67 **ANNOUNCEMENTS BY THE MAYOR, BY THE LEADER OF THE COUNCIL OR BY THE CHIEF EXECUTIVE (agenda item 5)**

The Mayor recorded his thanks for the support given to his Civic Dinner which had been attended by 104 people and raised in excess of £5,000 for the Mayor's charity. A recent VIP night at the Queen's Theatre had raised more than £500.

The Chief Executive confirmed that the Council's request for exceptional financial support had been agreed in principle by Central Government. This meant that the Council was able to legally set a balanced budget.

68 **PROCEDURE (agenda item 6)**

There were no procedural motions proposed.

69 **THE COUNCIL'S BUDGET 2025/26 (agenda item 7)**

Council had before it a series of reports covering the Council's Budget, Capital Programme and Treasury Management Strategy Statement. Reports also covered the Housing Revenue Account and business plans for Bridge Close Regeneration LLP, Havering and Wates Regeneration LLP and Mercury Land Holdings.

Deemed Motion on behalf of the Administration

That the reports be adopted and their recommendations carried into effect.

Amendments on behalf of the Residents' Association Independent Group, Conservative Group and Labour Group

As appended to these minutes.

Following debate, the amendment on behalf of the Residents' Association Independent Group was **NOT CARRIED** by 30 votes to 18 with 0 abstentions (see division 1).

The amendment on behalf of the Conservative Group was **NOT CARRIED** by 30 votes to 18 with 0 abstentions (see division 2).

The amendment on behalf of the Labour Group was **NOT CARRIED** by 25 votes to 24 with 0 abstentions on the casting vote of Mayor (see division 3).

The report of Cabinet and deemed motion on behalf of the Administration were **AGREED** by 25 votes to 24 with 0 abstentions on casting vote of Mayor (see division 4).

RESOLVED:

1. That Council agree and endorse the recommendations in the report to Cabinet of 5 February 2025 titled Bridge Close Regeneration LLP Business Plan Refresh 2025-2026.
2. That Council agree and endorse the recommendations in the report to Cabinet of 5 February 2025 titled Havering and Wates LLP Business Plan and Budget Update 2024/2025.
3. That Council agree and endorse the recommendations in the report to Cabinet of 5 February 2025 titled Mercury Land Holdings Business Plan and Budget Update 2025/26.
4. That Council approves the Housing Revenue Account (HRA) Business Plan update, Budget for 2025/26 & Capital Programme for 2025/26-2029/30 and all recommendations, as set out in the report to Cabinet of 5th February 2025.
5. That Council approves the Capital Strategy and Programme for 2025/26 as shown in the separate report to Cabinet of 5 February 2025.
6. That Council approves the Treasury Management Strategy Statement, Prudential Indicators, and the Minimum Revenue Provision Statement for 2025/26 as shown in the separate report to Cabinet of 5 February 2025.
7. That the following as submitted in the report to Cabinet of 5 February 2025 be approved:
 - The General Fund budget for 2025/26
 - The Council Tax for Band D properties and for other Bands of properties, all as set out in Appendix E of the Cabinet report.
 - The Delegated Schools' Budget for 2025/26, as set out in section 6 of the Cabinet report.
 - The Capital Programme for 2025/26 as set out in the Capital Strategy and Programme Report reported to Cabinet on 5 February 2025.
8. The Council delegate authority to the Chief Financial Officer to adjust the Corporate Risk Budget to account for any further variations that may arise.
9. That, in accepting recommendation 1, Council is mindful of the advice of the Chief Finance Officer as set out in Appendix H of the report to Cabinet.

10. That it be noted that under delegated powers the Chief Finance Officer has calculated the amount of 90,151 (called T in the Act and Regulations) as its Council Tax base for the year 2025/26 in accordance with regulation 3 of the Local Authorities (Calculation of Council Tax Base) Regulations 1992 (as amended) made under Section 31B of the Local Government Finance Act 1992 as amended.
11. That the amount of £164,361,000 be now calculated as the Council Tax requirement for the Council's own purposes for 2025/26, with £26,147,000 of that amount being ringfenced for Adult Social Care.
12. That the following amounts be now calculated by the Council for the year 2024/25 in accordance with Sections 31 to 36 of the Local Government Finance Act 1992 as amended:

(a)	725,100,000	being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the Act.
(b)	(560,739,000)	being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the Act.
(c)	164,361,000	being the amount by which the aggregate at (a) above exceeds the aggregate at (b) above, calculated by the Council in accordance with Section 31A(4) of the Act as its Council Tax requirement for the year.
(d)	£1,823.17	being the amount at (c) above divided by the taxbase, calculated by the Council, in accordance with Section 31B of the Act, as the basic amount of its Council Tax for the year.

13. That the Council, in accordance with Sections 30 and 36 of the Local Government Finance Act 1992, hereby sets the amounts shown in the table below as the amounts of Council Tax for 2025/26 for each of the categories of dwellings.

Valuation Bands London Borough of Havering			
	Havering	Adult Social Care	Total

G	3,855.92
H	4,627.10

The effect of adopting this resolution would be to set the Council Tax for a Band D property at £2,313.55

16. That Council having considered the principles approved under the Local Government Finance Act 1992 by the Secretary of State for Communities and Local Government concludes that the Council's basic relevant amount of Council Tax for 2025/26 is not excessive.
17. That any Council Tax payer who is liable to pay an amount of Council Tax to the Authority in respect to the year ending on 31 March 2025, who is served with a demand notice under Regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 as amended and who makes payment to the Authority of the full balance of the estimated amount shown on that demand by 1 April 2025, may deduct a sum equivalent to 1.5% of and from the estimated amount and such reduced amount shall be accepted in full settlement of that estimated amount.
18. That Council approves that the Council Tax Support Scheme 2025/26 is adopted for 2025/26 as set out in Section 10 of the Cabinet report of 5 February 2025.

PROPOSED BUDGET AMENDMENT FROM THE RESIDENTS' ASSOCIATION INDEPENDENT GROUP

(Proposer Cllr John Tyler)

(Seconded Cllr Philip Ruck)

Proposal

The Residents' Association Independent Group proposes the following budget amendments:

That the following posts are created:

2 x additional Planning Officers £0.130m

1 x additional Planning Enforcement Officer £0.051m

4 x additional Street Care staff members £0.191m

That the library book fund saving is reversed £0.020m

That the saving closing Harold Wood Library is reversed for a fixed period of 12 months £0.101m

That car parks and on street parking charges for the first hour are reduced by 50p from £2.60 to £2.10 £0.205m

Reduce the contribution to general balances by £1m to £3.3m.
This £1m would be taken as a saving to reduce the
Capitalisation Directive required by £1m £1.000m

Total costs £1.698m

Strategic Director of Resources Financial implications:

The proposal is financed by a reduction in the budgeted level of contribution to general reserves. Whilst this is possible and could be done, as the Council's S151 Officer, it is not a proposal I can recommend. General fund balances/non-earmarked reserves should equate to at least c10% of the Council's net revenue budget. For Havering, this equates to c£20m. At present, General Fund balances are c£10m as at 31st March 2024.

The library saving was agreed by Council in February 2024, to be implemented over a two-year period. This forms part of the Council's Improvement and Productivity Plan and the Council will be held to account for delivery of this saving, as part of the £15.3m overall savings put forward for 24/25.

The investment detailed in the proposal would equate to a £1.698m reduction in the budgeted contribution to reserves in year 1 and, from year 2, it would result in a £1.597m reduction in the budgeted contribution to reserves. This is on the basis that the Harold Wood Library saving is reversed for one year only. Changes to the parking charges would also incur additional costs for new signage. This will add to the cost of the proposal above.

The Council has one of the lowest levels of reserves and balances in London and building balances back up to a level representative of the risks the Council is currently facing is a necessary requirement. In the last two years, the Council's financial risk profile has increased due to pressures significantly outstripping the level of funding the Council receives from Central Government.

The Council has gross expenditure of over £700m and will have a net revenue budget, including the exceptional financial support, of around £275m. For example, each month of payroll is estimated to be c£10m. The planned contributions to reserves are a key part of the Council's strategy to replenish reserves to mitigate against future risks the Council might face.

The other substantive financial risk is the Government's position on the Dedicated Schools Grant Statutory Override for High Needs expenditure which is in place until March 2026. At present, the Government has not yet announced its plans on whether the Statutory Override will continue. If the Override does not continue, the forecast deficit by March 2026 is estimated to be c£65m. Therefore, the Council must do what it can to build up financial resilience through increasing its general fund reserves where possible.

PROPOSED BUDGET AMENDMENT FROM THE CONSERVATIVE PARTY

The Conservative party proposes the following budget amendments:

To hire two Met Police officers to patrol Havering's parks	£0.160m
Reverse the decision to close Gidea Park and Harold Wood Libraries	£0.188m
Fund new Parks CCTV	£0.500m
Appoint two new Planning Officers	£0.130m
Reduce the Capitalisation requirement	£0.562m
Total Cost	£1.540m

This would be financed by:

Delay implementation of Food waste collection to April 2026 - including removal of cost of bin liners (£0.27m) from cost projections	£1.540m
Total Saving	£1.540m

The proposal also recommends:

To allocate £1m of CIL (currently unallocated) for a library refurbishment programme to refurbish and maintain the properties

Recognition that these are only savings for FY25-26 and that this will create additional pressures on the MTFs. With that in mind, we also propose that we will explore the use of additional revenue generation by renting library space out (potentially to gyms).

The additional Planning Officers will initially help improve the customer service on existing planning applications but with a recognition that better customer service will then lead potentially to a higher volume of pre planning application advice requests and the associated income that will come with that.

Strategic Director of Resources Financial implications:

The Council is required by law to implement food waste collection by 1st April 2026. Currently the Council is planning to phase the roll out of this service incurring costs and has budgeted for £2.1m of costs in 2025/26. The Council is expecting grant funding from the Government to help mitigate set up costs but the timing and value of this grant has yet to be announced. Of these costs £0.83m will be incurred in 2025/26 prior to go live and as such are not included in the saving proposal. This however includes £0.27m for bin liners, which this proposal recommends are not purchased. As such the saving in 2025/26 would be £1.540m. However, it is recognised that the bin liners may encourage increased resident take-up of the new service and therefore reduce the overall residual waste tonnages that need to be disposed of. This could lead to significant savings beyond the cost of the bin liners when the new waste contract is re-procured.

Investment in new CCTV for Parks is a capital cost and there will be additional revenue running costs to monitor this service. This has not been factored into the proposal above and is likely to generate additional pressures in 2025/26.

The library saving was agreed by Council in February 2024, to be implemented over a two-year period. This forms part of the Council's Improvement and Productivity Plan and the Council will be held to account for delivery of this saving, as part of the £15.3m overall savings put forward for 24/25.

The food waste collection could be delayed until April 2026 but this would increase project risk through the legal requirement to be fully operational on day one. If this proposal was approved, the saving would be one off in 2025/26 and must be reversed after 2025/26 so it does not create a pressure for 2026/27

The proposals to generate additional income from 2026/27 onwards through the renting of library space (potentially for gyms) would need a full business case to be developed to confirm both initial costs and any subsequent additional income. It cannot be confirmed therefore that this project would produce enough income to mitigate the costs listed above in 2026/27.

This proposal could be actioned with the associated risks above but it is not a proposal I can recommend as the Council's S151 Officer. The Council budget requires £70m of exceptional financial support to balance.

My recommendation would be for any additional savings identified through the alternative budget proposal process be used to reduce the Capitalisation Direction required, instead of funding new investment/growth items. Any government grant announcements made relating to the roll out of food waste collection will be used to offset against the service delivery on an ongoing basis. It would be my recommendation to reduce the cost of the service in line with the new burdens funding Havering receives.

PROPOSED BUDGET AMENDMENT FROM THE LABOUR GROUP

(Proposer Cllr Keith Darvill)

(Seconded Cllr Matthew Stanton)

Proposal

The Labour Group proposes the following budget amendments:

That the saving closing South Hornchurch Library is reversed	£0.100m
That the saving closing Harold Wood Library is reversed	£0.101m
To reduce the Capitalisation Direction	£0.069m
That Gidea Park Library is re-purposed for alternative use (see below)	
Total costs	£0.270m

This would be financed by:

Removal of costs of bin liners from the Food Waste collection	£0.270m
---	----------------

The proposal includes a medium-term option to re-purpose the Gidea Park Library site to provide additional facilities to support Children, Young People and Families with special educational needs or care needs.

Strategic Director of Resources Financial implications:

The proposal as set out is to permanently reverse the closure of Harold Wood and South Hornchurch Library savings, financed by not issuing bin-liners in relation to the Food Waste collection that the Council must, by law, roll out by April 2026.

It is recognised that the bin liners may encourage increased resident take-up of the new service and therefore reduce the overall residual waste tonnages that need to be disposed of. This could lead to significant savings beyond the cost of the bin liners when the new waste contract is reprocured.

The proposal includes an option to re-purpose Gidea Park Library for alternative use. Any meanwhile use of sites must be done so on the basis of the Council recovering its running costs in full. The medium-term proposal to re-purpose the Gidea Park Library site to provide new facilities for children and young people will be subject to a full business case, to ensure the proposal is financially viable. New facilities *should* deliver cost avoidance savings and reduce pressures on the Council's Social Care budget and provide better outcomes for those with care needs.

Although the saving is financially viable, as the Council's S151 Officer, I am unable to recommend this. The library saving was agreed by Council in February 2024, to be implemented over a two-year period. This forms part of the Council's Improvement and Productivity Plan and the Council will be held to account for delivery of this saving, as part of the £15.3m overall savings put forward for 24/25.

In my view, all cost reductions should be used to offset the Council's request for a Capitalisation Direction and the Council must be accountable for delivery of all savings put forward.
