In setting the fees and charges the Council takes account of:

- Statutory and Nationally set fee rates
- Non-Statutory fee rates
- Current Inflation levels
- Full cost recovery where appropriate
- Current market conditions for an increase

**Appendix D2** sets out the proposed fees and charges for 2026/2027 and the fees are denoted by the following basis of increases. In principle, the Council has applied changes to Fees & Charges with a view of recovering the cost of delivery the service.

<b>Denoted by</b> (A)	<b>Basis of Increase</b>
(A)	Statutory/Nationally
(B)	To be agreed by Cabinet and/or subject to corporate savings plan
(C)	Inflationary and rounding increases
(D)	A local charging policy that deviates from the Corporate Charging Policy

Officers have applied the corporate charging policy of 4.5% where possible
