Dear Sir / Madam,

Re: KC's Bar, 155a Bullet Lane, RM11

I am writing to support the application by
Monny's Bar Ltd for extended hours
especially at weekends in respect of
KC's bar.

I have been living in the property above
KC's bar since July 2012 and during
that time I have found the management
and staff to be friendly and welcoming
and it's a place I enjoy going to.

I have never witnessed any problems
or felt threatened by any of the
customers. The management also
keep the property and surrounding
areas clean and tidy at all times

I support KC's extending their
opening hours.

Yours faithfully.

B. Amato

Dear Sir/Madam,

Re - KC's bar, 155 billet lane, Hornchurch.

I writing this letter to support the application for bar to have extended trading hours, especially come weekends. My wife and myself use the bar 6 days a week especially after work, just to 'chillax'. There is never any trouble and unlike some premises we can hear each other, & the staff are very helpful. At weekends our friends love to me us there. We have always felt safe there especially at closing when staff get us a cab 5mins after closing.

Opening an extra hour at weekends and bank holidays would be a blessing as our work can exhaust us during the week, and to spend a little longer with close friends would be delightful. At closing there is never any disturbance or noise as Door Supervisors always make sure to tell us, which we respect.

yours faithfully

Dear Sir / Madam,

KC's Bar, 155 Billet Lane, Hornchurch / Licence Variation

I am writing in support of the application by Monty's Bar Ltd for extended trading hours especially at weekends in respect of KC's Bar.

KC's Bar is a pleasant well run bar where the management and staff are friendly, efficient and helpful. I have never seen or heard of any trouble or disorder at KC's Bar with drunken, loud or abusive customers. There is always plenty of staff on duty at busy times to greet and serve customers in turn which avoids the endless queuing in the Town Centre pubs to get served. The atmosphere is always welcoming and relaxed as it is the sort of Bar where you can spend a pleasant afternoon or evening socialising with friends.

I have never been aware of or seen groups of people lingering outside KC's Bar at closing time disturbing residents or alarming passers by nor have I heard any noise nuisance from the Bar which has lobbied doors.

It would be good for the Bar to be open an hour later especially at weekends and Bank Holidays when most people do not have to go to work the next day and customers could spend a little longer relaxing after a hard week at work.

At closing time the Door Supervisors do politely remind customers to leave quietly due to the nearby residents and keep an eye on departing customers to deter any problems including people standing around talking.

Yours faithfully,

MAURICE PARRETT
