This letter of representations is provided in connection with your audit of the financial statements of the London Borough of Havering Pension Fund ("the Fund") for the year ended 31 March 2023.

We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial transactions of the Fund during the period from 1 April 2022 to 31 March 2023 and of the amount and disposition of the Fund's assets and liabilities as at 31 March 2023, other than liabilities to pay pensions and benefits after the end of the period, have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23.

We understand that the purpose of your audit of the Fund's financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23.
2. We confirm that the Fund is a Registered Pension Scheme. We are not aware of any reason why the tax status of the scheme should change.
3. We acknowledge, as members of management of the Fund, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position and the financial performance of the Fund in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the

Appendix H (ii)

United Kingdom 2022/23, and are free of material misstatements, including omissions. We have approved the financial statements.

4. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
5. As members of management of the Fund, we believe that the Fund has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 that are free from material misstatement, whether due to fraud or error.
6. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.
7. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected these differences identified and brought to our attention by the auditor because they relate to timing differences. Financial statements from the private market funds are issued quarterly in arrears and therefore the statements for 31 March are not issued until the closure of accounts deadline has passed. These market values are reflected by the Custodian in the following quarter. These timing will produce potential differences annually whilst the Fund holds these assets.
8. That you have disclosed to us any significant changes in our processes, controls, policies and procedures that you have made to address the effects of the conflict and related sanctions in Ukraine, Russia and/or Belarus on your system of internal controls. That you do not believe that there are any significant changes.

B. Non-compliance with laws and regulations including fraud

1. We acknowledge that we are responsible for determining that the Fund's activities are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have not made any reports to The Pensions Regulator, nor are we aware of any such reports having been made by any of our advisors.
5. There have been no other communications with The Pensions Regulator or other regulatory bodies during the Fund year or subsequently concerning matters of noncompliance with any legal duty. We have drawn to your attention all correspondence and notes of meetings with regulators (if applicable).
6. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Fund (regardless of the source or form and including without limitation, any allegations by "whistleblowers"), including non-compliance matters:
 - Involving financial improprieties
 - Related to laws or regulations that have a direct effect on the determination of material amounts and disclosures in the Fund's financial statements

Appendix H (ii)

- Related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Fund, its ability to continue, or to avoid material penalties
- Involving management, or employees who have significant roles in internal control, or others
- In relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

5. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Fund's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the period end. These transactions have been appropriately accounted for and disclosed in the financial statements.
6. We confirm the completeness of information provided regarding annuities held in the name of the members of the management of the Fund.
7. We have disclosed to you, and the Fund has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
8. No transactions have been made which are not in the interests of the Fund members or the Fund during the fund year or subsequently.
9. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23.
