Subject: Representation for The Chequers, Hornchurch

The Chequers, 121 North Street, Hornchurch, RM11 1ST.

I am writing this email to give clear support to an important Social Establishment in Hornchurch .

We are amazed that there has been any sort of disturbance at the Chequers Pub.

Having worked and lived in Hornchurch (worked at the Queens Theatre for 40 years).I have used the Chequers pub regularly for up to 2/3 times a week, and in that time cannot remember any trouble as described.

From the time, years back when Bill managed the pub, and now Jack owns, it has always been a very well managed pub. At my age, now 70 years old and my wife 66 years old, we feel the Chequers to be a safe haven for us and our family, something that is very important to us in our later years.

Saturdays and Sundays, we would not dream of going into Hornchurch Town Centre or Romford Town Centre, as for us, the youth element would make us feel unsafe.

The Chequers is an important social gathering place for us and our friends, along with the bar staff, Natalie, Tayer, Danielle. It is like a family gathering. A very personal and peaceful atmosphere with the owner, Jack, spending time with his patrons making sure everybody is comfortable.

A most welcoming safe pub.
