[X]

With the forthcoming local elections taking place in May 2014 there is a need to deliver a range of training and information sessions to new and re-elected members commonly known as the Member Induction Programme.

Following consideration of a draft programme by the Member Development Group at its meeting on 21 October 2013 it was agreed that the enclosed programme should be sent to Governance Committee for noting.

Governance Committee, 15 January 2014

A report on this matter was submitted to the previous meeting of the Governance Committee in December 2013. Some minor adjustments have been made to the Member Induction Programme following that meeting.

RECOMMENDATIONS

That the Committee notes the enclosed programme of information and training sessions for new and re-elected members following the local elections in May 2014.

REPORT DETAIL

- 1.1 Following previous local elections a variety of training and information sessions have been held to assist new and re-elected Members in the conduct of their duties.
- 1.2 These sessions have included both essential and optional activities and have been designed to ensure that Members are equipped with the necessary skills and information with which to perform their roles.
- 1.3 With the forthcoming local elections in 2014 a review was undertaken of what sessions had been delivered in the past, what other authorities had done and also what feedback had been received from Members on the efficacy of previous and existing programmes.
- 1.4 A comprehensive grid detailing all of the different essential and optional training sessions was compiled under the themes of ICT, General Skills, Legal and Corporate.
- 1.5 Furthermore a draft outline of a post-election induction day was completed which has been designed to aid Members in getting a large amount of the logistical and administrative items completed at the same time.
- 1.6 The Member Induction Programme 2014 is designed to provide comprehensive support for the training needs of Members following the election and will form the main part of Member Development for the next municipal term.
- 1.7 It is envisaged that the Induction Programme will be composed of the following elements; a post-election information and administration day; a series of training and information sessions ranged over the months after the election and a delivery platform composed of online, classroom, presentational and workshop vehicles.

IMPLICATIONS AND RISKS

Financial implications and risks:

There will be a series of costs associated with the delivery of the Member Induction Programme which will be borne by the Member Development Budget and other relevant service budgets.

Legal implications and risks:

Members are required to receive a range of training around equalities and diversity, standards, expenses, register of interests, planning, licensing and safeguarding for example. Failure to undertake these sessions would put Members at risk.

Human Resources implications and risks:

None.

Equalities implications and risks:

It is a requirement for Members to undertake Equalities and Diversity training particularly with the legal duties now placed on Members. Failure to undertake these sessions would put Members at risk.
