Part B - Assessment of implications and risks

LEGAL IMPLICATIONS AND RISKS

The recommendation of the report is to grant a new lease in accordance with the terms noted in Appendix A. The lease will be contracted out of the security of tenure provisions of the Landlord and Tenant Act 1954 and therefore, the tenant will not have the automatic right to renew the lease at the end of the term. The tenant will be required to vacate the Property at the end of the term.

Pursuant to s123 of the Local Government Act, Councils can dispose of land in any manner they wish, including the sale of freehold interests, granting a lease or assigning any unexpired term on a lease, and the granting of easements. The only constraint is that a disposal must be for the best consideration reasonably obtainable (except in the case of short tenancies), unless the Secretary of State consents to the disposal. It is noted that the rent secured is in line with the independent valuation obtained for the Property.

Furthermore, the Council has a general power of competence under Section 1 of the Localism Act 2011, which gives the power to do anything an individual can do, subject to any statutory constraints on the Council's powers. This power permits the Council to grant a 10 year lease in accordance with any statutory constraints.

The recommendation of this report is in keeping with these powers.

FINANCIAL IMPLICATIONS AND RISKS

The proposed rent detailed will generate additional rental income for the Council during the lease term. VAT is not chargeable on the rent.

The costs associated with drawing up the new lease will be paid for from existing budgets.

HUMAN RESOURCES IMPLICATIONS AND RISKS (AND ACCOMMODATION IMPLICATIONS WHERE RELEVANT)

No human resources implications and risks have been identified.

EQUALITIES AND SOCIAL INCLUSION IMPLICATIONS AND RISKS

The Public Sector Equality Duty (PSED) under section 149 of the Equality Act 2010 requires the Council, when exercising its functions, to have 'due regard' to:

- (i) The need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010;
- (ii) The need to advance equality of opportunity between persons who share protected characteristics and those who do not, and;
- (iii) Foster good relations between those who have protected characteristics and those who do not.

Note: 'Protected characteristics' are age, sex, race, disability, sexual orientation, marriage and civil partnerships, religion or belief, pregnancy and maternity and gender reassignment.

Non-key Executive Decision

The Council is committed to all of the above in the provision, procurement and commissioning of its services, and the employment of its workforce. In addition, the Council is also committed to improving the quality of life and wellbeing for all Havering residents in respect of socio-economics and health determinants.

An EqHIA (Equality and Health Impact Assessment) is usually carried out when a proposed or planned activity is likely to affect staff, service users, or other residents.

The Council seeks to ensure equality, inclusion, and dignity for all in all situations.

There are no equalities and social inclusion implications and risks associated with this decision.

ENVIRONMENTAL AND CLIMATE CHANGE IMPLICATIONS AND RISKS

No Environmental and Climate Change implications identified.
