent valuation report and knowledge and expertise of the Council's property services it is recommended that the Council purchases this property.

The recommended action is to purchase the property as set out in the Exempt Financial Report at Appendix C. This price has been negotiated in accordance with the Surveyors recommended valuation.

3.3.3 Powers common to all Strategic Directors.

STATEMENT OF THE REASONS FOR THE DECISION

The purchasing of 61 Shenstone Gardens RM3 7NX will have the following benefits for the Housing Revenue Account (HRA):

- The additional stock will utilise allocated funding under the CHAP funding programme.
- Provide additional units of accommodation to house those in need.

The council can apply some of the time-limited retained Right to Buy receipts.

OTHER OPTIONS CONSIDERED AND REJECTED

Option: To not purchase the property.

Reason for Rejection: This has been rejected as not purchasing will not give the council the opportunity to increase housing stock and assist with agreed target spend under CHAP funding.

Part B - Assessment of implications and risks

LEGAL IMPLICATIONS AND RISK

The Council has the power to acquire houses and land under section 17 of the Housing Act 1985. The power does not preclude the repurchase of former council properties.

It is understood that external solicitors will be instructed to deal with the conveyancing.

The purchase will be subject to the necessary legal due diligence taking place.

FINANCIAL IMPLICATIONS AND RISKS

The CHAP provides additional funding for the purchase of properties, at a contribution of £150,000 per unit, with the aim of increasing stock levels. The remainder of the funding will come from the HRA Capital Programme.

Please see Exempt Financial Report, for full details - Appendix C.

HUMAN RESOURCES IMPLICATIONS AND RISKS (AND ACCOMMODATION IMPLICATIONS WHERE RELEVANT)

The recommendations made in this report do not give rise to any identifiable HR risks or implications that would affect either the Council or its workforce.

EQUALITIES AND SOCIAL INCLUSION IMPLICATIONS AND RISKS

The Public Sector Equality Duty (PSED) under section 149 of the Equality Act 2010 requires the Council, when exercising its functions, to have 'due regard' to:

- (i) The need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010;
- (ii) The need to advance equality of opportunity between persons who share protected characteristics and those who do not, and;
- (iii) Foster good relations between those who have protected characteristics and those who do not.

Note: 'Protected characteristics' are age, sex, race, disability, sexual orientation, marriage and civil partnerships, religion or belief, pregnancy and maternity and gender reassignment.

The Council is committed to all of the above in the provision, procurement and commissioning of its services, and the employment of its workforce. In addition, the Council is also committed to improving the quality of life and wellbeing for all Havering residents in respect of socio-economics and health determinants.

An EqHIA (Equality and Health Impact Assessment) is usually carried out and on this occasion this is not required.

The council seeks to ensure equality, inclusion and dignity for all in all situations.

There are not equalities and social inclusion implications and risks associated with this decision.

Non-key Executive Decision

ENVIRONMENTAL AND CLIMATE CHANGE IMPLICATIONS AND RISKS

There is a current requirement for properties that are purchased to either have an EPC with a minimum of a 'C' rating or that a 'C' rating can be achieved. The final decision is with Senior Management as it may be beneficial to acquire leasehold properties below the minimum rating to make it easier to arrange the required energy improvement works to leasehold blocks.
